Dear Residents,

We are facing an unprecedented time in our history, as we battle the faceless but deadly enemy called COVID-19. My administration and team of dedicated city employees are working hard to continue to provide essential services with minimal disruption. However, our decisions as a result of this worldwide pandemic will be guided by county, state and federal mandates and regulations, as stipulated for all municipalities. For the latest updates related to the coronavirus, please visit the City’s website www.plainfieldnj.gov

Attached is the scheduled dates for the pick-ups in your area. Keep this brochure in a convenient place and refer to it over the coming months. Please follow the rules outlined in this brochure. This will assist our DPW team and ensure the highest level of efficiency.

As the weather changes and we prepare to resume outdoor activities, please be reminded of the impact this has on our storm water. Gardening, lawn care and debris collection have a direct impact on our storm water. Explore the possibility of natural fertilizers, composting and other alternatives. For information on storm water you can visit the Department of Environmental Protection sites at www.njstormwater.org or nonpointsource.org.

Listed are some of the 2019 DPW highlights:

In-house Crack Sealant: Over 54,000 linear feet (10.22 miles) of hot emulsion sealant was applied to fractures along recently milled and paved roads. This treatment helps prevent liquid from penetrating the road cracks that lead to road failure (potholes).

Milling, Paving, and Reconstruction: For the fourth year in a row, utilizing the cooperative purchasing power of more than 200 municipalities, and through funding from the NJDOT our milling and paving program continued uninterrupted. From 2016 to date we have paved:

- 114-Roadways
- Approximately 40 miles.
- Upgrades to ADA crosswalks.
- Performed road striping.

Thank you for your cooperation and understanding as we continue to work together to maintain our roadways.

Sincerely,

Adrian O. Mapp
Mayor
City of Plainfield
