The provisions of this act shall apply only to that interest earned and paid on a deposit after the effective date of this act.

**Request for Taxpayer Identification Number and Certification**

**Part I  Taxpayer Identification Number (TIN)**

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN on page 9.

**Note.** If the account is in more than one name, see the instructions for line 1 and the chart on page 4 for guidelines on whose number to enter.

**Part II  Certification**

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and

2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and

3. I am a U.S. citizen or other U.S. person (defined below); and

4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 5.

**General Instructions**

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** Information about developments affecting Form W-9 such as legislation enacted after we release it is at www.irs.gov/w9.

**Purpose of Form**

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1098 (Home mortgage interest)
- Form 1099-DIV (Dividends, Including those from stocks or mutual funds)
- Form 1099-MISC (Various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (Stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (Proceeds from real estate transactions)
- Form 1099-K (Merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See What is FATCA reporting? on page 2 for further information.
Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:
- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States; or
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partner to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:
- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in this clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:
1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 26 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 26 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first Protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, pension payments, payments made in settlement of payment card and third-party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:
1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payors and payments are exempt from backup withholding. See Exempt payee code on page 3 and the separate instructions for the Requester of Form W-9 for more information.

Also see Special rules for partnerships above.

What is FATCA reporting?
The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See Exemption from FATCA reporting code on page 5 and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information
You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are a tax-exempt organization. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties
Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

Criminal penalty for failing to file. Willfully failing to file certificating or affixing affixes to tax withholding certificates or liens may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Line 6
Enter your city, state, and ZIP code.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN. If you are a single-member LLC that is disregarded as an entity separate from its owner (see Limited Liability Company (LLC) on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN. Sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily trackable transactions, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments, you will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution. A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.
Part II. Certification
To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 6 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Except payees, see Exempt payee code earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.
1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certificate.
2. Interest, dividend, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backlog withholding will apply. If you are subject to backlog withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.
3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.
4. Other payments. You must give your correct TIN, but you do not have to sign the certificate unless you have been notified that you have previously given an incorrect TIN. “Other payments” include payments made in the course of the requester’s trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to various fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).
5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. A. In accordance with the authority granted it pursuant to N.J.S.A. 40:55D-8 and 53.2 et seq., the Municipal Council hereby establishes the fees as set forth in this chapter as escrow deposit fees governing the review of applications before the Planning Board, and Zoning Board of Adjustment. These fees are intended to cover the costs of professional services including but not limited to planning, engineering, legal, landscaping, traffic, environmental and other reasonable and necessary expenses incurred by the approving authority for the review of submitted materials for specific applications.

B. An applicant shall deposit with the City an amount of money determined in accordance with this section and the applicable provisions of N.J.S.A. 40:55D-1 et seq. (1) to pay for the services of professionals employed by the City or the approving authority to review the application for development and to review and prepare documents in accordance with N.J.S.A. 40:55D-53.2, (2) for inspection fees in accordance with N.J.S.A. 40:55D-53, (3) to satisfy the guarantee requirements of N.J.S.A. 40:55D-53, and (4) for any other purposes permitted under the provisions of N.J.S.A. 40:55D-1 et seq. or other applicable law. The City shall deposit the money in an escrow account in accordance with N.J.S.A. 40:55D-53.1.

C. The Chief Financial Officer of the City shall hold all fees required for these purposes in escrow. Each applicant shall provide the Chief Financial Officer with a Federal Tax Identification Number or Federal Social Security Number. All fees are to be made out to the City of Plainfield. All deposits in excess of five thousand ($5,000.00) dollars shall be held in trust by the City in an interest bearing account in a banking or savings and loan institution in New Jersey. This institution shall be insured by an agency of the Federal government. The Chief Financial Officer shall notify the applicant in writing of the name and address of the institution or depository in which the deposit is made and the amount of the deposit. If the amount of interest exceeds one hundred ($100.00) dollars, the entire amount shall belong to the applicant and shall be refunded to him/her by the Chief Financial Officer annually or at the time the deposit is repaid or applied to the purposes for which it was deposited. The City may retain for administrative expenses a sum equivalent to no more than thirty-three and one-third percent (33 1/3%) of that entire amount which shall be in lieu of all other administrative and custodial expenses.
D. Deposits required for inspection fees and to satisfy the guaranteed requirements in accordance with N.J.S.A. 40:55D-53 shall be established, maintained, and administered in accordance with the provisions of that statutory section, and applicable sections of Chapter 17 of the Municipal Code.

