Report Sections

This report contains five sections: Introduction, Study Area Characteristics, LRHL Statutory Criteria, Study Area Evaluation and Conclusion. Section 2 describes the Study Area in terms of its location, existing zoning and land use, physical, regulatory, fiscal and environmental conditions. Section 3 reviews and applies the statutory criteria and sets forth the findings based upon the observed and analyzed characteristics and conditions of the Study Area. Section 4 summarizes and evaluates the Study Area, based upon the criteria set forth in the LRHL and supporting documentation including property tax assessments, field observations, building conditions and photo surveys. Section 5 provides recommendations to the City of Plainfield Planning Board relative to determining the redevelopment needs of the area.

Methodology

Site visits were conducted on April 6, 2021, January 12, 2022, and March 4, 2022 to the Study Area to investigate and analyze existing conditions. Both external and internal investigations, when possible, were conducted in order to access the buildings on the Study Area properties. A photo survey was completed in order to illustrate and inventory the structural/physical issues of the Study Area. Additionally, in preparation of this analysis, the following records and documents were reviewed:

- Official Tax Maps of the City of Plainfield;
- Tax records for the property located within the Study Area;
- City of Plainfield Zoning Map and Zoning Ordinance;
- Redevelopment Plans adjacent to the Study Area;
- Ownership information; and
- City Council Resolution R 294-20.

To this end, this report is a collection of the findings based on the research conducted.

1.1. Study Authorization

On October 13, 2020, City Council passed a resolution authorizing and directing the Planning Board to undertake an area investigation of the Study Area and to make recommendations to the City Council as to whether the Study Area is "in need of redevelopment" in accordance with criteria cited in the LRHL. Once the Planning Board has made its recommendation, the City Council will consider whether to designate the Study Area as a non-condemnation redevelopment area pursuant to the LRHL.

This report is written pursuant to Section 6 of the LRHL (N.J.S.A. 40A:12A-6) which requires the following:

1. No area of a municipality shall be determined a redevelopment area unless the governing body of the municipality shall, by resolution, authorize the planning board to undertake a preliminary investigation to determine whether the proposed area is a redevelopment area according to the criteria set forth in Section 5 of P.L. 1992/c.79 (C.40A:12A-5)... The governing body of a municipality shall assign the conduct of the investigation and hearing to the planning board of the municipality.

2. (1) Before proceeding to a public hearing on the matter, the planning board shall prepare a map showing the boundaries of the proposed redevelopment area and the location of the various parcels of property included therein. There shall be appended to the map, a statement setting forth the basis of the investigation.

(2) The Planning Board shall specify a date for and give notice of a hearing for purpose of persons who are interested in or would be affected by a determination that the delineated area is redevelopment area.

1.2. Scope of Study

This study is undertaken as a first step to engage, benefit and create opportunities through redevelopment planning, which involves the following steps:

• Conduct an inventory of the Study Area property and physical characteristics of the same;

• Assess whether the existing characteristics and conditions meet the criteria to be recommend the need for redevelopment, as outlined within the LRHL; and

• Propose findings and recommendations relevant to the determination of the need for redevelopment of the Study Area.

1.3. Redevelopment Objectives

The renewal activities of the Study Area should be undertaken in conformity with, and should be designed to meet the following objectives of an area investigation:

• To improve the functional and physical layout of the project area for contemplated new development and the removal of impediments to land deposition;

• To provide redevelopment that minimizes the need to relocate residents or businesses;

• To create new employment/or housing opportunities for residents; and

• To coordinate redevelopment activities that mitigate and eradicate blighted conditions.

1.4 Redevelopment Process

The LRHL provides the statutory authority for municipalities to engage in a number of redevelopment activities, including: designating an "Area in Need of Redevelopment," study; preparing and adopting redevelopment plans and implementing redevelopment projects. More specifically, a redevelopment designation allows the municipality to:

1. Adopt a redevelopment plan that will identify the manner in which an area will be developed, including its use and intensity of use.

- 2. Issue bonds for the purpose of redevelopment.
- 3. Acquire property.

4. Lease or convey property in lieu of the public bidding process

- 5. Generate investment from a selected developer.
- 6. Grant tax exemptions and/or abatements.

The City can utilize the powers granted to municipalities under the LRHL to improve the existing conditions of the Study Area.

The LRHL sets forth a multi-step process that must be observed by the City Council and Planning Board in order to enable the City to lawfully exercise the powers provided by the statute. The steps required to declare an area in need of redevelopment must be undertaken pursuant to the LRHL. It should be noted that only upon completion of this public process a municipality is able to exercise the powers granted pursuant to the LRHL.

1.5. Non-Condemnation Redevelopment Areas

P.L. 2013, Chapter 159 amended the LRHL to allow two types of redevelopment area: Condemnation Redevelopment Areas and Non-Condemnation Redevelopment Areas. The amendment requires the resolution authorizing the planning board to undertake a preliminary investigation to state whether the redevelopment area determination shall authorize the municipality to use all those powers provided by the State Legislature for use in a redevelopment area other than the use of eminent domain (a "Non-Condemnation Redevelopment Area") or whether the redevelopment area determination shall authorize the municipality to use all powers provided by the Legislature for use in a redevelopment area determination shall authorize the municipality to use all powers provided by the Legislature for use in a redevelopment area, including the power of eminent domain (a "Condemnation Redevelopment Area"). The City Council authorized a study for a Non-Condemnation Redevelopment Area for the Study Area.

2.0 STUDY AREA CHARACTERISTICS

2.1. Locational Context

Regional Setting

The City of Plainfield is located within Union County, New Jersey. Plainfield is bordered by eight municipalities: in Union County, the Borough of Fanwood to the north and the Township of Scotch Plains to the north and east; in Somerset County, the Boroughs of Watchung and North Plainfield to the west; in Middlesex County, the Borough of Dunellen to the south, the Township of Piscataway to the southeast and the Borough of South Plainfield to the east. Specifically, as depicted on Map 1, Piscataway and Dunellen are

continuous to the Study Area at its westernmost boundary at South Second Street and West Front Street respectively. The Study Area tax parcels are identified on Maps 2A-J, City Tax Map Sheets, which are in the Appendices of this investigation.

Public Transportation

The City is served by two train stations located on New Jersey Transit's Raritan Valley Line. These train stations are the Plainfield Train Station and the Netherwood Train Station. Additionally, there are multiple New Jersey Transit bus routes that serve the City, including Bus Routes 59 and 113 run along West Front Street.

Existing Zoning 2.2.

The following are the zoning designations of the Study Area properties. These zoning designations are also depicted on Map 3. The zoning regulations, including permitted uses and bulk/area requirements, are outlined in this report's Appendices.

Moderate Density Residential (R-4): Blocks 116, Lots 1-13, 33, 34; 118, Lots 1-8; Block 120, Lots 1-2, 19-20; Block 125, Lots 1-6; Block 126, Lots 1, 2.01, 17-19; Block 127, Lots 1-5; Block 131, Lots 4-15, 16.01, 16.02, 17-19; Block 138, Lot 1, 2.01, 3, 4.01, 6, 7.01, 11-14, 15.01, 17-18; Block 140, Lots 1-3, 4.01, 6-7, 26-28; Block 147, Lots 1-9; Block 148, Lots 1-6; Block 152, Lots 1-6; Block 2.3. Existing Land Use 153, Lots 1-2, 4

As noted in Section 17:9-8.A., the purpose of the R-4 District is "designed for single-family and two-family development at a density not to exceed 5.8 dwelling units per acre for single-family dwelling units and 8.7 dwelling units per acre for two-family dwelling units."

Neighborhood Commercial (NC): Block 131, Lots 1-3; Block ٠ 140, Lots 1-7; and Block 210, Lot 1

The Section 17:9-12.A. of the Land Use Ordinance indicates that the NC District's purpose is "intended to include commercial areas that serve the specific surrounding neighborhoods. The scale and intensity of development should not intrude into but complement the character of the residential neighborhoods they serve."

Light Industrial (LI): Blocks 117, Lots 1.01, 1.02, 1.03, 2; Block 137, Lots 1-5; Block 154, Lot 1; Block 202, Lots 1.1, 1.2, 1.02; Block 210, Lots 1-3, 4.01

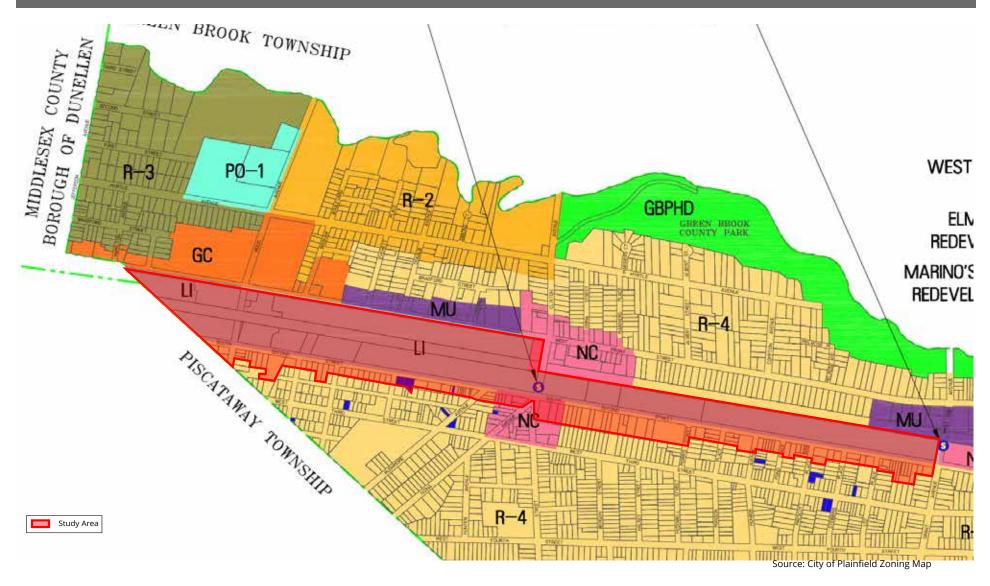

The intention of the LI District, as stated in Section 17:9.17 of the Land Use Ordinance, is that the district "calls for industrial and economic development activities."

South Second Street Youth Center Redevelopment Plan: Block 119, Lots 1, 2, and 19.01

Scattered Sites Redevelopment Plan: Block 138, Lots 1, 2.01, 7.01; Block 153, Lot 3

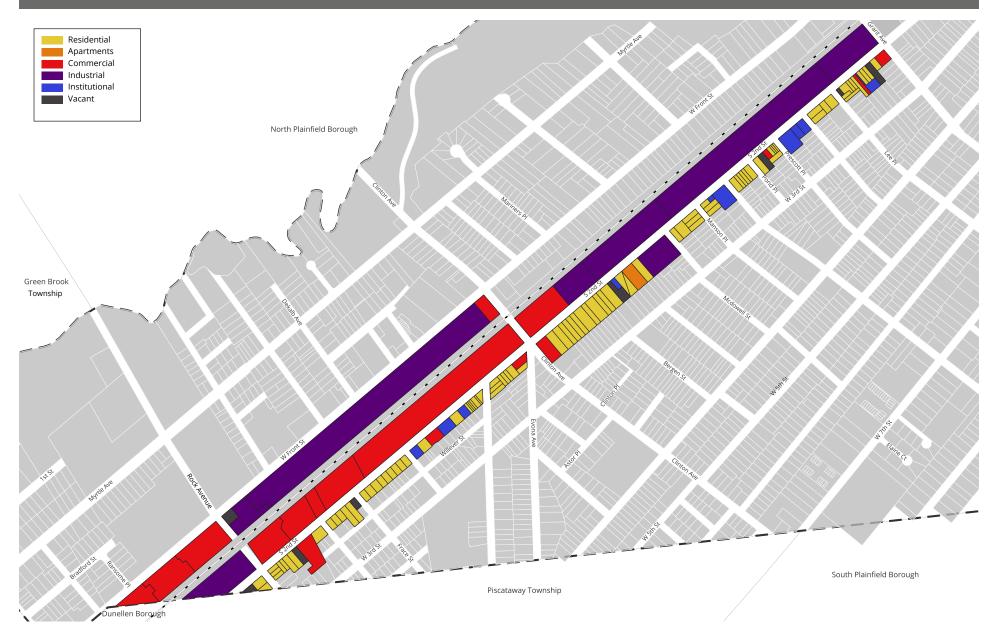

Generally, the southern side of South Second Street, and adjacent side streets, consists of residential dwellings. The northern side of South Second Street and southern side of West Front Streets are characterized by industrial and commercial uses. The land uses of the Study Area are shown on Map 4.

2.4. Relevant Planning Studies

2020 Master Plan

The City of Plainfield Planning Board adopted an updated Master Plan in August 2020. The prior Master Plan was adopted in 2009. The 2009 Master Plan outlined specific Objectives and Policies aimed to guide the physical, social and economic development of the city. The 2020 Master Plan offers specific recommendations as to future land use plans in the City. Goals and policy objectives specific to the context of the Study Area from both Master Plans include the following:

• **Objective 1** – Existing residential neighborhoods will be preserved to protect and enhance their character. (2009)

o <u>Policy 1.1</u> – Neighborhood Preservation and Targeted Development – The master plan's land use recommendations are designed to protect and reinforce the prevailing residential development patterns in the community, advance environmentally friendly uses, preclude the introduction of incompatible nonresidential uses in these neighborhoods and promote the establishment of appropriate densities per the city land use ordinance.

• Objective 2 – Development and redevelopment should be responsive to the needs of the Plainfield community by ameliorating conditions suggestive of physical and economic deterioration, by supporting sustainability, creating economic opportunity and providing a variety of housing. Redevelopment planning is implemented in a comprehensive citywide manner and where appropriate to promote transit-oriented design. (2009)

• **Objective 5** – The City should promote a diverse and strong economy with opportunities for employment over a range of occupational classifications. (2009)

o <u>Policy 5.1</u> – Business Retention, Expansion and Growth-The City should support the retention and expansion of existing businesses consistent with the land use ordinance and provide new areas for growth. These efforts should be undertaken within existing commercial corridors ... so to enhance opportunity through the introduction of a range of commercial uses.

o <u>Policy 5.2</u> – The City should partner with the local business community, Chamber of Commerce... and the Urban Enterprise Zone (UEZ) to provide business support services, community events and business advocacy.

o <u>Policy 5.3</u> – Industrial Business Growth - city should promote appropriate growth industries and clustered business within designated areas and strongly encourage the establishment of eco-business parks, technology based research centers, and other environmentally friendly uses and knowledgeable employers.

o <u>Policy 5.4</u> – To satisfy the needs of city residents as well as expand employment opportunities for city residents, the city should actively recruit businesses to provide retail and other services.

o <u>Policy 5.5</u> – New Jobs – The City recognizes the need to provide a diverse and productive labor force through partnerships with job training groups, private industry and schools to create new employment opportunities.

