Twenty-six (26) New Cases of COVID-19 in Plainfield

July 21, 2021

Dear Friends and Neighbors,

Our last update was Wednesday, July 14th. Since then, there are twenty-six (26) new COVID-19 cases. Additionally, thirty-eight (38) persons were placed in quarantine, but fortunately, no fatalities have been reported since June 16.

COVID-19 Cases	Positive Cases	Persons Placed in Quarantine	Fatalities
March 16, 2020- December 31, 2020	4,215	10,465	128
January 1, 2021- July 14, 2021	2,476	2,694	66
Total	6691	13,159	194

Plainfield residents 18 years or older who would like to receive the Moderna vaccine for COVID-19 can call the Senior Center at 908- 753-3506 between the hours of 10:00am – 4:00pm, Monday through Friday. Vaccinations will be administered on Wednesdays from 2:00pm – 7:00pm at the Plainfield High School. **ID showing proof of age required.**

Plainfield resident 12 years or older who would like to obtain the Pfizer vaccine for Covid-19 can do so at Plainfield High School on Saturday, July 24th from 10am to 12pm.

Reminder – Get vaccinated through the City of Plainfield, Union County, or the Neighborhood Health Center with any approved vaccine and enter the Plainfield Vaccine Lottery for your chance to win \$5,000. Plainfield residents must be 18 years or older to qualify, and proof of residency must be shown at time of vaccination. Four winners, two who received their first dose and two who obtained their second dose, will be chosen each month from July to December. The first drawing will take place on Friday, August 13th.

In partnership with Fusion Diagnostics Laboratories, there is currently free COVID-19 testing **at 609 West Fourth Street in Plainfield, Monday-Friday, from 9:00 AM- 4:00 PM.** ID is required; Insurance is NOT required.

In addition, free COVID-19 testing at Kean University is operating on Mondays from 8:00 AM to 11:30 AM and Thursdays from 8:30 AM to 11:30 AM. Please visit UCNJ.org for more information. The test will also provide results for Influenza A and B (flu). **Insurance is not required.**

The vaccine offers a promise of returning to normalcy, however, until we are all vaccinated, it is important that we get tested if we experience any COVID-19 symptoms. We should continue to wear face masks, limit indoor gatherings, and practice social distancing while in public. New cases have lessened, but we need to stay vigilant. Let us each do our part to protect our family, friends, and community.

Stay safe and may God continue to bless you.

Sincerely,

Adrian O. Mapp, Mayor