E. The Chief Financial Officer of the City shall make all payments to professionals for fees or charges in connection with services rendered to the City or the approving authority for review of applications for development, review and preparation of documents, inspection of improvements, or other purposes permitted under law. Such fees or charges shall be based upon a schedule established by resolution of the approving authority. The application review and inspection charges shall be limited to professional charges for review of applications, review and preparation of documents and inspections of developments under construction and review by outside consultants when an application is of a nature beyond the scope of the expertise of the professionals normally utilized by the City. The only costs that shall be added to any such charges shall be typical out-of-pocket expenses of any such professionals or consultants incurred in processing applications and conducting inspections. The City or approving authority shall not bill the applicant for any municipal clerical or administrative functions, overhead expenses, meeting rooms charges, or any other municipal costs and expenses except as provided for N.J.S.A. 40:55D-53, nor shall any municipal professional add such charges to any bill. If the salary, staff support and overhead for a professional are provided by the City, the charge shall not exceed two hundred percent (200%) of the sum of the products resulting from multiplying (1) the hourly base salary of each of the professionals, which shall be established annually by ordinance by (2) the number of hours spent by the respective professional on the review of the application for development or inspection. For other professionals such fees and charges shall be at the same rate as all other work of the same nature performed by the professional for the municipality when fees are not reimbursed or otherwise imposed on applicants or developers.

1. Failure of an applicant to provide all required escrow dollars will result in the placement of a lien on the property for payment as per §4.12 of the City of Plainfield Property Maintenance Code.

Resubmittals
Applicants shall pay additional escrow deposit fees of ten percent (10%) of the original submission fee for each resubmission of revised plans that have either been determined to be incomplete, or have not satisfied Board conditions of preliminary or final approval.

Request for Rezoning
Any applicant seeking a property rezoning shall submit a $1,000.00 escrow fee.

G. Escrow Procedures.

1. An applicant is to submit the above required escrow amount to the appropriate Board Secretary at the time of submission, and as part of the concept plan or preliminary application. The review of the adequacy of this fee shall be a component of the completeness review conducted by the administrative officer. Prior to making a determination of completeness upon any application, the administrative officer shall review said application to determine whether the escrow amount submitted is sufficient. If the administrative officer determines that the submitted amount is insufficient to cover professional costs anticipated by the application, appropriate additional funds shall be deposited by the applicant prior to the administrative officer declaring the application complete. The application shall not be declared complete or placed on an agenda for public hearing until such time as all escrow fees deemed sufficient are submitted.
2. Each applicant for subdivision, site plan, variance, or for an appeal, interpretation, or other action authorized by this chapter, shall agree, in writing, at the time of the first submission of an application for development, to pay all reasonable costs for professional review of the application. This includes all costs incurred with any informal review of a concept plan that may have preceded the submission of a preliminary application. Additionally, each applicant shall agree, in writing, to pay all reasonable costs for the municipal inspection of the constructed improvement. All such costs for review and inspection must be paid before any construction permit is issued.

3. Each payment charged to a deposit made for the review of applications, the review and preparation of documents, and inspections of improvements shall be pursuant to a voucher from the professional. That voucher shall identify the personnel performing the services and, for each date, the services performed, the hours spent to one-quarter (1/4) hour increments, the hourly rate, and the expenses incurred.

4. All professionals shall submit vouchers to the Chief Financial Officer of the City on a monthly basis in accordance with schedules and procedures established by the Chief Financial Officer.

5. If the services are provided by a municipal employee, the municipal employee shall prepare and submit to the Chief Financial Officer of the City a statement, on a monthly basis, containing the same information as required on a voucher.

6. The professional shall send an informational copy of all vouchers or statements submitted to the Chief Financial Officer of the City simultaneously to the applicant. The Chief Financial Officer of the City shall prepare and send the applicant a statement including an accounting of funds listing all deposits, interest earnings, disbursements, and the cumulative balance of the escrow accounts. This information shall be provided to the applicant on a quarterly basis if monthly charges are one thousand ($1,000.00) dollars or less, or on a monthly basis if monthly charges exceed one thousand ($1,000.00) dollars.

7. If an escrow account or deposit contains insufficient funds to enable the City or approving authority to perform required application reviews or improvement inspections, the Chief Financial Officer of the City shall provide the applicant with a notice of the insufficient escrow or deposit balance. An applicant should not be entitled to proceed with the application or any development until such time as the necessary funds are posted to ensure payment of professional fees.
8. In order for work to continue on the development or the application, the applicant shall within a reasonable time period post a deposit to the account in an amount to be agreed upon by the City or approving authority and the applicant. In the interim, any required health and safety inspections shall be made and charged back against the replenished deposit.

9. Further additional escrow deposit fees may be required upon determination by the administrative officer that additional deposits as authorized under this chapter are reasonably required. All approvals shall be conditioned upon receipt of such additional fees. No building permit or certificate of occupancy shall be issued until the Chief Financial Officer has received all required escrow accounts funds.