• **Objective 20** – Redevelopment activities undertaken by the city should be consistent with the Master Plan (page 25).

• Industrial Uses – As is the case in many other communities

that have transitioned from a significantly industrial economy, the City has targeted for development many of the older industrial and commercial properties which have been sitting vacant or underutilized.... Despite the ongoing transition, there are several areas along the railroad ROW where light industry remains viable. This includes... the southwestern end at West Front Street between the Piscataway and Dunellen municipal border and Clinton Avenue, South Second Street to Grant/West End Avenues. The latter is being looked at for targeted revitalization with an innovative industrial/ educational light manufacturing facility at the core. (2020)

• There is a need for some level of public intervention in the West End Neighborhood. This plan recommends that the City have the West End neighborhood designated as an area in need of redevelopment or rehabilitation, and subsequently create a redevelopment or rehabilitation plan that would encompass the properties in the West End. This would allow for the use of the tax incentives that accompany an 'area on need of redevelopment or rehabilitation' designation to incentivize development within the area. This approach would help in addressing the issues related to the deterioration of properties. The creation of sub-district(s) within the redevelopment area would allow for zoning regulations specifically targeted to areas within the neighborhood. (2020)

As evidenced above, a number of objectives, policies and recommendations in both plans are relevant to city redevelopment efforts. The use of redevelopment planning is highlighted throughout the Master Plan as a tool for the city to use to revitalize vacant, distressed and underutilized properties.

The Land Use Plan in existence at the time of the 2020 master plan adoption and prior to any changes made recommended by it,

categorizes land along both sides of the rail line west of Grant and Clinton Avenue as industrial and is targeted for uses requiring rail access and uses that may impact adjacent properties generally not considered acceptable in mixed-use areas.

The 2009 master plan recommends, and the 2020 plan reinforces consideration of the use of redevelopment planning and makes policy recommendations to assist in the evaluation and administration of redevelopment planning:

• The Planning Board, in consultation with the City Council, should prepare a strategic vision to serve as a framework within which redevelopment planning can be undertaken in an integrated, comprehensive manner.

• Zoning classification and existing conditions of land and improvements immediately adjacent to the RVL corridor should be evaluated to identify detrimental conditions and impediments to development, which may be highlighted through the employment of development or redevelopment planning, for the emergence of a comprehensive corridor vision plan.

• Development and redevelopment planning should capitalize on existing mass transit systems, and promote TOD proximate to multi-modal mixed-use transportation areas in areas around the Downtown Station, the Netherwood Station, possibly the former train stops at Clinton and Grant avenues, and city bus routes.

• To assure diversification of the city's economy and enhance employment opportunity, development and redevelopment planning should provide opportunity for the establishment of high

technology uses and where appropriate the types of uses able to benefit from availability of rail spurs outside of areas developed consistent with a TOD land use pattern emphasizing mixed retail, service and residential uses.

In 2018, the City was awarded an Innovative Challenge Grant by the New Jersey Economic Development Authority (NJEDA). This grant was based on the City's intent to create a West End Industrial Corridor which would leverage high speed industrial communication technologies (HSCT) to transform the current technologically lacking industrial area with a centerpiece based on light manufacturing. The revitalization of the West End Industrial Corridor could have a positive impact in the study and surrounding area creating employment, educational and Economic development opportunities.

Other Redevelopment Plans in the Neighborhood

Block 231 and 233 Redevelopment Plan

The Block 231 and 233 Redevelopment Plan (originally named 'Marino's Tract Redevelopment Plan') was initially adopted by November 9, 2000. It was subsequently amended in November 2019 and also in June 2021, in which it was expanded to include properties within Block 233. The objectives of this plan consist of:

• Create land use and building requirements specific to the Redevelopment Area that reflect those found in the Plainfield Master Plan and the proposed Land Use Ordinance.

• Provide infrastructure improvements involving streets, curbs and sidewalks.

• Eliminate blighting influences through the clearance or rehabilitation of substandard buildings.

• Provide a parcel of land of sufficient size and dimension to enable an orderly arrangement of new land uses.

• Promote a diverse and strong economy with opportunities for employment over a range of occupational classifications.

• Provide housing options in the form of mixed use buildings to ensure a balanced and appropriately designed transition from commercial to residential uses along the corridor.

• Increase sustainability through energy efficiency, green building techniques and more compatible land uses within the area.

Dunellen Downtown Redevelopment Plan

The Amended and Restated Dunellen Downtown Redevelopment Plan (Phase I) was adopted by the Borough Council on May 16, 2016. This redevelopment area abuts the Study Area at its westernmost end along South Second Street.

2.5. Urban Enterprise Zone and Smart Growth Classification

The multiple Study Area properties are located within the City's Urban Enterprise Zone (UEZ), including Block 117, Lots 1.01, 1.02, 1.03 and 2; Block 137, Lots 1, 2, 3, 4, and 5; Block 202, Lots 1.1, 1.2, and 1.02; and Block 210, Lots 1, 2, 3, and 4.01. One of 32 designated UEZs in the State of New Jersey, business located within a UEZ are provided benefits such as reduced sales tax, tax free purchases on certain items such as capital equipment, facility expansions, upgrades and certain personal property, financial assistance from

agencies such as NJEDA, subsidized unemployment insurance costs for certain employees, energy sales tax exemption, and tax 1. options. Tax options consist of up to \$1,500 for new permanent 2. full-time employee hired or up to 8% corporate business tax credits 3. on qualified investments. The Urban Enterprise Zone designation 4. is important as it can be used as a mechanism for funding in efforts 5. to revitalize the Study Area.

Smart Growth Classification

Smart Growth commonly refers to growth that serves the environment, economy, and community equally. Where possible, it attempts to concentrate development into already-existing communities when possible. Additionally, it addresses the inherent interconnections between environmental protection, social equity, public health, and economic sustainability. Selected areas throughout the State of New Jersey are designated as a Smart Growth Area. They are designated by the Department of State, Office for Planning Advocacy, from spatial data relating to the NJ State Development and Redevelopment Plan, and several other master plans.

The City of Plainfield is located in the smart growth boundary for a Metropolitan Planning Area 1 (PA1). This area includes a variety of municipalities that range from a large urban centers to 19th century towns shaped by commuter rail. The communities in the area have strong ties to major metropolitan centers-New York/Newark/Jersey City Metropolitan Region; the Philadelphia/Camden/Trenton Metropolitan Region; and on a smaller scale the Easton/Phillipsburg Metropolitan Region.

The following are the ten (10) accepted principles of Smart Growth:

Mixed land uses;

Take advantage of existing communities assets;

Foster walkable neighborhoods;

Create a range of housing opportunities and choices;

5. Promote distinctive, attractive communities with a strong sense of place;

6. Preserve open space, farmland and critical environmental area;

7. Strengthen and encourage growth in existing communities;

8. Provide a variety of transportation choices;

9. Make development decisions predictable, fair, and cost effective; and

10. Encourage citizen and stakeholder participation in development decisions.

2.6. Municipal Actions

City records were requested from various departments regarding property management, building code violations, and other incidents within the Study Area within the past five years or earlier, if available. Research conducted indicates the following municipal actions.

Division of Code Enforcement and Inspections

On March 8, 2022, the Division of Code Enforcement and Inspections provided records pertinent to inspection violations, code enforcement complaints, and construction permits. These records are summarized in the Appendix of this investigation.

Division of Health

Three records were on file as provided by the City's Division of Health. One complaint was for brown water flowing from faucets at the corner of South Second Street and View Avenue. The second complaint was for pests (rodents and roaches) found at 1305 South Second Street. The third complaint was for garbage trucks parked at 1660 South Second Street.

Tax Collector

In October 2020, the City Tax Collector provided tax records for each Study Area property. Further, tax records were further reviewed on October 26, 2021 to note of any updates to properties. The following Study Area properties contain tax liens or delinquencies:

Block/Lot	Tax Status
Block 116, Lot 11	Delinquent – 2021, Q3
Block 116, Lot 13	Delinquent – 2021, Q3
Block 126, Lot 1	Lien
Block 126, Lot 17	Lien
Block 131, Lot 1	Lien
Block 138, Lot 3	Delinquent – 2021, Q3
Block 138, Lot 15.01	Lien
Block 138, Lot 18	Lien
Block 140, Lot 2	Lien
Block 140, Lot 4.01	Lien
Block 140, Lot 28	Lien

Block 148, Lot 3	Lien	
Block 210, Lot 1	Delinquent – 2021, Q3	
Block 210, Lot 4.01 Delinquent – 2021, Q1, Q2, and Q3

Fire Division

Fire and emergency records provided by the Plainfield Fire Division are itemized in the Appendix of this study.

Police Division

Crime incidents recorded by the Plainfield Police Division are listed in the Appendix of this study.

Plainfield Municipal Utilities Authority (PMUA)

On November 10, 2021, PMUA provided the following characteristics of the Study Area's sanitary sewer system conditions:

"After reviewing the list of streets that fall in this redevelopment I can say that the sanitary sewer mains are vitrified clay pipes and are 80-100 years old and mostly 8' in diameter. There is a section of 24" sewer main that flows down Muhlenberg onto South Second and makes a left turn onto Grant Ave. There have not been many sewer issues for the most part.

There is a siphon at the intersection of South Second and Rushmore, Siphons are notorious for having problems because how that are designed the technology on designing them was not real good back then. There is also a siphon at View and South Second. There is an easement where the sanitary main crosses the lot that now has a pallet manufacturing company and goes under the railroad tracks and comes out on West Front St. across from Dekalb Ave."

Planning Division

Land Use Boards Applications

On February 23, 2022, the Planning Division provided records of Land Use Board applications filed with the City involving properties within the Study Area. Applications filed since 2016 are noted in the Appendix of this investigation.

Environmental/Brownfield Records

The City's Planning Division provided records of brownfields, which are summarized in Table 3 below:

Block/Lot	Brownfield Record
Block 117/Lot 1.01	NJDEP Program Interest Number 859 – Known Site
	NJDEP Program Interest Number 185225 – Known Site
	NJDEP Program Interest Number 018714 – RAP (Remedial Action Permit)
Block 117/Lot 1.02	NJDEP Program Interest Number 579653 – Known Site
Block 117/Lot 2	*Suspected Plainfield Hazardous Site (based on existing or former use of the property)

3.0. LRHL STATUTORY CRITERIA

Criteria for Area In Need of Redevelopment

The laws governing redevelopment by municipalities in New Jersey are set forth in the LRHL - this statute grants the governing body of a municipality the power to authorize the Planning Board to conduct a study to determine whether an area is in need of redevelopment; to make such a determination following the completion of the study; and to adopt a redevelopment plan for the designated area. Such an area may be determined to be in need of redevelopment only if, after an investigation by the Planning Board and a public hearing for which notice has been given, it is found to meet one or more of the following eight criteria:

The laws governing redevelopment by municipalities in New Jersey are set forth in the LRHL - this statute grants the governing body of a municipality the power to authorize the Planning Board to conduct a study to determine whether an area is in need of redevelopment; to make such a determination following the completion of the study; and to adopt a redevelopment plan for the designated area. Such an area may be determined to be in need of redevelopment only if, after an investigation by the Planning Board and a public

hearing for which notice has been given, it is found to meet one or more of the following eight criteria:

1. "Criteria A." The generality of buildings are substandard, unsafe, unsanitary, dilapidated, or obsolescent, or possess any of such characteristics, or are so lacking in light, air, or space, as to be conducive to unwholesome living or working conditions.

2. "Criteria B." The discontinuance of the use of a building or buildings previously used for commercial, manufacturing, retail, shopping malls or plazas, office parks or industrial purposes; the abandonment of such building or buildings; significant vacancies or such building or buildings for at least two consecutive years; or the same being allowed to fall into so great a state of disrepair as to be untenantable.

3. "Criteria C." Land that is owned by the municipality, the county, a local housing authority, redevelopment agency or redevelopment entity, or unimproved vacant land that has remained so for a period of ten years prior to adoption of the resolution, and that by reason of its location, remoteness, lack of means of access to developed sections or portions of the municipality, or topography, or nature of the soil, is not likely to be developed through the instrumentality of private capital.

4. "Criteria D." Areas with buildings or improvements which, by reason of dilapidation, obsolescence, overcrowding, faulty arrangement or design, lack of ventilation, light and sanitary facilities, excessive land coverage, deleterious land use or obsolete layout, or any combination of these or other factors, are detrimental to the safety, health, morals, or welfare of the community.

5. "Criteria E." A growing lack or total lack of proper utilization of areas caused by the condition of the title, diverse ownership of the real properties therein or other similar conditions which impede land assemblage or discourage the undertaking of improvements, resulting in a stagnant and unproductive condition of land potentially useful and valuable for contributing to and serving the public health, safety and welfare, which condition is presumed to be having a negative social or economic impact or otherwise being detrimental to the safety, health, morals, or welfare of the surrounding area or the community in general.

6. "Criteria F." Areas, in excess of five contiguous acres, whereon buildings or improvements have been destroyed, consumed by fire, demolished or altered by the action of storm, fire, cyclone, tornado, earthquake or other casualty in such a way that the aggregate assessed value of the areas has been materially depreciated.

7. "Criteria G." In any municipality in which an enterprise zone has been designated pursuant to the New Jersey Urban Enterprise Zones Act, P.L. 1983, c. 303 (C.52:27H-60 et seq.) the execution of the actions prescribed in that act for the adoption by the municipality and approval by the New Jersey Urban Enterprise Zone Authority of the zone development plan for the area of the enterprise zone shall be considered sufficient for the determination that the area is in need of redevelopment pursuant to sections 5 and 6 of P.L. 1992, c. 79 (C.40A:12A-5 and 40A:12A-6) for the purpose of granting tax exemptions within the enterprise zone district pursuant to the provisions of P.L. 1991, c. 431 (C.40A:20-1 et seq.) or the adoption of a tax abatement and exemption ordinance pursuant to the provisions of P.L. 1991, c. 441 (C.40A:21-1 et seq.). The municipality shall not utilize any other redevelopment powers

within the urban enterprise zone unless the municipal governing body and planning board have also taken the actions and fulfilled the requirements prescribed in P.L. 1992, c. 79 (C.40A:12A-1 et al.) for determining that the area is in need of redevelopment or an area in need of rehabilitation and the municipal governing body has adopted a redevelopment plan ordinance including the area of the enterprise zone.

