SIXTY-SIX (66) New Cases of COVID-19 in Plainfield

September 2, 2021

Dear Friends and Neighbors,

Our last update was on Wednesday, August 25. Since then, there are sixty-six (66) new COVID-19 cases. In addition, sixty-three (63) persons were quarantined. Unfortunately, one (1) fatality was reported yesterday, September 1. Plainfield, I implore you to take this virus seriously; although Plainfield's survival rate from COVID-19 is favorable, we are still losing loved ones. Please do your part, protect our community by getting vaccinated, and encourage others to do so. We are One Plainfield working towards One Future.

COVID-19 Cases	Positive Cases	Persons Placed in Quarantine	Fatalities
March 16, 2020- December 31, 2020	4,215	10,465	128
January 1, 2021- September 2, 2021	2,846	3,067	68
Total	7061	13,532	196

Get Vaccinated through the City of Plainfield, Union County, or the Neighborhood Health Center with any approved vaccine and enter the Plainfield Vaccine Lottery for your chance to win \$5,000. Plainfield residents must be 18 years or older to qualify, and proof of residency must be shown at the time of vaccination. Four winners, two who received their first dose and two who obtained their second dose, will be chosen each month until December. **The second drawing will take place on Friday, September 10.**

Reminder – The City of Plainfield is hosting a series of Pop up Vaccination Clinics every Wednesday from 4 PM – 7 PM at the Black Lives Matter Plaza in front of City Hall. Come by and enjoy some ice cream while you take this vital step in the fight against COVID-19. A list of additional locations can be found on the city's [website](#).

ATTENTION - Plainfield residents 18 years or older who would like to receive the Moderna vaccine for COVID-19 can call the Senior Center at 908- 753-3506 between 10:00 AM – 4:00 PM, Monday through Friday. Vaccinations will be administered on Wednesdays from 2:00 PM – 7:00 PM at the Plainfield High School. **The week of September 6th is the last time the vaccine will be available at this site. ID showing proof of age required.**

In addition, free COVID-19 testing at Kean University operates on Mondays from 8:00 AM to 11:30 AM and Thursdays from 8:30 AM to 11:30 AM. Please visit UCNJ.org for more information. The test will also provide results for Influenza A and B (flu). **Insurance is not required.**

The vaccine offers a promise of returning to normalcy. Plainfield, once we are vaccinated, we can begin to do more, be with each other, share hugs and closeness once again. We can recapture the life we knew if we all commit and do our part by getting vaccinated. It is vital to get tested if we experience any COVID-19 symptoms. We should continue to wear face masks, limit indoor gatherings, and practice social distancing while in public. Let's remain vigilant.

Stay safe, and may God continue to bless you. Sincerely,

Adrian O. Mapp, Mayor