H. The following closeout procedures shall apply to all deposits and escrow accounts and shall commence after the approving authority has granted final approval and signed the subdivision plat or site plan, in the case of application review escrow's and deposits, or after the improvements have been approved, in the case of improvement inspection escrow and deposits:

1. The applicant shall send written notice by certified mail to the Chief Financial Officer of the City, to the approving authority, and to the relevant municipal professional that the application or the improvements as the case may be, are completed.

2. After receipt of such notice, each affected professional shall render a final bill to the Chief Financial Officer of the City within thirty (30) days, and shall send a copy simultaneously to the applicant.

3. The Chief Financial Officer of the City shall render a written final accounting to the applicant on the uses to which the deposit was put within forty-five (45) days of receipt of all final bills.

4. Any balances remaining in the deposit or escrow account, including interest, shall be refunded to the developer along with the final accounting, except for any amounts retained for administrative expenses pursuant to N.J.S.A. 40:55D-53.1.
I. Appeal Procedures.

1. An applicant shall notify the Plainfield City Council in writing, with copies to the Chief Financial Officer, the approving authority, and the professional, whenever the applicant disputes the charges made by a professional for services rendered to the City in reviewing an application for development, reviewing or preparing documents, inspecting improvements, or for other charges made pursuant to law.

2. The Plainfield City Council, or its designee, shall within a reasonable time period attempt to remediate any disputed charges.

3. If the matter is not resolved to the satisfaction of the applicant, the applicant may appeal to the County Construction Board of Appeals in accordance with N.J.S.A. 52:27D-127 any charge to an escrow account or to a deposit by any municipal professional or consultant, or the cost of the installation of improvements estimated by the City Engineer pursuant to N.J.S.A. 40:55D-53.4.

4. An applicant or his authorized agent shall submit the appeal in writing to the County Construction Board of Appeals. The applicant or his authorized agent shall simultaneously send a copy of the appeal to the City, to the approving authority, and to any professional whose charge is the subject of the appeal.

5. An applicant shall file its appeal within forty-five (45) days from receipt of the informational copy of the professional's voucher, except that if the professional has not supplied the applicant with an informational copy of the voucher, then the applicant shall file his appeal within sixty (60) days from receipt of the municipal statement of activity against the deposit or escrow account.

6. An applicant may file an appeal for an ongoing series of charges by a professional during a period not exceeding six (6) months to demonstrate that they represent a pattern of excessive or inaccurate charges. An applicant making use of this provision need not appeal each charge individually.

7. During the pendency of any appeal, the municipality or approving authority shall continue to process, hear, and decide the application for development, and to inspect the development in the normal course, and shall not withhold, delay, or deny reviews, inspections, signing of subdivision plats or site plans, the reduction or release of performance or maintenance guarantees, the issuance of construction permits or certificates of occupancy, or any other approval.
or permit because an appeal has been filed or is pending under this section. The Chief Financial Officer may pay charges out of the appropriate escrow account or deposit for which an appeal has been filed. If a charge is disallowed after payment, the Chief Financial Officer shall reimburse the deposit or escrow account in the amount of such disallowed charge or refund the amount to the applicant. If a charge is disallowed after payment to a professional or consultant who is not an employee of the municipality, the professional or consultant shall reimburse the municipality in the amount of any such disallowed charge.

J. General Provisions.

1. All professional charges for review of an application for development, review and preparation of documents or inspection of improvements shall be reasonable and necessary, given the status and progress of the application or construction.

2. Review fees shall be charged only in connection with an application for development presently pending before the approving authority, or upon review of compliance with conditions of approval, or review of requests for modification or amendment made by the applicant.

3. A professional shall not review items which are subject to approval by any State governmental agency and not under municipal jurisdiction, except to the extent consultation with a State agency is necessary due to the effect of State approvals in the subdivision or site plan.

4. Inspection fees shall be charged only for actual work shown on a subdivision or site plan, or required by an approving resolution.

5. Professionals inspecting improvements under construction shall charge only for inspections that are reasonably necessary to check the progress and quality of the work and such inspections shall be reasonably based on the approved development plans and documents.

6. If the City retains a different professional or consultant in the place of the professional originally responsible for development, application review, or inspection of improvements, the City or approving authority shall be responsible for all time and expenses of the new professional to become familiar with the application or the project. The City or approving authority shall not bill the applicant or charge the deposit or the escrow account for any such services.
K. Notwithstanding the above, all applications for development filed with the approving authority for single detached one- and/or two-family dwelling units that do not require site plan or subdivision approval or do not involve the installation of public improvements are not required to submit escrow deposits. Any application for development that involves a permitted change of use but does not require the construction, structural modification or expansion of an existing structure, or the installation, modification, or expansion of parking facilities is also exempt from the submittal of escrow deposits.