8. "Criteria H." The designation of the delineated area is consistent with smart growth planning principles adopted pursuant to law or regulation.

In addition to the above criteria, individual properties that do not meet any of the statutory conditions may still be included within an area in need of redevelopment provided that within the area as a whole, one or more of the expressed conditions are prevalent. This provision is referred to as "Section 3" and is set forth under N.J.S.A. 40A:12A-3, which states in part that "a redevelopment area may include lands, buildings, or improvements which of themselves are not detrimental to public health, safety or welfare, but the inclusion of which is found necessary, with or without change in this condition, for the effective redevelopment of the area of which they are a part."

3.1. Application of Study Area Criteria

The finding that an area is in need of redevelopment is an area wide determination. As such, the statutory charge for a positive finding of redevelopment eligibility requires a demonstration of physical deterioration, illustrated by the presence of improvements, which are dilapidated, obsolete and faulty in term of arrangement, lack

of ventilation, light and sanitary facilities or in any way detrimental to the safety, health, morals or general welfare of the community.

The conditions evidenced by this Needs Determination Study are measured against the criteria for designation of a Non-Condemnation Redevelopment Area and summarized in a fashion that enables a determination to be made regarding whether one or more criteria is prevalent within the Study Area.

4.0. STUDY AREA EVALUATION

4.1. Study Approach

Nishuane Group, LLC conducted site visits and prepared a photo survey of the Study Area properties to establish and confirm existing conditions and land uses. The firm reviewed relevant plans and municipal documents (i.e. City of Plainfield's Master Plan, City of Plainfield's Zoning and Land Development Ordinances, and City Council Resolution) related to the Study Area. Property records of the Study Area were obtained from City agencies in support of the existing conditions assessment. The information retrieved by the firm allowed planners to holistically evaluate the conditions of the Study Area for consideration of an "Area in Need of Redevelopment".

The beginning stages of the conduction of this study were completed by the Planning Division staff at the City of Plainfield. These tasks consisted of review of the Master Plan, site visits, and requests of property records to City agencies. In the midst of the study, Nishuane Group was assigned to continue the conduction of the study, applying and designating criteria to each property in

which criteria was fulfilled.

4.2. Property Evaluations:

The following is an individual breakdown of the Study Area parcels, examining their characteristics, site analysis and LRHL criteria applied, if any. From this due diligence, a recommendation has been determined if each parcel should be designated as an "area in need of redevelopment."

837 SOUTH SECOND STREET (BLOCK 116, LOT 1) PROPERTY EVALUATION

Owner: Moss, Jaspet

Property Characteristics:

This property has an area of approximately 2,010 square feet. It is a corner property, with frontage along South Second Street to the north and Lee Place to the west.

Site Analysis:

The property is vacant with a chain-link fence surrounding the property. It appears that the occupants of Lot 34 are utilizing this property as a yard. The property is deficient in several zoning regulations for single-family dwelling of the R-4 Moderate Density Residential District including minimum lot size (7,500 square feet) and minimum lot width (50 feet).

Satisfies LRHL Criteria:

• Criteria "C": The property has been vacant for more than 10 consecutive years. Because the property does not conform to several of the required zoning regulations, it is not likely that it would be redeveloped through the instrumentality of private capital.

Recommendation:

Although Criteria "C" is satisfied, it is not recommended that Block 116, Lot 1 should not be designated as an "area in need of redevelopment" because no other adjacent lots qualify.

831-835 SOUTH SECOND STREET (BLOCK 116, LOT 2) PROPERTY EVALUATION

Owner: Sanchez, Gladys R & Segundo Perez

Property Characteristics:

The irregularly-shaped property has an area of approximately 7,000 square feet. There is a two-story, two-family residential building on the property, which was constructed in 1921 according to MOD IV tax records.

Site Analysis:

In addition to the residential dwelling on the property, other improvements on the site consist of a chain-link fence surrounding the property, macadam driveway accessed via South Second Street, concrete steps leading to the residential dwelling, and other structures in the rear yard.

In addition to the residential dwelling on the property, other improvements on the site consist of a macadam driveway, and concrete steps, walkway and retaining wall. The property is deficient in several zoning regulations for single-family dwelling of the R-4 Moderate Density Residential District including minimum lot size (7,500 square feet) and minimum lot width (50 feet).

Satisfies LRHL Criteria:

• [NONE]

Recommendation:

Based on these existing conditions, Block 116, Lot 2 should not be designated as an "area in need of redevelopment."

829 SOUTH SECOND STREET (BLOCK 116, LOT 3) PROPERTY EVALUATION

Owner: Harris, Marilyn & Hassan

Property Characteristics:

The site has an area of approximately 2,500 square feet. A 2.5-story, single-family dwelling stands on the property. The building was constructed in 1890, according to MOD-IV tax records.

Site Analysis:

In addition to the residential dwelling on the property, other improvements on the site consist of a macadam driveway, and concrete steps, walkway and retaining wall. The property is deficient in several zoning regulations for single-family dwelling of the R-4 Moderate Density Residential District including minimum lot size (7,500 square feet) and minimum lot width (50 feet).

Satisfies LRHL Criteria:

• [NONE]

Recommendation:

Based on these existing conditions, Block 116, Lot 3 should not be designated as an "area in need of redevelopment."

827 SOUTH SECOND STREET (BLOCK 116, LOT 4) PROPERTY EVALUATION

Owner: Sanchez, Gladys R & Segundo Perez

Property Characteristics:

The property has an approximate area of 2,500 square feet and a lot width of 25 feet. A two-story, single-family dwelling stands on the property, which was built in 1921 according to MOD-IV tax records.

Site Analysis:

In addition to the residential dwelling on the property, other improvements on the site consist of a chain-link fence surrounding the site, and concrete steps, walkway and retaining wall. The property is deficient in several zoning regulations for single-family dwelling of the R-4 Moderate Density Residential District including minimum lot size (7,500 square feet) and minimum lot width (50 feet).

Satisfies LRHL Criteria:

• [NONE]

Recommendation:

Based on these existing conditions, Block 116, Lot 4 should not be designated as an "area in need of redevelopment."

825 SOUTH SECOND STREET (BLOCK 116, LOT 5) PROPERTY EVALUATION

Owner: Perez, Carlos & Martinez, Aura M

Property Characteristics:

This site has an area of approximately 5,000 square feet and a lot width of 25 feet. There is a 2.5-story, single-family dwelling on the property, which was constructed in 1900 according to MOD IV tax records.

Site Analysis:

In addition to the residential dwelling on the property, other improvements on the site consist of a concrete steps, walkway and retaining wall. The property is deficient in several zoning regulations for single-family dwelling of the R-4 Moderate Density Residential District including minimum lot size (7,500 square feet) and minimum lot width (50 feet).

Satisfies LRHL Criteria:

• [NONE]

Recommendation:

Based on the existing conditions, Block 116, Lot 5 should be not designated as an "area in need of redevelopment."

823 SOUTH SECOND STREET (BLOCK 116, LOT 6) PROPERTY EVALUATION

Owner: Kearney, Robert

Property Characteristics:

This property has an area of approximately 5,000 square feet and a lot width of 25 feet. There is a 2.5-story, mixed-use building standing on the property, with a commercial establishment at the ground floor and dwelling units on the upper floors.

Site Analysis:

The first floor commercial space was occupied by "Rob's Deli & Grocery LLC" during the time of the site visit. A driveway provides vehicular access and parking in the rear yard of the property. Structures were also present in the rear yard.

Satisfies LRHL Criteria:

• [NONE]

Recommendation:

Based on these existing conditions, Block 116, Lot 6 should be not designated as an "area in need of redevelopment."

821A & R817-821 SOUTH SECOND STREET (BLOCK 116, LOT 7) PROPERTY EVALUATION

Owner: City of Plainfield

Property Characteristics:

The irregularly-shaped property contains an area of approximately 8,750 square feet according to MOD-IV tax records. The site is currently vacant with no principal buildings present.

Site Analysis:

The property is vacant and its frontage is limited. It has a flag lot configuration with a narrow frontage leading to a wider rear portion where the "flag" abuts the rear property lines of Lots 8, 9 and 10.

Satisfies LRHL Criteria:

• **Criteria "C"**: The property is owned by the City and it is also vacant. Due to the irregular configuration as it is a flag lot, it not likely that the lot will be redeveloped through the instrumentality of private capital.

Recommendation:

Based on these existing conditions and the satisfied LRHL criteria, Block 116, Lot 7 should be designated as an "area in need of redevelopment."

821 SOUTH SECOND STREET (BLOCK 116, LOT 8) PROPERTY EVALUATION

Owner: Ballesteros, Jose J & Vasquez, AP

Property Characteristics:

The size of this lot is approximately 3,750 square feet. There is a 2.5-story single-family building situated on the property. This building was constructed in 1921.

Site Analysis:

In addition to the residential building located on the property, there are other site improvements present, including a block retaining wall, walkway and steps.

The property is deficient in several zoning regulations for singlefamily dwelling of the R-4 Moderate Density Residential District including minimum lot size (7,500 square feet) and minimum lot width (50 feet).

Satisfies LRHL Criteria:

• Section 3: Effective redevelopment cannot occur without the inclusion of this property. With a "flag" portion of Lot 7 abutting this site at its rear, it is necessary to include this lot as an "area in need of redevelopment" in order to cohesively redevelop this portion of Block 116.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 116, Lot 8 should be designated as an "area in need of redevelopment."

819 SOUTH SECOND STREET (BLOCK 116, LOT 9) PROPERTY EVALUATION

Owner: Wang, Dan

Property Characteristics:

This property has an area of approximately 3,750 square feet. There is a 2.5-story two-family residential dwelling standing on the site, which was constructed in 1904.

Site Analysis:

In addition to the residential building located on the property, there are other site improvements present, including a partial stone retaining wall, walkway, wooden railings and steps.

The property is deficient in several zoning regulations for two-family dwelling of the R-4 Moderate Density Residential District including minimum lot size (10,000 square feet) and minimum lot width (80 feet).

Satisfies LRHL Criteria:

• Section 3: Effective redevelopment cannot occur without the inclusion of this property. With a "flag" portion of Lot 7 abutting this site at its rear, it is necessary to include this lot as an "area in need of redevelopment" in order to cohesively redevelop this portion of Block 116.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 116, Lot 9 should be designated as an "area in need of redevelopment."

817 SOUTH SECOND STREET (BLOCK 116, LOT 10) PROPERTY EVALUATION

Owner: Ramirez, Manuel L

Property Characteristics:

The property has an area of approximately 18,244 square feet. There is a 2.5-story, single-family residential dwelling located on the property, which was built in 1900 according to MOD-IV tax records.

Site Analysis:

Besides the residential dwelling standing on the property, there are other site improvements present, including an asphalt driveway, concrete retaining wall, walkway, steps and railing.

The property is deficient in several zoning regulations for singlefamily dwelling of the R-4 Moderate Density Residential District including minimum lot size (7,500 square feet) and minimum lot width (50 feet).

Satisfies LRHL Criteria:

• Section 3: Effective redevelopment cannot occur without the inclusion of this property. With a "flag" portion of Lot 7 abutting this site at its rear, it is necessary to include this lot as an "area in need of redevelopment" in order to cohesively redevelop this portion of Block 116.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 116, Lot 10 should be designated as an "area in need of redevelopment."

813-815 SOUTH SECOND STREET (BLOCK 116, LOT 11) PROPERTY EVALUATION

Owner: Adeyinka, Ebenezer

Property Characteristics:

The lot has an area of approximately 10,000 square feet. This property is vacant with no buildings or structures present.

Site Analysis:

The property is surrounded by a chain-link fence with a gate opening at its frontage. No other improvements are present on the property.

Satisfies LRHL Criteria:

• **Criteria "C"**: This property has been vacant for over 10 consecutive years.

Recommendation:

Based on these existing conditions and the satisfied LRHL criteria, Block 116, Lot 11 should be designated as an "area in need of redevelopment."

809-811 SOUTH SECOND STREET (BLOCK 116, LOT 12) PROPERTY EVALUATION

Owner: Front Street Realty LLC

Property Characteristics:

This parcel has an area of approximately 4,800 square feet. The site is currently occupied by a 2.5-story residential duplex. This building was constructed in 1921, according to MOD-IV tax records.

Site Analysis:

In addition to the building, improvements on the property consist of a wood fence, asphalt driveway, concrete walkway, and brick and concrete stairs.

The property is deficient in several zoning regulations for two-family dwelling of the R-4 Moderate Density Residential District including minimum lot size (10,000 square feet) and minimum lot width (80 feet).

Satisfies LRHL Criteria:

• Section 3: Effective redevelopment cannot occur without the inclusion of this property.

Recommendation:

Based on these existing conditions and satisifed LRHL criteria, Block 116, Lot 12 should be not designated as an "area in need of redevelopment."

200-206 GRANT AVENUE (BLOCK 116, LOT 13) PROPERTY EVALUATION

Owner: Ximejcaw LLC

Property Characteristics:

The property has an area of approximately 9,600 square feet. A mixed-use building with a height of 2.5 stories stands on the property. This building was built in 1940 according to MOD-IV tax records. This property is a corner lot, with frontages along South Second Street to the north and Grant Avenue to the west.

Site Analysis:

During the time of the site visit the first floor commercial space was occupied by "Grant BBQ Restaurant". Four residential units are arranged within the upper floors. A parking area is also located onsite with vehicular access via both the Grant Avenue and South Second Street frontage

A chain-link fence surrounds the majority of the property. Stone pillars at the ends of each vehicular access point. A refuse area is provided onsite and enclosed by a wooden fence.

The property is deficient in several zoning regulations for singlefamily dwelling of the R-4 Moderate Density Residential District including minimum lot size (7,500 square feet) and minimum lot width (50 feet). Mixed-use buildings are not a permitted principal use in the R-4 District. This building also does not abide by the setback requirements of the R-4 District.

