### How to Locate a Map:

- From the results, you may organize by Party, Type, Book-Page, or Date
- To browse through the different Map Books, use the chart index below to find the abbreviation, then put an asterisk (\*) after
  - This will generate all maps assigned to that book
  - *example:* To find all maps in Drawer 6, type "DR6\*" in the Instrument # box

Map Book Referenced	Abbreviation	# of Maps	Years	Notes
Drawer 6	DR6	DR6 1-249	1972-1985	*Drawer 6 has been referenced as "Volume 1" as well as a numerical number
Drawer A through J & K	DRA	DRA 1-43	1943-1984	
	DRB	DRB 44-63	1963-1969
