

PUBLIC MEETING NOTICE

The Town of Plainfield will conduct a Public Information Meeting concerning the proposed **Replacement of Bridge No. 108008 carrying Dow Road over Lathrop Brook** in the Town of Plainfield on **Wednesday, September 6**. The meeting will be held in the Town Hall Auditorium at 8 Community Ave, Plainfield, CT 06374. A Question and Answer session will immediately follow the presentation.

The meeting will begin at 7:00 p.m.

The project is identified as Local Bridge Program Project No. L108-001.

The proposed replacement is expected to be accomplished in one construction season utilizing a closed road detour. Temporary easements for construction associated with the bridge and roadway and permanent takes to keep the existing foundations within Town right-of-way are proposed.

Construction is anticipated to begin in spring 2024 based on the availability of funding, acquisition of rights-of-way and approval of permits.

The public informational meeting is being held to provide the public and local community the opportunity to offer comments or ask questions regarding the proposed project.