Satisfies LRHL Criteria:

• **Criteria "G"**: The property is located within the City's designated Urban Enterprise Zone.

• Section 3: Effective redevelopment cannot occur without the inclusion of this property.

Recommendation:

Based on these existing conditions and satisifed LRHL criteria, Block 116, Lot 13 should be not designated as an "area in need of redevelopment."

800-1000 SOUTH SECOND STREET (BLOCK 117, LOT 1.01 & C0001) PROPERTY EVALUATION

Owner: South Second Street Realty LLC

Property Characteristics:

The property has an area of approximately 9.9 acres. The site is a corner lot, with street frontage along South Second Street to the south and Grant Avenue to the east. It is bounded by the Raritan Valley Line railroad tracks to the north. There is a 1-story, industrial complex, which was built in 1910 according to MOD-IV tax records. This property is used for industrial purposes and is currently occupied by Injection Corporation.

Site Analysis:

The buildings consume a large portion of the site. In additional to the industrial buildings on the property including loading areas (one paved with concrete and pavers), freestanding sign, lighting posts, fencing with gate openings and asphalt parking areas. Curb cuts are present along South Second Street.

Satisfies LRHL Criteria:

• **Criteria "D"**: One of the site's loading areas is setback into the building approximately 85 feet. The facility has a 0-foot front yard setback along South Second Street except at this curb cut and loading area. This creates potential hazardous conflicts between trucks unloading and motorists and pedestrians along South

Second Street. The majority of the site is covered with impervious coverage, which can contribute to stormwater management issues such as runoff onto adjacent properties. Exterior deterioration was observed, including peeling paint, rust, graffiti and barbed wire fencing along a portion of the property. Window openings were not visible preventing adequate light for work conditions. Current operations within this facility are obsolete for modern industrial needs. This is evidenced by the building's age, expansive and obsolete layout, and the narrow curb cuts which make commercial truck access difficult. The parking areas at the easternmost and westernmost ends of the site are enclosed with chain-link fences that contain barbed wire at the top, which is banned in the City. Cumulatively, these conditions are detrimental to the public health, safety and general welfare of the community.

• **Criteria** "G": The property is located within the City's designated Urban Enterprise Zone.

Recommendation:

Based on these existing conditions and the satisfied LRHL criteria, Block 117, Lot 1.01 & C0001 should be designated as an "area in need of redevelopment."

1202-1212 SOUTH SECOND STREET (BLOCK 117, LOT 1.02) PROPERTY EVALUATION

Owner: Crown Castle Fiber LLC

Property Characteristics:

The property has an area of approximately 1.38 acres. The Raritan Valley Line railroad tracks borders the site along its northern boundary. There is a 1-story building, which was built in 2001, according to MOD-IV tax records. This property is used for industrial purposes and is currently occupied by Crown Castle Fiber LLC.

Site Analysis:

Aside from the building, other site improvements consist of a chainlink fence with a gate opening at a curb cut, and an asphalt parking area surrounding the building. The property is screened along its frontage with planted trees. The majority of the site is covered with impervious materials.

Satisfies LRHL Criteria:

- Section 3: Effective redevelopment cannot occur without the inclusion of this property.
- Criteria "G": The property is located within the City's designated Urban Enterprise Zone.

Recommendation:

Based on these existing conditions and the satisfied LRHL criteria, Block 117, Lot 1.02 should be designated as an "area in need of redevelopment."

1002-1200 SOUTH SECOND STREET (BLOCK 117, LOT 1.03) PROPERTY EVALUATION

Owner: Enduring Freedom LLC

Property Characteristics:

The property has an area of approximately 3.5 acres. There is a 2-story, industrial building, which was built in 2001 according to MOD-IV tax records, however there are accessory buildings also on the site that are aged and look to be constructed at an earlier date. This property is used for industrial purposes and is currently occupied by multiple tenants, including Papps Iron Works and Architectural Iron Designs, among others.

Site Analysis:

The site is accessed via a curb cut along South Second Street. Other site improvements consist of out buildings involved with the industrial facility's operations, parking and loading areas, and a chain-link fence with gate at the curb cut. This chain-link fence contains barbed wiring at its top. Multiple trailers were also present, which were rusting.

Satisfies LRHL Criteria:

• **Criteria** "D": Although parking spaces were delineated, the spaces were haphazardly arranged throughout the site. This can cause unsafe conditions and conflicts regarding vehicular circulation as the spaces are on both sides of a drive aisle for trucks to access

loading areas. The scattered arrangement of buildings causes issues regarding circulation and logistics, which can lead to public safety issues. The overall layout of the site does not lend itself to use as a modern industrial facility. To that end, the obsolete design and faulty arrangement of the site are detrimental to the public health, safety and general welfare of the community.

• **Criteria "G"**: The property is located within the City's designated Urban Enterprise Zone

Recommendation:

Based on these existing conditions and the satisfied LRHL criteria, Block 117, Lot 1.03 should be designated as an "area in need of redevelopment."

1214-1244 SOUTH SECOND STREET (BLOCK 117, LOT 2) PROPERTY EVALUATION

Owner: PSE&G CO. – Attn Nancy Fierro

Property Characteristics:

The property has an area of approximately 1.84 acres. It is a corner lot with street frontages along South Second Street to the south and Clinton Avenue to the west. This property is used for public utility purposes as it is currently occupied by a substation which is owned and operated by PSE&G.

Site Analysis:

Besides the substation onsite, there is a black iron fence that lines the frontage of the property with two gate openings. Trees and shrubs are planted along the frontage of the site to provide screening.

Satisfies LRHL Criteria:

- Section 3: Effective redevelopment cannot occur without the inclusion of this property. Being a corner property, this property in critical in the redevelopment of the northern side of South Second Street.
- **Criteria "G"**: The property is located within the City's designated Urban Enterprise Zone.

Recommendation:

Based on these existing conditions and the satisfied LRHL criteria, Block 117, Lot 2 should be designated as an "area in need of redevelopment."

951-953 SOUTH SECOND STREET (BLOCK 118, LOT 1) PROPERTY EVALUATION

Owner: Diaz, Luiz M & Gloria

Property Characteristics:

The property has an area of approximately 7,500 square feet. This site is a corner property, with frontages along Pond Place to the west and South Second Street to the north. There is a 2.5-story, two-family residential dwelling located on the property, which was built in 1921 according to MOD-IV tax records.

Site Analysis:

Besides the residential dwelling standing on the property, there are other site improvements present, including an asphalt driveway, concrete walkway, brick steps and railing.

The property is deficient in several zoning regulations for twofamily dwellings in the R-4 Moderate Density Residential District including minimum lot size (10,000 square feet) and minimum lot width (80 feet).

Satisfies LRHL Criteria:

• [NONE]

Recommendation:

Based on these existing conditions, Block 118, Lot 1 should not be designated as an "area in need of redevelopment."

947-949 SOUTH SECOND STREET (BLOCK 118, LOT 2) PROPERTY EVALUATION

Owner: Peraza, Arnaldo

Property Characteristics:

The lot has an area of approximately 7,500 square feet. This property is vacant with no buildings or structures present.

Site Analysis:

The property is surrounded by a chain-link fence with a gate opening at its frontage. No other improvements are present on the property.

Satisfies LRHL Criteria:

• Criteria "C": This property has been vacant for over 10 years.

Recommendation:

Although Criteria "C" is satisfied, it is not recommended that Block 118, Lot 2 should be designated as an "area in need of redevelopment" because no other adjacent lots also qualify.

943-945 SOUTH SECOND STREET (BLOCK 118, LOT 3) PROPERTY EVALUATION

Owner: Tynic, LLC

Property Characteristics:

The property has an area of approximately 3,369.6 square feet. There is a 1.5-story commercial building located on the property with two bays enclosed by vertical metal gates.

Site Analysis:

The property is surrounded by a chain-link fence with a gate opening along the frontage. A white and maroon painted fence made of wood and stone also surround the project site. Overall, the building and site are in need of maintenance. The site did not appear to be active during the time of the site visit

The property is deficient in several zoning regulations for one and two-family dwelling of the R-4 Moderate Density Residential District including minimum lot size (10,000 square feet) and minimum lot width (80 feet). The existing use is not permitted in the R-4 District.

Satisfies LRHL Criteria:

• **Criteria** "D": The site is in need of maintenance as there is vegetation overgrown exposed wires, and debris present on the property. Dirt and soot were visible on the building. The chain-link fence showed signs of rusting and deterioration. To that

end, cumulatively, this lack of maintenance demonstrates that the current commercial use is not active. These physical conditions present detriments to the public health, safety, and general welfare of the community.

Recommendation:

Although Criteria "D" is satisfied, it is not recommended that Block 118, Lot 3 should be designated as an "area in need of redevelopment" because no other adjacent lots also qualify.

941 SOUTH SECOND STREET (BLOCK 118, LOT 4) PROPERTY EVALUATION

921-923 SOUTH SECOND STREET (BLOCK 119, LOT 2) PROPERTY EVALUATION

Owner: City of Plainfield

Property Characteristics:

The 0.169-acre (7,376 square feet) corner property, with street frontage along South Second Street to the north and Stebbins Place to the east, contains a playground that was most recently used for the South Second Street Youth Center.

Site Analysis:

A chain-link fence was present along the frontage of the parcel during the time of the site visit. There were no principal buildings present on this property. Structures on this lot consisted of playground equipment and canopy with cement patio underneath.

Satisfies LRHL Criteria:

• [N/A]

Recommendation:

This property was previously designated as an "area in need of redevelopment" pursuant to Council Resolution R 244-20 dated August 10, 2020. Based on the previous designation of this property, Block 119, Lot 2 does not need to be designated as an "area in need of redevelopment" as a part of this study as the condition of the property remains unchanged.

929-935 SOUTH SECOND STREET (BLOCK 119, LOT 19.01) PROPERTY EVALUATION

Owner: City of Plainfield

Property Characteristics:

The 0.46-acre property contains a two-story vacant brick building that was most recently used as the South Second Street Youth Center until 2018. The building was constructed in 1917 and originally served as an office for the adjacent former Mack Truck plant (which is now the site of the Injectron Corporation facility). At the rear of the property, there is a paved basketball court and miscellaneous storage equipment that was used when the Youth Center was in operation.

Site Analysis:

During the time of the site investigation, numerous deficiencies were observed in the building's interior. Exposed electrical wires were present throughout many of the rooms. Stained tiles hung from the ceiling and the walls within the facility and peeling paint covered the walls. Kitchen equipment was removed and only part of the kitchen facility was still intact. Debris was also found scattered in parts of the building and on the premises in general, which invites pests. Based on these observations, it appears the property has not been maintained. These building and site issues pose hazardous conditions to the health, safety, and general welfare of the community.

Satisfies LRHL Criteria:

• [N/A]

Recommendation:

This property was previously designated as an "area in need of redevelopment" pursuant to Council Resolution R 244-20 dated August 10, 2020. Based on the previous designation of this property, Block 119, Lot 19.01 does not need to be designated as an "area in need of redevelopment" as a part of this study as the condition of the property remains unchanged.

Owner: 1300 South Second Street Assoc L P

Property Characteristics:

The irregularly-shaped property has an area of approximately 7.62 acres. The site is a corner lot with street frontage along South Second Street to the south and Clinton Avenue to the east. There is an industrial building located on the property, which was built in 1935 according to MOD-IV tax records. The site is occupied by S & B Pallet Co.

Site Analysis:

Numerous buildings and structures are standing on the property. A hanger on the property shows signs of rust and need for maintenance. A brick and cement wall lines a large portion of the frontages along Clinton Avenue and continues along the eastern portion of South Second Street. A red metal fence also lines the site along South Second Street at its westerly portion. The fence is in need of maintenance as the paint is peeling and damaged.

There are three curb cuts present along the property's South Second Street frontage. At the northerly curb cut, there is a chainlink gate that contains barbed wire at the top. Additionally, there is a metal frame structure that was utilized with an older gate, which is no longer present.

Multiple buildings and structures show signs of deterioration with peeling paint and rust.

Many pallets are stored in haphazard arrangements giving the appearance of litter as opposed to materials being actively used by the business.

Lastly, the Brownfield records on file with the City's Planning Division indicate that this property has a status of LSRP Oversight (NJDEP Program Interest Number 859/010115).

Satisfies LRHL Criteria:

• Criteria "A": Several buildings onsite are no longer conducive for living or working conditions. Buildings at the site's northerly end are aged and windows are missing.

• Criteria "D": The arrangements of buildings and structures in association with the industrial use of the property are no longer conducive to modern industrial and manufacturing needs. Many of the pallets stacked and stored on the property are not covered and are vulnerable to damage from events such as storms and fires. To that end, the obsolete layout is detrimental to the public health, safety and general welfare the community. Although there are two curb cut present on the site, it appears the southerly curb cut is primarily used. Based on the expansive vastness of the site, this could be problematic in the event of emergency vehicles accessing the site at portions that are away from this curb cut and vehicular access point.

• **Criteria** "G": The property is located within the City's designated Urban Enterprise Zone.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 137, Lot 1 should be designated as an "area in need of redevelopment."

1600-1612 SOUTH SECOND STREET (BLOCK 137, LOT 2) PROPERTY EVALUATION

Owner: 1600 South Second LLC

Property Characteristics:

The irregularly-shaped property has an area of approximately 1.88 acres. There is a 1-story building on the property, which was built in 1950 according to MOD-IV tax records. This property is a corner lot, with frontages along Clinton Avenue to the east and South Second Street to the south.

Site Analysis:

The property was formerly utilized as a New Jersey Motor Vehicle Commission Inspection facility. This facility ceased operations on June 30, 2018, as indicated on a sign on the fence at the property's frontage. The majority of the site is covered with impervious surfaces. The site appears to still be used for storage as trucks, trailers and other equipment were present on the lot during the time of the site visit. A chain-link fence, guardrail and bollards line the frontage of the site. At this frontage, there are two gate openings at each curb cut.

Satisfies LRHL Criteria:

- **Criteria** "B": The commercial property has been vacant for over two consecutive years.
- Criteria "D": The site is no longer conducive to its former

use, which was a state-operated vehicle inspection facility. It has not been occupied since this facility vacated in 2018. To that end, the layout of the site is obsolete. The property's conditions are an eyesore. These conditions are detrimental to the public health, safety, and general welfare the community.

