SWIMMING POOL AGREEMENT

OWNER _____

ADDRESS _____

TYPE OF POOL In-ground Above Ground

As owner in fee of the property listed on this agreement, I recognize the serious safety issues associated with swimming pool ownership. I agree to fully comply with the following requirements:

1. To comply with all of the latest adopted State of Connecticut Building codes, included but not limited to the following:
 - Safety barriers, gates, fences, etc.
 - Most current Connecticut amendments and errata.
 - National Electric Code requirements for bonding, grounding, lighting, feeders, and branch circuits.
 - International Energy Code requirements for pool heaters, time clocks, and pumps.
2. I swear and attest that I will install as required by Connecticut Public Act 99-140 a **POOL ALARM** as a condition to receiving a building permit. A pool alarm is defined as a device that will emit a sound of at least 50 decibels when an object weighing at least 15 pounds enters the pool.
3. To provide a temporary barrier to prevent access to the pool during construction.
4. To not use my pool until an inspection is called for and a final Certificate of Completion has been issued by the Town of Plainfield Building Department.
5. To keep my pool barrier in compliance with applicable Connecticut State Building codes and General Statute requirement. Any repairs, replacements or modifications to my pool barrier, gates, fences, or alarms shall be done through a building permit and inspected.

I have read, understood, and agree to the above listed requirements of pool ownership.
