

41.

**ORDINANCE
AMENDMENT TO SEWER ORDINANCE CONCERNING
BENDS AND TEES**

BOOK G

July 10, 1973

Article III, Section 13 provides that where building sewers must be installed with ninety degree bends or tees, such bends or tees must be so located so as to afford facilities for hydraulic and pneumatic testing and maintenance of the entire sewer system.

(a) Amnds Art. III, Section 13, Ord. #24.