• **Criteria "G"**: The property is located within the City's designated Urban Enterprise Zone

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 137, Lot 2 should not be designated as an "area in need of redevelopment."

1614-1618 SOUTH SECOND STREET (BLOCK 137, LOT 3) PROPERTY EVALUATION

Owner: Glennon, Patrick A & Carol K

Property Characteristics:

The irregularly-shaped property has an area of approximately 0.47 acres. There is a commercial building standing on the property, which was built in 1950 according to MOD-IV tax records. The building is currently tenanted by Gino's Tire and Maintenance.

Site Analysis:

Almost the entire frontage of the property is a curb cut. The majority of the site is covered with impervious coverage. Numerous motor vehicles were stored on the property. A freestanding sign is also present. Various equipment is stored in the rear and sides of the property, including vehicles and tires. A chain-link fence lines the rear and both sides of the site.

Satisfies LRHL Criteria:

• **Criteria "D"**: The existing arrangement of the site is deleterious. The majority of the site is covered with impervious surfaces, which can negatively impact stormwater management and lead to runoff onto adjacent properties. Deterioration is present on the site, especially rust on the freestanding sign, which demonstrates signs of neglect. The chain-link fence contains barbed wire at its top, which is banned in the City and is also hazardous

to the public. Tires were haphazardly stored along the northerly property line. Overall, the site's conditions are detrimental to public health, safety, and general welfare of the community.

• **Criteria "G"**: The property is located within the City's designated Urban Enterprise Zone

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 137, Lot 3 should not be designated as an "area in need of redevelopment."

1620-1642 SOUTH SECOND STREET (BLOCK 137, LOT 4) PROPERTY EVALUATION

Owner: 1630 South Second LLC

Property Characteristics:

The irregularly-shaped property has an area of approximately 1.26 acres. There is a one-story commercial building standing on the property, which was built in 1968, according to MOD-IV tax records. The building is currently tenanted by Grand Sanitation Service. A second building on the property, also positioned along the site's frontage, is a 6-bay garage.

Site Analysis:

A large portion of the frontage of the property contains a curb cut. The majority of the site is covered with impervious coverage. Vehicles accessing the bays were parked head-in on the sidewalk. A chain-link fence lines the perimeter of the site. An abundance of vehicles related to the sanitation service business are stored in the rear of the property, in addition to other equipment and motor vehicles.

Satisfies LRHL Criteria:

• **Criteria "D"**: The existing arrangement of the site is faulty. The 6-bay garage is positioned close to the frontage of the property, which restricts access of the vehicles accessing the bays. Numerous vehicles were also parked on the site's sidewalk and

these conditions pose hazards to the pedestrians and motorists. The parking area in the rear, where the sanitation service business vehicles and equipment are stored, do not have delineated spaces or areas for storage and directional arrows are also absent. This lack of necessary infrastructure can create vehicular conflicts.

• **Criteria "G"**: The property is located within the City's designated Urban Enterprise Zone

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 137, Lot 4 should not be designated as an "area in need of redevelopment."

1644-1666 SOUTH SECOND STREET (BLOCK 137, LOT 5) **PROPERTY EVALUATION**

Owner: American Realty Assc., LLC

Property Characteristics:

The irregularly-shaped property has an area of approximately 1.37 acres. The site is corner lot with street frontage along South Second Street to the south and Rock Avenue to the west. There is a one-story commercial building standing on the property, which was built in 1942, according to MOD-IV tax records. The building is currently tenanted by Maaco Collision Repair and Truck Painting, System Liquidation, and EasyLink International Shipping LLC.

Site Analysis:

A chain-link fence lines the front and side property lines with gate openings at the curb cuts along Sound Second Street. Multiple bays are positioned along the property's South Second Street frontage. Vehicles were also parked along this frontage. A substantial amount of vehicles were parked in the rear yard during the time of the site visit, including vehicles that were parked on the street blocking the access of vehicles parked onsite.

Satisfies LRHL Criteria:

Criteria "D": With many vehicles parked on the site's South Second Street frontage, the abundance of curb cuts and parked vehicles creates conflicts. This especially has impacts on

pedestrians as these parked cars obstruct their access. Vehicles exiting the site are also subject to dangerous conditions as these parked cars block sight distances. Vehicles parked at the rear of the property are parked in a haphazard arrangement. A portion of the chain-link fence contains barbed wire, which is banned in the City and is a safety hazard to the community. Two large overhang structures previously used in operation of the gated entrances along South Second Street no longer serve this purpose and to that end, are obsolete and could restrict large vehicles from safely accessing the site. Overall, the existing arrangement of the site is deleterious.

Criteria "G": The property is located within the City's designated Urban Enterprise Zone.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 137, Lot 5 should not be designated as an "area in need of redevelopment."

1437 SOUTH SECOND STREET (BLOCK 138, LOT 1) PROPERTY EVALUATION

Owner: City of Plainfield

Property Characteristics:

The irregularly-shaped property has an area of approximately 81.38 square feet. It is a corner lot with street frontages along View Avenue to the west and South Second Street to the north.

Site Analysis:

The parcel is currently vacant. According to the property's tax records, the land description indicates that the lot is a sight triangle.

Satisfies LRHL Criteria:

• Criteria "C": The property has been owned by the City for more than 10 years. The site is significantly undersized and is below the minimum lot area required for the single-family (7,5000 square feet) and two-family (10,000 square feet) dwellings in the R-4 Zoning District. Due to its significantly limited size as well as its irregular configuration, the site cannot accommodate any structure or building on its own and it is not likely that it will be developed through the instrumentality of private capital.

Recommendation:

This site was previously designated as an "area in need of redevelopment" as set forth in the "Citywide In Need of Redevelopment Study of City-Owned, Foreclosure and Bankrupt Properties", which was adopted by City Council on September 13, 1999. Based on the previous designation of this property, Block 138, Lot 1 does not need to be designated as an "area in need of redevelopment" as a part of this study as the condition of the property remains unchanged.

203-207 VIEW AVENUE (BLOCK 138, LOT 2.01) PROPERTY EVALUATION

Owner: Walton, Raynard S

Property Characteristics:

The irregularly-shaped property has an area of approximately 12,693.51 square feet. This lot has street frontages along View Avenue to the west and South Second Street to the north. There is a one-story residential building standing on the property, which was built in 2009, according to MOD-IV tax records.

Site Analysis:

Other improvements present on the property consist of a wooden fence along the South Second Street frontage, chain-link fence along the View Avenue frontage and short concrete driveway at the curb cut along View Avenue. A bulldozer, commercial trucks and other vehicles were stored throughout the property during the time of the site visit, in both the front and rear yards. There are two curb cuts along the South Second Street frontage, however there is no driveway attached to these curb cuts. The building on the property appears to be uncompleted construction. A sign was noted at the northwesterly corner which stated: "WARNING NO DUMPING CHURCH PROPERTY".

Satisfies LRHL Criteria:

• Criteria "D": The vehicles are parked haphazardly on the

property. Additionally, adequate parking areas for these vehicles (i.e., driveways) are absent from the site. The apparent stalled construction of the building on the property could lure nefarious activity. Multiple zoning violations have also been issued to this property the City. To that end, the existing conditions of the lot are detrimental to the public health, safety and general welfare of the community.

Recommendation:

This site was previously designated as an "area in need of redevelopment" as set forth in the "Citywide In Need of Redevelopment Study of City-Owned, Foreclosure and Bankrupt Properties", which was adopted by City Council on September 13, 1999. Based on the previous designation of this property, Block 138, Lot 2.01 does not need to be designated as an "area in need of redevelopment" as a part of this study as the condition of the property remains unchanged.

1415-1423 SOUTH SECOND STREET (BLOCK 138, LOT 3) PROPERTY EVALUATION

Owner: Cruz, Carlos

Property Characteristics:

The irregularly-shaped property has an area of approximately 11,250 square feet. It is located along the southern side of South Second Street. There is a one-story commercial building standing on the property, which was built in 1914, according to MOD-IV tax records.

Site Analysis:

A chain-link fence stands along the sides and rear boundaries of the property and also a portion of the site's frontage with a gate opening at the curb cut for vehicles to access the site. There is an asphalt parking lot present to accommodate these vehicles. An accessory one-story garage is positioned in the rear yard. Trailers and other equipment were also present on the property.

Satisfies LRHL Criteria:

• **Criteria** "D": The abundance of vehicles parked on site demonstrates detriments to the public health, safety and general welfare of the community as some of these vehicles partially block access to the site, which can lead to issues especially when accessing the site in the event of an emergency. Additionally, these parking spaces were not delineated which is necessary for proper vehicular

circulation and safety.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 138, Lot 3 should be designated as an "area in need of redevelopment."

1405-1513 SOUTH SECOND STREET (BLOCK 138, LOT 4.01) PROPERTY EVALUATION

Owner: Gethsemane Temple Church of Christ

Property Characteristics:

The property has an area of approximately 11,250 square feet. There is a one-story building located on the property, which was built in 1961 according to MOD-IV tax records. This building is being used as a house of worship ("Gethsemane Temple Church").

Site Analysis:

The existing house of worship building spans across almost the entire width of the property. There are two curb cuts present, for vehicles to park in front of the house of worship. Additionally, other site improvements consist of a concrete walkway, chain-link fence along a portion of the property, sign on a small brick wall and an overhand at the northly entrance to the building.

Satisfies LRHL Criteria:

• [NONE]

Recommendation:

Based on these existing conditions, Block 138, Lot 4.01 should not be designated as an "area in need of redevelopment."

1357-1403 SOUTH SECOND STREET (BLOCK 138, LOT 6) PROPERTY EVALUATION

Owner: Castellon, Juan J

Property Characteristics:

The property has an area of approximately 7,740 square feet. There is a 2.5-story, two-family building located on the property, which was built in 1916 according to MOD-IV tax records.

Site Analysis:

Besides the residential dwelling standing on the property, other site improvements present consist of an asphalt driveway, concrete walkway, concrete steps and railing and a chain-link fence along the westerly property line. Numerous vehicles were also parked on the site.

Satisfies LRHL Criteria:

• [NONE]

Recommendation:

Based on these existing conditions, Block 138, Lot 6 should not be designated as an "area in need of redevelopment."

1351-1355 SOUTH SECOND STREET (BLOCK 138, LOT 7.01) PROPERTY EVALUATION

Owner: JA & JM Associates LLC

Property Characteristics:

The property has an area of approximately 6,373.8 square feet. The site is currently vacant with no buildings standing on the property.

Site Analysis:

With the property being vacant, the only visible physical improvements noted on the site were the portion of a concrete walkway and sidewalk along the frontage of the property.

Satisfies LRHL Criteria:

• "Criteria C": The property has been vacant for more than 10 consecutive years.

Recommendation:

This site was previously designated as an area in need of redevelopment as set forth in the "Citywide In Need of Redevelopment Study of City-Owned, Foreclosure and Bankrupt Properties", which was adopted by City Council on September 13, 1999. Based on the previous designation of this property, Block 138, Lot 7.01 does not need to be designated as an "area in need of redevelopment" as a part of this study as the condition of the property remains unchanged.

1349 SOUTH SECOND STREET (BLOCK 138, LOT 11) PROPERTY EVALUATION

Owner: 1349 South Second StreetPlainfield

Property Characteristics:

The property has an area of approximately 1,928.7 square feet. There is a 2-story, single-family building located on the property, which was built in 1921 according to MOD-IV tax records.

Site Analysis:

The dwelling is attached to the dwelling on Lot 12 along its easterly property line. Besides the residential dwelling standing on the property, other site improvements present consist of an asphalt driveway, concrete walkway, wooden steps and railing and a chainlink fence along the westerly property line.

The property is deficient in several zoning regulations for singlefamily dwelling of the R-4 Moderate Density Residential District including minimum lot size (7,500 square feet) and minimum lot width (50 feet).

Satisfies LRHL Criteria:

1301-1315 SOUTH SECOND STREET (BLOCK 140, LOT 6 & 6X) PROPERTY EVALUATION

Owner: Arkad Commercial Holdings III LLC

Property Characteristics:

This irregularly-shaped property contains an area of approximately 11,932 square feet. There is a 2-story, mixed-use building stands on the property, which was built in 1915 according to MOD-IV tax records. The site is a corner lot, with street frontages along South Second Street to the north and Evona Avenue to the east. Evona Avenue dead ends to a concrete-covered corner at the intersection of South Second Street and Clinton Avenue.

Site Analysis:

The mixed-use building contains mostly apartment units on both floors. A sign noting "South Second St. Apartments" stands in front of the building's South Second Street façade. There is a storefront on the first floor at the building's easterly corner.

Besides the mixed-use building, other site improvements onsite include an asphalt driveway at the westerly end of the property with a curb cut providing access from South Second Street. Refuse containers are also located at the westerly driveway. At the easterly corner of the site, there is a concrete covered area which extends into the dead-end portion of Evona Avenue. Although partially off-site, this concrete-covered area restricts access to the building and site from South Second Street, especially in the event of an

emergency.

1609-1611 SOUTH SECOND STREET (BLOCK 148, LOT 4) PROPERTY EVALUATION

Owner: Stith, Maureen M

Property Characteristics:

The property has an area of approximately 9,000 square feet. There is a 2.5-story, single-family dwelling located on the property, which was built in 1926 according to MOD-IV tax records. The site is a through-lot with street frontages along South Second Street to the north and Willever Street to the south.

Site Analysis:

Besides the single-family dwelling onsite, other site improvements present consist of a cinder block retaining wall along the property's frontage, concrete steps and walkway, and wooden steps and railing at the dwelling's entrance. At the Willever Street frontage, there is a curb cut allowing for vehicular access to an unpaved driveway. Also surrounding the rear yard is a wooden fence. Multiple accessory structures are present in the rear yard area.

Satisfies LRHL Criteria:

• [NONE]

Recommendation:

Based on these existing conditions, Block 148, Lot 4 should not be designated as an "area in need of redevelopment."

1605-1607 SOUTH SECOND STREET (BLOCK 148, LOT 5) PROPERTY EVALUATION

Owner: Del Rio, Rogelio & Evangelina

Property Characteristics:

The property has an area of approximately 9,000 square feet. There is a 2.5-story, single-family dwelling located on the property, which was built in 1926 according to MOD-IV tax records. The site is a through-lot with street frontages along South Second Street to the north and Willever Street to the south.

