

When is a Zoning Review Required

Below is a summary of the types of projects that require an application for development permit (Zoning Permit) from the Zoning Officer:

- New Businesses
- Change of tenancy for business
- Exterior improvements to a property (including paving, fences, sheds, pools, condenser units, porch repairs, etc.)
- Exterior improvements to a property located in a Historic District or Designated as a landmark including siding, windows, faced repairs and roof repairs)
- Exterior and Interior improvements to a property located in a flood zone
