Dear Friends and Neighbors,

Our last update was Friday, June 18th. Since then, there are four (4) new COVID-19 cases. Additionally, seven (7) persons were placed in quarantine, and fortunately, there were no fatalities reported.

<b>Total</b>	<b>6,625</b>	<b>13,059</b>	<b>194</b>

Plainfield residents 18 years or older who would like to receive the Moderna vaccine for COVID-19 can call the Senior Center at 908- 753-3506 between the hours of 10:00am – 4:00pm, Monday through Friday. Vaccinations will be administered on Wednesdays from 2:00pm – 7:00pm at the Plainfield High School. **ID showing proof of age required.**

In partnership with Fusion Diagnostics Laboratories, there is currently free COVID-19 testing at **609 West Fourth Street in Plainfield, Monday-Friday, from 9:00 AM- 4:00 PM.** ID is required; Insurance is NOT required.

In addition, free COVID-19 testing at Kean University is operating on Mondays from 8:00 AM to 11:30 AM and Thursdays from 8:30 AM to 11:30 AM. Please visit [UCNJ.org](http://UCNJ.org) for more information. The test will also provide results for Influenza A and B (flu). **Insurance is not required.**

The vaccine offers a promise of returning to normalcy, however, until we are all vaccinated, it is important that we get tested if we experience any COVID-19 symptoms. We should continue to wear face masks, limit indoor gatherings, and practice social distancing while in public. New cases have lessened, but we need to stay vigilant. Let us each do our part to protect our family, friends, and community.

Stay safe and may God continue to bless you.

Sincerely,

Adrian O. Mapp, Mayor