Site Analysis:

Besides the single-family dwelling onsite, other site improvements present consist of a retaining wall along the property's frontage, steps, and walkway, which are all made of concrete and finished with stone and slate. There are brick steps and a wooden railing at the dwelling's entrance. A wooden fence encloses the rear yard. At the Willever Street frontage, there is a curb cut allowing for vehicular access to a brick driveway that leads to an accessory detached garage. A large portion of the property is covered with gravel.

Satisfies LRHL Criteria:

• [NONE]

Recommendation:

Based on these existing conditions, Block 148, Lot 5 should not be designated as an "area in need of redevelopment."

1601-1603 SOUTH SECOND STREET (BLOCK 148, LOT 6) PROPERTY EVALUATION

Owner: Bayous, Walter & Stephanie

Property Characteristics:

The property has an area of approximately 4,500 square feet. It is vacant with no structures present onsite. The site is a corner-lot with street frontages along South Second Street to the north and Frace Street to the east.

Site Analysis:

The only notable physical site improvement is a chain-link fence that surrounds the perimeter of the property.

The property is deficient in zoning regulations for single-family dwellings in the R-4 Moderate Density Residential District including minimum lot size (7,500 square feet) or two-family dwelling (10,000 square feet).

Satisfies LRHL Criteria:

• **Criteria "C"**: The property has been vacant for over 10 consecutive years.

Recommendation:

Although LRHL criteria is satisfied, it is recommended that Block 148, Lot 6 should not be designated as an "area in need of redevelopment" because no other adjacent lots also qualify.

1659 SOUTH SECOND STREET (BLOCK 152, LOT 1) PROPERTY EVALUATION

Owner: Botero, Gerardo

Property Characteristics:

The property has an area of approximately 3,000 square feet. There is a 2.5-story, three-family dwelling located on the property, which was built in 1926 according to MOD-IV tax records.

Site Analysis:

Besides the single-family dwelling onsite, other site improvements present consist of a brick and concrete stairs and wooden railings. A concrete walkway along the westerly side of the dwelling provides access to an alternate entrance and a concrete retaining wall also lines the front of the property.

The property is deficient in zoning regulations of the R-4 Moderate Density Residential District including minimum lot size (7,500 square feet) for a single-family dwelling or two-family dwelling (10,000 square feet). Additionally, the principal use of three-family dwellings is not a permitted in the R-4 District.

Satisfies LRHL Criteria:

• **Criteria** "D": The three-family dwelling standing on the property is not a permitted use in the R-4 District. With a lot size of 3,000 square feet, this lot significantly undersized to accommodate

a permitted single-family dwelling as well as a permitted two-family dwelling. Based on these conditions, this demonstrates physical overcrowding on the site. To that end, the lot is detrimental to the public health, safety and general welfare of the community

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 152, Lot 1 should be designated as an "area in need of redevelopment."

1655-1657 SOUTH SECOND STREET (BLOCK 152, LOT 2) PROPERTY EVALUATION

Owner: BPierre, Kerwyn

Property Characteristics:

The property has an area of approximately 3,000 square feet. There is a 2.5-story, single-family dwelling located on the property, which was built in 1926 according to MOD-IV tax records.

Site Analysis:

Besides the single-family dwelling onsite, other site improvements present consist of a brick and concrete stairs and railings. A concrete retaining wall also lines the front of the property.

The property is deficient in zoning regulations for single-family dwellings in the R-4 Moderate Density Residential District including minimum lot size (7,500 square feet).

Satisfies LRHL Criteria:

• Section 3: Effective redevelopment cannot occur without the inclusion of this property.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 152, Lot 2 should be designated as an "area in need of redevelopment."

1651-1653 SOUTH SECOND STREET (BLOCK 152, LOT 3) PROPERTY EVALUATION

Owner: Diaz, Martha C

Property Characteristics:

The property has an area of approximately 7,500 square feet. There is a 1.5-story, single-family dwelling located on the property, which was built in 1958 according to MOD-IV tax records.

Site Analysis:

Besides the single-family dwelling onsite, other site improvements present consist of a brick/block retaining walk along the front of the property. A white picket fence also encloses the front yard. An asphalt driveway is located along the northerly end of the site, which leads to the rear yard, where a plastic white fence encloses the rear yard.

Satisfies LRHL Criteria:

• Section 3: Effective redevelopment cannot occur without the inclusion of this property.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 152, Lot 3 should be designated as an "area in need of redevelopment."

1647-1649 SOUTH SECOND STREET (BLOCK 152, LOT 4) PROPERTY EVALUATION

Owner: Guerrero, Arelino

Property Characteristics:

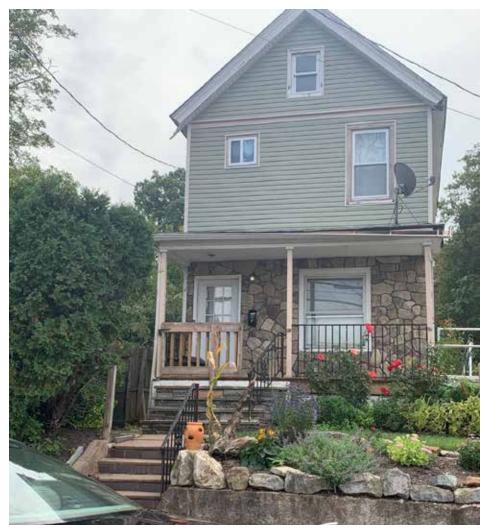

The property has an area of approximately 7,500 square feet. There is a 2.5-story, single-family dwelling located on the property, which was built in 1901 according to MOD-IV tax records.

Site Analysis:

Besides the single-family dwelling onsite, other site improvements present consist of a concrete steps and walkway, and concrete and stone retaining wall along the front of the property. A white picket fence also encloses the front yard. A brick-paved driveway is located along the southerly end of the site, which leads to the rear yard. A sidewalk lines the frontage of the property, which is partially made of concrete and brick pavers. A wooden fence encloses the rear yard and a chain-link fence is positioned along the southerly property line.

Satisfies LRHL Criteria:

• Section 3: Effective redevelopment cannot occur without the inclusion of this property.

Recommendation:

Based on these existing conditions, Block 152, Lot 4 should not be designated as an "area in need of redevelopment."

1643-1645 SOUTH SECOND STREET (BLOCK 152, LOT 5) PROPERTY EVALUATION

Owner: Guerrero, Arelino

Property Characteristics:

The property has an area of approximately 7,500 square feet. It is vacant and undeveloped with trees and vegetation.

Site Analysis:

There are no principal buildings standing on the property. Site improvements present consist of a paver driveway accessed via South Second Street, and fencing along the frontage of the property.

Satisfies LRHL Criteria:

• Criteria "C": The property has been vacant for over 10 consecutive years.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 152, Lot 5 should be designated as an "area in need of redevelopment."

1637-1641 SOUTH SECOND STREET (BLOCK 152, LOT 6) PROPERTY EVALUATION

Owner: Maldonado, Llesenia G

Property Characteristics:

The irregularly-shaped property has an area of approximately 31,212 square feet. The site is used for commercial purposes. The lot has street frontages along South Second Street to the north and Willever Street to the east.

Site Analysis:

There is no street access to the site from the South Second Street frontage, however, it appears that access is utilized via the driveway on Lot 5, connecting South Second Street to the site. Vehicular access appears to be provided at the dead-end of Willever Street at the southeastern end of the site. A variety of commercial trucks and other vehicles as well as equipment and materials are stored on the property nearby this access point.

Satisfies LRHL Criteria:

• Criteria "D": The existing permitted use is not permitted in R-4 District. Vehicular access via Willever Street can be disruptive to residences along this street as commercial vehicles are stored on this lot. Lot 5 must be utilized in order to access the site from South Second Street. The equipment and materials stored on the property are not covered properly or secured in a storage

structure. Because of the nature of these conditions, the property is detrimental to the public health, safety and general welfare of the community

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 152, Lot 6 should be designated as an "area in need of redevelopment."

1629-1635 SOUTH SECOND STREET (BLOCK 152, LOT 7) PROPERTY EVALUATION

Owner: Ortiz, Daniel Quiceno

Property Characteristics:

The irregularly-shaped property has an area of approximately 9,200 square feet. It is a corner lot with street frontage along South Second Street to the north and Leslie Avenue to the east. There is a 3-story, two-family residential dwelling located on the property, which was constructed in 2005 according to MOD-IV tax records.

Site Analysis:

The residential dwelling fronts towards the property's Leslie Avenue frontage. Other improvements present onsite consist of asphalt driveway lined with small block curb on the southern side and a Belgian block retaining wall on the northern side. There are also concrete steps, metals railings to the front entrance, stone arrangements around several trees and a wooden fence enclosing the rear yard.

Satisfies LRHL Criteria:

• Section 3: Effective redevelopment cannot occur without the inclusion of this property.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 152, Lot 7 should be designated as an "area in need of redevelopment."

207 ROCK AVENUE (BLOCK 152, LOT 24) PROPERTY EVALUATION

Owner: Skyers, M. - Skyers, P. & Skyers, D.

Property Characteristics:

This irregularly-shaped property has an area of approximately 2,970 square feet. There is a 2.5-story, single-family dwelling located on the property, which was built in 1930 according to MOD-IV tax records.

Site Analysis:

Besides the single-family dwelling onsite, other site improvements present consist of a wooden picket and stone pillar fence, stone steps and railing. An asphalt driveway and chain-link fence is present along the northerly property line to the rear yard. A cinder-block retaining wall is installed along the opposite side of the driveway.

The property is deficient in zoning regulations for single-family dwelling of the R-4 Moderate Density Residential District including minimum lot size (7,500 square feet).

Satisfies LRHL Criteria:

- **Criteria "G"**: The site is located within the City's Urban Enterprise Zone boundaries.
- Section 3: Effective redevelopment cannot occur without

the inclusion of this property.

Recommendation:

Based on these existing conditions and satisfied LRHL, Block 152, Lot 24 should be designated as an "area in need of redevelopment."

203-205 ROCK AVENUE (BLOCK 152, LOT 25) PROPERTY EVALUATION

Owner: Diaz, Jose M

Property Characteristics:

This property has an area of approximately 3,015 square feet. There is a 2.5-story, single-family dwelling located on the property, which was built in 1926 according to MOD-IV tax records.

Site Analysis:

A brick paver driveway and chain-link fence is present along the southerly property line. A cinderblock and cement retaining wall is installed along the front yard and northerly side of the front portion of the driveway. Cement stairs and wooden railings are also present.

The property is deficient in zoning regulations for single-family dwelling of the R-4 Moderate Density Residential District including minimum lot size (7,500 square feet).

Satisfies LRHL Criteria:

- **Criteria** "G": The site is located within the City's Urban Enterprise Zone boundaries.
- Section 3: Effective redevelopment cannot occur without the inclusion of this property.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 152, Lot 25 should be designated as an "area in need of redevelopment."

201 ROCK AVENUE (BLOCK 152, LOT 26) PROPERTY EVALUATION

Owner: Labayen, Jose

Property Characteristics:

The property has an area of approximately 3,015 square feet. It is a corner lot with street frontages along South Second Street to the north and Rock Avenue to the west. There is a 2.5-story, twofamily dwelling located on the property, which was built in 1926 according to MOD-IV tax records.

Site Analysis:

Besides the single-family dwelling onsite, other site improvements include a stone retaining wall along the northerly and westerly ends of the property, stone steps and walkway, chain-link and wooden fences, and wooden and metal railings. A gravel driveway is present with vehicular access along South Second Street.

The property is deficient in zoning regulations for single-family dwelling of the R-4 Moderate Density Residential District including minimum lot size (7,500 square feet).

Satisfies LRHL Criteria:

• **Criteria "G"**: The site is located within the City's Urban Enterprise Zone boundaries.

• Section 3: Effective redevelopment cannot occur without the inclusion of this property.

Recommendation:

Based on these existing conditions and satisfied LRHL, Block 152, Lot 26 should be designated as an "area in need of redevelopment."

202-206 ROCK AVENUE (BLOCK 153, LOT 1) PROPERTY EVALUATION

Owner: Ramsey, Harrison & Joyce E

Property Characteristics:

The property has an area of approximately 6,800 square feet. It is a corner lot with street frontages along South Second Street to the north and Rock Avenue to the east. There is a 2.5-story, two-family dwelling located on the property, which was built in 1911 according to MOD-IV tax records.

Site Analysis:

Besides the two-family dwelling onsite, other site improvements include a stone steps stone steps and walkway, white board fence, and wooden and metal railings. An unpaved driveway with vehicular access along South Second Street leads to a one-story, two-car accessory garage. A detached shed is also present in the rear yard.

The property is deficient in zoning regulations for single-family dwelling of the R-4 Moderate Density Residential District including minimum lot size (7,500 square feet).

Satisfies LRHL Criteria:

• **Criteria "G"**: The site is located within the City's Urban Enterprise Zone boundaries.

• Section 3: Effective redevelopment cannot occur without the inclusion of this property.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 153, Lot 1 should be designated as an "area in need of redevelopment."

208-210 ROCK AVENUE (BLOCK 153, LOT 2) PROPERTY EVALUATION

Owner: Tavarwz, Jesus

Property Characteristics:

This irregularly-shaped property has an area of approximately 6,600 square feet. There is a 2.5-story, two-family dwelling located on the property, which was built in 1951 according to MOD-IV tax records. The southern portion of this property, including part of the dwelling is located in the Township of Piscataway (208 Rock Avenue: Block 206, Lot 19.01).

Site Analysis:

Besides the two-family dwelling onsite, other site improvements include a cinder block retaining wall and walkway, white board fence, and wooden steps and railing. An asphalt driveway is present leading to a rear parking area. A detached shed is also present in the rear yard.

The property is deficient in zoning regulations for single-family dwelling of the R-4 Moderate Density Residential District including minimum lot size (7,500 square feet).

Satisfies LRHL Criteria:

• **Criteria "G"**: The property is located within the City's Urban Enterprise Zone boundaries.

• **Criteria** "E": The residential dwelling spans across two lots in two different municipalities. The primary lot is located in the Township of Piscataway, while a small portion of the dwelling contains Lot 2.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 153, Lot 2 should be designated as an "area in need of redevelopment."

