New Business

1. **Discuss and act on the proposals for refurbishing the Plainfield Memorial Tank.**

Kevin stated he received data to refurbish the tanks from Mystic Air and DEEP. Very few lead abatements are done outside and not many companies who do this kind of work. He spoke with the mayor from New Milford who did the same type of search and they had a hard time finding a company to do the work.

He received proposals from companies. One was a chemical company from Hartford, they did two test samples. The others are sandblasting companies. Kevin is asking to bypass the procurement policy. There will be line-item transfers to offset the cost.

Ramco (test samples) $29,674
Yankee Fiber Control $48,600
Allstate $28,000
PTG (sandblasting) $11,650

Allstate and PTG worked together on this project. Mystic Air was there during the sandblasting process.

Art motioned to bypass the procurement policy and utilize the money allocated for Allstate Sandblasting and PTG Media Blasting, Kevin seconded. All in favor, motion passed.

On Saturday, May 29,2021, there will be ceremonies at Moosup Memorial Park at 10am, Plainfield Memorial Park at 11:30 and refreshments to follow at 12:30.
