Two Hundred and One (201) New Cases of COVID-19 Reported in Plainfield

January 10, 2022

Dear Friends and Neighbors,

Since our last update on Wednesday, January 05, 2022, there have been **two hundred and one (201) new cases of COVID-19**, with **forty two (42) cases reported today**. In addition, **one hundred and nine (109)** persons have been quarantined. Since the New Year there have been no deaths related to COVID-19.

COVID-19 Cases	Positive Cases	Persons Placed in Quarantine	Fatalities
March 16, 2020- December 31, 2020	4,215	10,465	128
January 1, 2021 – December 31, 2021	4,420	4,054	71
January 1, 2022 - January 10, 2022	440	217	0
Total	9075	14,736	199

Attention – “Plainfield Wins” Vaccination Lottery has officially ended.

December 31 marked the last day of the “Plainfield Wins” Vaccine lottery. From July 1, 2021 to December 31, 2021, individuals who obtained the COVID-19 vaccine through the City of Plainfield, Union County, the Neighborhood Health Center, Plainfield CVS Pharmacy, Scott Drugs, or Rapp’s Pharmacy with any approved vaccine had the chance to win \$5,000. The final drawing for December vaccine winners will be held on **Friday, January 14th at 5:30 pm** via Facebook live.

The City of Plainfield is hosting a series of Pop up Vaccination Clinics. Get your COVID-19 vaccine and FLU shot all at once. A list of locations can be found on the city’s [website](#).

LOCAL COVID-19 TESTING SITES INCLUDE Walgreens on South Ave, Front Street Pharmacy, Rapp’s Pharmacy, Plainfield Neighborhood Health Center, and Scott Drugs Pharmacy. Please visit the City of Plainfield website and click on our [“COVID-19 Resource and Updates”](#) quick link for more information.

In addition, free COVID-19 testing at Kean University operates on Mondays from 7:00 AM to 12 PM and Thursdays from 7 AM to 12 PM or 4 PM to 8 PM. Please visit UCNJ.org for more information. The test will also provide results for Influenza A and B (flu). **Insurance is not required.**

Plainfield, it has been two years since we first encountered COVID-19 and we continue to suffer because of it. In recent days, the number of COVID-positive patients have risen dramatically. It is time that we face the urgency. Historically, the creation and implementation of vaccines have successfully controlled infectious diseases such as the smallpox virus, the Spanish flu, polio, rubella, and the COVID-19 virus is no exception. It is apparent that a correlation in decreased death rates due to COVID and the distribution of COVID vaccines exists. Help our community and help yourself, get vaccinated, get your booster, and stay safe.

Stay safe, and may God continue to bless you.

Sincerely,

Adrian O. Mapp, Mayor