212 ROCK AVENUE (BLOCK 153, LOT 3) PROPERTY EVALUATION

Owner: City of Plainfield

Property Characteristics:

This irregularly-shaped property has an area of approximately 20 square feet. The property is vacant according to MOD-IV tax records. A property located in the Township of Piscataway (210 Rock Avenue; Block 206, Lot 18) borders this property to the south. As indicated on the City's Zoning Map, this property is included within the 197 Scattered Sites Redevelopment Plan.

Site Analysis:

Although the property is recorded as vacant, it appears that has been maintained and assumed with the contiguous residential property in the Township of Piscataway.

Satisfies LRHL Criteria:

• "Criteria C": The property has been vacant for at least 10 consecutive years. Additionally, the property is also owned by the City. The City has retained ownership of this property for at least 10 years. Due to the site's significantly small size as well as its irregularly triangular configuration, it is not likely that it will be developed through the instrumentality of private capital.

• **Criteria** "E": The residential dwelling spans across two lots in two different municipalities. The primary lot is located in

the Township of Piscataway, while a small portion of the dwelling contains Lot 3.

Recommendation:

This site was previously designated as an "area in need of redevelopment" as set forth in the "Citywide In Need of Redevelopment Study of City-Owned, Foreclosure and Bankrupt Properties", which was adopted by City Council on September 13, 1999. Based on the previous designation of this property, Block 153, Lot 3 does not need to be designated as an "area in need of redevelopment" as a part of this study as the condition of the property remains unchanged.

1709-1715 SOUTH SECOND STREET (BLOCK 152, LOT 4) PROPERTY EVALUATION

Owner: Tailor, Kishanbhai & Sangita

Property Characteristics:

This irregularly-shaped property has an area of approximately 7,100 square feet. The property is vacant according to MOD-IV tax records. However, it is not vacant since the dwelling on the property straddles lots in both Plainfield and the Township of Piscataway.

Site Analysis:

Although the property is recorded as vacant, it appears that has been maintained and assumed with the contiguous residential property in the Township of Piscataway (201 Oak Place; Block 206, Lot 1.01).

The property is deficient in zoning regulations for single-family dwelling of the R-4 Moderate Density Residential District including minimum lot size (7,500 square feet).

Satisfies LRHL Criteria:

• Criteria "E": The residential dwelling spans across two lots in two different municipalities. The primary lot is located in the Township of Piscataway, while a small portion of the dwelling contains Lot 3

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, it is recommended that Block 153, Lot 4 should be designated as an "area in need of redevelopment."

1700-1722 SOUTH SECOND STREET (BLOCK 154, LOT 1) PROPERTY EVALUATION

Owner: Second Street Associates

Property Characteristics:

This irregularly-shaped property has an area of approximately 60,400 square feet. It is a corner lot with street frontages along South Second Street to the south and Rock Avenue to the east. Additionally, the property is bounded by Raritan Valley Line railroad tracks to the north and the Township of Piscataway to the west. There is a 1-story industrial building ("Dynamic Metals") located on the property, which was built in 1945 according to MOD-IV tax records. The continuous Piscataway property is also a part of the industrial establishment. Therefore, the industrial facility straddles both Plainfield and Piscataway.

Site Analysis:

Besides the industrial building on the property, other site improvements include a covered chain-link fence surrounding the perimeter of the property. Vehicular access to the site is provided at curb cuts along South Second Street.

Satisfies LRHL Criteria:

• **Criteria** "D": Building deficiencies were observed including the presence of rust and peeling paint. Supplies and equipment were stored outside the industrial facility. Outdoor storage can

lead to hazardous conditions, especially if the building needs to be accessed in the event of an emergency. The majority of the property is covered with impervious coverage, which can contribute to the heat island effect as well as stormwater management issues such as runoff onto adjacent properties. Truck loading and parking spaces were not clearly delineated, which are necessary for safe vehicular circulation. To that end, the dilapidation is detrimental to the public health, safety and general welfare of the community.

• **Criteria** "G": The lot is located within the City's Urban Enterprise Zone boundaries.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 154, Lot 1 should be designated as an "area in need of redevelopment."

1763-1821 WEST FRONT STREET (BLOCK 202, LOT 1.1) PROPERTY EVALUATION

Owner: Precision Properties LLC

Property Characteristics:

This irregularly-shaped property has an area of approximately 5.03 acres. The property is bounded by Raritan Valley Line railroad tracks to the south. There is a 1-story, brick and metal commercial building located on the property. "Montrose Molders" conducts its operations on this site.

Site Analysis:

Besides the commercial building on the property, other site improvements consist of accessory parking, chain-link fence and gate. Vehicular access to the site is provided at curb cuts along West Front Street at its northerly end.

Satisfies LRHL Criteria:

• Criteria "D": The site is almost completely covered with impervious coverage, with the building spanning the majority of the property. This can lead to stormwater management issues, such as runoff onto adjacent properties. There are essentially no windows present on the southerly and easterly building façades, which can impede adequate light and air. The building has a 0-foot front yard setback, which obstructs necessary sight lines for drivers of vehicles leaving the site and accessing West Front Street and

creates hazardous environment for both drivers and pedestrians. Overall, these existing physical conditions are detrimental to the public health, safety and general welfare of the community.

• **Criteria "G"**: The lot is located within the City's Urban Enterprise Zone boundaries.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 202, Lot 1.1 should be designated as an "area in need of redevelopment."

R1763-1821 WEST FRONT STREET (BLOCK 202, LOT 1.2) PROPERTY EVALUATION

Owner: Valstir, LLC

Property Characteristics:

This irregularly-shaped property has an area of approximately 5.03 acres. The property is bounded by Raritan Valley Line railroad tracks to the south and the Township of Piscataway to the west. There is a 1-story, brick and metal commercial building located on the property, which was constructed in 1953, according to MOD-IV tax records. A portion of this commercial establishment is located within Piscataway.

Site Analysis:

Besides the commercial building on the property, other site improvements consist of consist of a surface parking area, curb cuts and loading bays. Vehicular access to the site is provided at curb cuts along West Front Street. Seven truck loading bays are positioned along West Front Street toward the property's westernmost end.

Satisfies LRHL Criteria:

• Criteria "D": Essentially the entire site is covered with impervious coverage. The truck loading conditions are perilous as large trucks must back into the bays fronting West Front Street. This can be dangerous for motorists traveling along both directions

of West Front Street. Additionally, pedestrian conditions are hazardous, especially since the building has a 0-foot front yard setback north of the loading bays, which impedes the views of the truck drivers and pedestrians alike. Overall, these existing physical conditions are detrimental to the public health, safety and general welfare of the community.

• **Criteria "G"**: The lot is located within the City's Urban Enterprise Zone boundaries.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 202, Lot 1.2 should be designated as an "area in need of redevelopment."

1701-1761 WEST FRONT STREET (BLOCK 202, LOT 1.02) PROPERTY EVALUATION

Owner: Rock Star Properties, LLC

Property Characteristics:

This irregularly-shaped property has an area of approximately 1.98 acres. It is a corner property with street frontages along West Front Street to the north and Rock Avenue to the east. The property is bounded by Raritan Valley Line railroad tracks to the south. A complex of 1- and 2- story commercial buildings stand on the property. "Compliance and Research" currently occupies the building on the property.

Site Analysis:

Besides the complex of commercial buildings standing on the property, other site improve-ments consist of surface parking, chainlink fences with gate openings and barbed wire at the top, and other structures and equipment associated with the establishment's operations. Ve-hicular access to the site is provided via curb cuts along West Front Street and Rock Avenue. Other metal bars and poles are also present at the property's frontage.

Satisfies LRHL Criteria:

Criteria "D": The site, in general, is not conducive to modern industrial uses and needs. Operations are spread out in numerous buildings rather than concentrated and consolidated in one building. To that end, a faulty arrangement and obsolete design are present due to the separated, fragmented, and scattered nature of these existing buildings. With necessary loading and parking space delineation absent, and no clear circulation pattern (including directional arrows), this can cause dangerous conditions pertaining to internal vehicular circulation. The barbed wire fence, which is banned in the City, is perilous to the general welfare of the public. Other metal bars and poles attached to the dates along the site's frontages are rusting and are no longer serving a purpose. Lastly, the entire site is essentially covered with impervious coverage, which can lead to stormwater management issues and runoff onto adjacent properties. Cumulatively, these conditions poses as detriments to the public health, safety and general welfare of the community.

• **Criteria "G"**: The lot is located within the City's Urban Enterprise Zone boundaries.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 202, Lot 1.02 should be designated as an "area in need of redevelopment

1301-1307 WEST FRONT STREET (BLOCK 210, LOT 1) PROPERTY EVALUATION

Owner: AH 1301 Front LLC

Property Characteristics:

This site has an area of approximately 20,000 square feet. It is a corner lot with street frontages along West Front Street to the north and Clinton Avenue to the west. Additionally, the property is bounded by Raritan Valley Line railroad tracks to the south. There is a 1-story building is located on the property, which was built in 1968 according to MOD-IV tax records, which also noted that the site is a classified as "commercial" under its current Property Class Code. The building is currently used as a house of worship ("Freedom Ministries").

Site Analysis:

Besides the principal building on the property, other site improvements include an inactive freestanding sign, a drive-through structure that appears to have been formerly used in association with a bank and trailer. Vehicular access to the site is provided at curb cuts along both West Front Street and Clinton Avenue. A chain-link fence with gate is located at both curb cut entrances.

Satisfies LRHL Criteria:

• **Criteria** "D": Multiple structures existing on the property are no longer in operation, including the freestanding sign and the drive-through teller structure, which appeared to be associated with a former bank. These defunct structures are not utilized by the existing occupant of the property, causing an obsolete layout of the site. The drive-through structure obstructs vehicular access traveling through the site from West Front Street to Clinton Avenue.

This circulation restriction can hinder public safety, especially in the case of an emergency. At the same time, at the rear of the property, there is no separation from Lot 2, which can cause vehicular conflicts. Taken together, these components arise to the property being detrimental to the public health, safety and general welfare of the community.

• **Criteria "G"**: The lot is located within the City's Urban Enterprise Zone boundaries.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 202, Lot 1 should be designated as an "area in need of redevelopment."

1309-1345 WEST FRONT STREET (BLOCK 210, LOT 2) PROPERTY EVALUATION

Owner: West Front Street Industrial LLC

Property Characteristics:

This irregularly-shaped property has an area of approximately 10.9 acres, spanning across almost the entire block. The larger building envelope, indicated as being originally constructed in 1920 according to MOD-IV tax records, is subdivided into smaller units, identified as 'buildings'. Tenanted by multiple industrial businesses including New Industrial Form, Keystone Plastics, Inc., Fayette Trading, TFS, among others. The heights of the building vary between 1 to 4 stories. This building consumes almost the entire property.

Site Analysis:

The industrial building covers most of the block along the south side of West Front Street, between Clinton Avenue to the east and Rock Avenue to the west, and the Raritan Valley railroad tracks as the southerly boundary. There is also a linear row of industrial buildings along the rear of property. The open space coverage present is minimal. A water tower is present at the rear of the property.

Satisfies LRHL Criteria:

• Criteria "D": Deterioration present on the exterior of the

building. Some of the windows are broken or completely open with glass missing. Loading in rear which can be accessed via Clinton Avenue; however, trucks must travel though the rear of Lot 1 to access this loading area. There are other loading areas with gate access directly onto West Front Street. These loading areas are within a 0' front yard building setback, which can cause dangerous conditions for pedestrians and motorists alike. Overall, the lot has challenging access due to the vast building on the site. Lastly, the lot contains excessive land coverage as it is nearly completely impervious with building covering essentially the entire property, which can contribute to stormwater management issues and runoff onto adjacent properties. Cumulatively, these site conditions are detrimental to the public health, safety and general welfare of the community.

• **Criteria "G"**: The lot is located within the City's Urban Enterprise Zone boundaries.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 210, Lot 2 should be designated as an "area in need of redevelopment."

1659-1665 WEST FRONT STREET (BLOCK 210, LOT 3) PROPERTY EVALUATION

Owner: 16 Rock LLC

Property Characteristics:

This property has an area of approximately 9,045 square feet. It is a corner lot with street frontages along West Front Street to the north and Rock Avenue to the west. Additionally, the property is bounded by Raritan Valley Line railroad tracks to the south. The property is classified as vacant, according to MOD-IV tax records.

Site Analysis:

Although the property is inactive and unoccupied, there are existing site improvements present, which consist of a chain-link fence with barbed wire, rear yard retaining wall, and a small onestory brick building. A large portion of the site is covered with asphalt, painted with parking space lines and directional arrows. Based on these site improvements, it appears the property was formerly used as a used car dealership. Two curb cuts are present along West Front Street and another along Rock Avenue.

Satisfies LRHL Criteria:

• Criteria "B": The site is no longer tenanted by former used car dealership and has remained in this state for more than two consecutive years.

• Criteria "D": The site is essentially covered with impervious

surfaces. This can lead to negative impact such stormwater management, runoff onto adjacent properties, and contributing to the heat island effect. The barbed wire fence is prohibited in the City and can be perilous to pedestrians passing by. The site improvements are obsolete as the site has not been used as a used automobile sales establishment for numerous years. The ongoing vacancy of the property is problematic to adjacent property owners as it detracts their value. It is an eyesore as it is a gap in the buildup, industrial character of West Front Street. To that end, this dilapidation is detrimental to the public health, safety and general welfare of the community.

• **Criteria** "G": The lot is located within the City's Urban Enterprise Zone boundaries.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 210, Lot 3 should be designated as an "area in need of redevelopment."

109-115 ROCK AVENUE (BLOCK 210, LOT 4.01) PROPERTY EVALUATION

Owner: BE Holdings LLC

Property Characteristics:

This irregularly-shaped property has an area of approximately 38,500 square feet. Because of its unique configuration, the lot has street frontages along West Front Street to the north and Rock Avenue to the west. Additionally, the property is bounded by Raritan Valley Line railroad tracks to the south. A building on the property was constructed in 1940, according to MOD-IV tax records. The site is currently used as a used car sales establishment.

Site Analysis:

A chain-link fence surrounds the perimeter of the property. Vegetation was overgrown throughout the property. Along the property's Rock Avenue frontage, a building is present. A chainlink gate spans the entire curb cut along this street frontage.

