

CITY OF PLAINFIELD BUSINESS GUIDE

PLAINFIELD IS OPEN FOR BUSINESS!

One Plainfield. One Future.

www.plainfieldnj.gov

Mayor's Message

It is with great pleasure that I present the City of Plainfield's inaugural Business Guide. Our city is blessed to have a thriving and growing business community. From our industrious small businesses to our larger industries, the Queen City has it all.

My administration is committed to supporting and fostering our business community, which is why we created this guide to showcase the wide array of businesses in our city. We also want to make sure that we strengthen our community economically by supporting our businesses, which employ so many of our residents.

We are proud of the exponential progress that we've seen in recent years, but this is only the beginning. Working together and supporting one another, we will transform Plainfield into a more prosperous city with opportunity for all.

In addition to this Business Guide, be sure to stop by City Hall and pick up our Restaurant Guide. Our city has over 120 delicious restaurants and dining options.