Satisfies LRHL Criteria:

• Criteria "D": Vehicles stored on the site are parked and arranged in a haphazard fashion. Necessary infrastructure is missing, including a consistent paved surface and directional arrows displaying a clear circulation pattern. This can create conflicts among motorists and pedestrians. A portion of the site, particularly at its southwestern corner, is in need of maintenance as

there is overgrown vegetation present. The commercial building on the property contains rust and vegetation. Lastly, the lack of property maintenance is also evident from the delinquent tax payments, which demonstrates the property owner's disregard for the lot. Overall, these conditions are detrimental to public health, safety and general welfare of the community.

• **Criteria "G"**: The lot is located within the City's Urban Enterprise Zone boundaries.

Recommendation:

Based on these existing conditions and satisfied LRHL criteria, Block 210, Lot 4.01 should be designated as an "area in need of redevelopment."

4.3. Findings

Based upon the analysis of existing conditions within the Study Area, it can be concluded that the Blocks and Lots summarized in Table 4 below (collectively the "Applicable Study Area") all meet several of the LRHL statutory criteria. Accordingly, it is suggested that the Plainfield Planning Board recommend that the City Council designate the Applicable Study Area as a Non-Condemnation Redevelopment Area based on the findings below, which are also summarized in Table 4 and displayed on Map 5:

Area In Need of Redevelopment Criteria

A: Criteria "A" applies to Block 137, Lot 1. The buildings on this property are dilapidated to the point that they are no longer conductive for safe working conditions.

B: Criteria "B" applies to Block 137, Lot 2 and Block 210, Lot 2. Both commercial properties have been vacant for over two consecutive years.

C: Criteria "C" applies to Block 116, Lots 1,7 and 11; Block 118, Lot 2; Block 131, Lots 14 and 15; Block 138, Lot 1 and 7.01; Block 148, Lot 6; Block 152, Lot 5; and Block 153, Lot 3. This property has been vacant for over 10 years. These properties have either been vacant for over 10 consecutive years or are owned by the City. Due to varying physical conditions and site constraints, they are not likely to be redeveloped through the instrumentality of private capital

D: Criteria "D" applies to Block 116, Lot 12; Block 117, Lots 1.01, and 1.03; Block 118, Lot 3; Block 126, Lot 2.01; Block 131, Lots 17, 18 and 19; Block 137, Lots 1, 2, 3, 4, and 5; Block 138, Lot 2.01

and 3; Block 152, Lot 1 and 6; Block 153, Lots 3 and 4; Block 154, Lot 1; Block 202, Lots 1.1, 1.2, and 1.02; and Block 210, Lots 1, 2, 3, and 4.01.

Generally, these lots have deteriorating building and site conditions, faulty arrangements, and obsolete layouts that are detrimental to the public health, safety and general welfare of the community.

E: Criteria "E" applies to Block 153, Lots 2, 3 and 4. All three properties are partially lots in the Township of Piscataway.

F: Criteria "F" does not apply to the Study Area.

G: Criteria "G" applies to Block 116, Lot 13; Block 117, Lots 1.01, 1.02, 1.03 and 2; Block 137, Lots 1, 2, 3, 4, and 5; Block 152, Lot 24, 25, and 26; Block 153, Lots 1 and 2; Block 154, Lot 1; Block 202, Lots 1.1, 1.2, and 1.02; and Block 210, Lots 1, 2, 3, and 4.01. These properties are located within the City's Urban Enterprise Zone, as designated by the New Jersey Department of Community Affairs. Criteria G states "In municipalities in which an enterprise zone has been designated pursuant to the NJ Enterprise Zones Act, P.L. 1983, c.303 (c.52:37H-60et. seq.) the actions prescribed in that act for the adoption by the municipality and approval by the New Jersey Urban Enterprise Zone Authority of the zone development plan for the area of the enterprise zone shall be considered sufficient for the determination that the area is in need of development. Although Block 116, Lot 13 is located within the Urban Enterprise Zone, it is not recommended that this property become designated as an "area in need of redevelopment."

H: Criteria "H" does not apply to the Study Area.

Section 3: Section 3 applies to Block 116, Lots 8, 9, 10, 12, and 13; Block 117, Lots 1.02 and 2; Block 131, Lots 16.01 and 16.02; Block 152, Lots 3, 4, 7, 24, 25, and 26; and Block 153, Lot 1, . Although these parcels cannot be considered blighted on their own existing conditions, it is necessary to include these lots within the overall "area in need of redevelopment" as they are critical in land assemblage for redevelopment to occur effectively.

Multiple parcels within the Study Area have previously been designated as an "area in need of redevelopment." These lots consist of:

• Block 119, Lots 1, 2 and 19.01. These properties were designated in the South Second Street Youth Center Area in Need of Redevelopment Investigation, which was adopted by City Council on August 10, 2020.

• Block 138, Lots 1, 2.01, and 7.01; and Block 153, Lot 3. These lots were designated in the "Citywide In Need of Redevelopment Study of City-Owned, Foreclosure and Bankrupt Properties", which was adopted by City Council on September 13, 1999.

Therefore, since these properties have been designated, they will not be designated as part of this study.

Map 5: Designation Map

5.0 CONCLUSION

The foregoing investigation report has been prepared to determine whether properties along the study area meet the statutory criteria for designating an "Area in Need of Redevelopment" pursuant to the Local Redevelopment and Housing Law, P.L. 1992, Chapter 79 ("LRHL"). The Applicable Study Area demonstrates vacancy; faulty arrangement and design; excessive land coverage; underutilization; and obsolete layout in addition to opportunities for new and appropriate development. Additionally, Block 116, Lot 13; Block 117, Lots 1.01, 1.02, 1.03 and 2; Block 137, Lots 1, 2, 3, 4, and 5; Block154, Lot 1; Block 202, Lots 1.1, 1.2, and 1.02; and Block 210, Lots 1, 2, 3, and 4.01 are located within the City's Urban Enterprise Zone. The existing conditions do not support the development goals and objectives of the Master Plan and the existing zoning designations for the Applicable Study Area.

For the reasons articulated in Sections 2.6 and 4.0 of this report, it is recommended that the City Council and Planning Board take the action necessary as prescribed by the LRHL to designate the following properties as a Non-Condemnation Redevelopment Area:

- Block 116, Lots 7, 8, 9, 10, 11, 12 and 13;
- Block 117, Lots 1.01 & C0001, 1.02, 1.03 and 2;
- Block 131, Lots 14, 15, 16.01, 16.02, 17, 18, and 19;
- Block 137, Lots 1, 2, 3, 4 and 5;
- Block 138, Lot 3;
- Block 152, Lots 1, 2, 3, 4, 5, 6, 7, 24, 25, and 26;
- Block 153, Lots 1, 2, 3 and 4;
- Block 154, Lot 1;
- Block 202, Lots 1.1, 1.2, and 1.02; and

• Block 210, Lots 1, 2, 3, and 4.01.

Once designated as a Non-Condemnation Redevelopment Area, a redevelopment plan can be prepared and implemented to ensure its proper utilization and development.

Existing Zoning Regulations: Moderate Density Residential (R-4), Neighborhood Commercial (NC), and Light Industrial (LI)

Moderate Density Residential (R-4)

As shown on Map 3, the Study Area parcels are located within the R-4 Moderate Density Residential District. As noted in the City's Land Use Ordinance, the R-4 District is "designed for single-family and two-family development at a density not to exceed 5.8 dwelling units per acre for single-family dwelling units and 8.7 dwelling units per acre for two-family dwelling units. This district permits single-family dwellings; two-family dwellings; and community residences (as per N.J.S.A. 40:55D-66.1).

WHEREAS, the redevelopment area determination requested hereunder, in connection with the Study Area authorizes City Council to use all those powers provided by the LRHL for use in a redevelopment area except the power of eminent domain; (hereinafter referred to as a **Non-Condemnation Redevelopment Area**,) and

WHEREAS, the City Council therefore authorizes and directs the Planning Board to conduct a preliminary investigation of the Study Area and to make recommendations to the City Council all in accordance with the LRHL,

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Plainfield, New Jersey as follows:

1. The foregoing recitals are incorporated herein as if set forth in full.

- 2. The Planning Board is hereby authorized and directed to conduct an investigation, pursuant to the LRHL to determine if the Study Area satisfies the criteria set forth in the LRHL and should be designated a "Noncondemnation Redevelopment Area."
- 3. As part of its investigation, the Planning Board shall prepare a map showing the boundaries of the Study Area and the location of the parcel contained therein and appended thereto shall be a statement setting forth the basis of investigation.
- 4. The Planning Board shall conduct a public hearing in accordance with the LRHL, after giving due notice of the proposed boundaries of the Study Area and the date of the hearing to any persons who are interested in or would be affected by a determination that the Study Area shall be an area in need of redevelopment.
- 5. At the public hearing, the Planning Board shall hear from all persons who are interested in or would be affected by a determination that the Study Area is an area in need of redevelopment and evidence in support of those objection shall be received and considered by the Planning Board and shall be made part of the public record.
- 6. After conducting its investigation, preparing a map of the Study Area and conducting a public hearing at which all objections to the proposed designation are received and considered, the Planning Board shall make a recommendation to the City Council as to whether the City Council should designate all or a portion of the Study Area as a Noncondemnation Redevelopment Area.
- 7. If the Planning Board recommends that all or a portion of the Study Area be designated as a Noncondemnation Redevelopment Area, the Planning Board shall commence with the preparation of the redevelopment plan without need of further action by the City Council.
- 8. If any part of this resolution shall be deemed invalid, such parts shall be severed and the invalidity thereby shall not affect the remaining parts of this Resolution.
- 9. A copy of this resolution shall be filed in the Office of the City Clerk.

CITY OF PLAINFIELD

R 295-20

RESOLUTION REFERRING THE PREVIOUSLY ADOPTED AND AMENDED REDEVELOPMENT PLAN FOR 197 CITY OWNED, IN FORECLOSURE AND BANKRUPT PROPERTIES TO THE PLANNING BOARD FOR A SEVENTH ASSESSMENT AND RECOMMENDATION OF ADDITIONAL PLAN AMENDMENTS PURSUANT TO N.J.S.A. 40A:12A FOR 228-236 EAST NINTH STREET /BLOCK 824, LOTS 24, 25 AND 26 AS SHOWN ON CITY TAX MAP SHEET 88

WHEREAS, the Local Redevelopment and Housing Law, N.J.S.A. 40A:12A-1 et seq., (as may be amended and supplemented, the "Redevelopment Law") authorizes municipalities to determine whether certain parcels of land within the municipality constitute an area in need of redevelopment; and

WHEREAS, to make such a determination under the Redevelopment Law, the municipal council of the City of Plainfield (the "City Council") must first authorize the Plainfield Planning Board (the "Planning Board") to conduct a preliminary investigation of the area and make recommendations to the City Council; and

WHEREAS, the City Council believes it is in the best interest of the City of Plainfield (the "City") that an investigation occur with respect to Block 824, Lot 25, commonly known as 234 E 9th Street (the "Lot 25") and therefore authorizes and directs the Planning Board to conduct an investigation of Lot 25, Along with all streets and rights of way appurtenant thereto (collectively, the "Study Area") to determine whether the Study Area meets the criteria set forth in the Redevelopment Law, specifically N.J.S.A. 40A:12A-5 and should be designated as an area in need of redevelopment; and

WHEREAS, the redevelopment area determination requested hereunder, in connection with the Study Area authorizes City Council to use all those powers provided by the Redevelopment Law for use in a redevelopment area except the power of eminent domain (hereinafter referred to as a "Non-Condemnation Redevelopment Area"); and

WHEREAS, the City Council therefore authorizes and directs the Planning Board to conduct a preliminary investigation of the Study Area and to make recommendations to the City Council all in accordance with the Redevelopment Law; and

WHEREAS, the Redevelopment Law also authorizes the governing body to adopt by ordinance a redevelopment plan and amendments to those plans for areas in need of redevelopment; and

WHEREAS, on December 6, 1999, the City Council approved Ordinance MC 1999-20 adopting a redevelopment plan entitled "Redevelopment Plan for 197 City Owned, In Foreclosure and Bankrupt Properties" (the "Original 197 Redevelopment Plan"); and

WHEREAS, in 2001, 2004, and 2010, 2016, 2019 and 2020 the City Council amended the Original 197 Redevelopment Plan six times via Ordinances MC 2001-18, MC 2004-16, MC 2010-36, MC 206-07, MC 2019-28 and MC 2020-1, respectively (the "Redevelopment Plan"); and

WHEREAS, the City now desires to review the Redevelopment Plan as it specifically relates to the potential inclusion of the Study Area, along with additional revisions relating to Block 824, Lots 24, 25 and 26; and

NOW THERFORE BE IT RESOLVED, by the City Council of the City of Plainfield, New Jersey as follows:

- 1. The foregoing recitals are incorporated herein as if set forth in full.
- 2. The Planning Board is hereby authorized and directed to conduct an investigation, pursuant to the Redevelopment Law to determine whether the Study Area satisfies the criteria set forth in the Redevelopment Law to be designated as a "Noncondemnation Redevelopment Area." As part of its investigation, the Planning Board shall prepare a map showing the boundary of the Study Area.
- 3. The Planning Board shall conduct a public hearing after giving due notice of the proposed boundary of the Study Area and the date of the hearing to any persons who are interested in or would be affected by a determination that the Study Area is a Noncondemnation Redevelopment Area.

- 4. After conducting its investigation, preparing a map of the proposed redevelopment area and conducting a public hearing at which all objections to the designation are received and considered, the Planning Board shall make a recommendation to the City Council as to whether the City should designate the Study Area as a Noncondemnation Redevelopment Area.
- 5. The Planning Board is hereby authorized to review the Redevelopment Plan as it specifically relates to the potential inclusion of the Study Area, along with additional revisions relating to Block 824, Lots 24, 25 and 26 pursuant to the Redevelopment Law. After its review, the Planning Board shall make a recommendation to the City Council with regard to any revisions to the Redevelopment Plan.
- 6. In the event the Planning Board determines that an amendment to the Redevelopment Plan is appropriate, the Planning Board is hereby authorized and directed to prepare an amended redevelopment plan without need of further action by the City Council.
- 7. If any part of this Resolution shall be deemed invalid, such parts shall be severed and the invalidity thereby shall not affect the remaining parts of this Resolution.
- 8. A copy of this Resolution shall be filed in the office of the City Clerk.
- 9. This Resolution shall take effect immediately.
