Subject: Shooting Investigation

The Platte County Sheriff's Office is currently investigating a shooting that occurred on July 8, 2023, in the 2500 block of Vivion Road in Northmoor, Missouri, at the Vivion West Shopping Center. At approximately 5:20 p.m., members of the Riverside Police Department and the Platte County Sheriff's Office responded to a shooting at a restaurant. A 24-year-old female employee of the restaurant had been injured after a single shot had been fired.

Preliminary investigation reveals that a fight broke out over a food order which resulted in employees of the restaurant being assaulted. As employees attempted to remove the involved individuals from the restaurant a single shot was fired from a handgun striking an employee in the foot. The injured employee was transported to an area hospital with non-life-threatening injuries. Investigators are currently speaking with a 29-year-old female and a 21-year-old female who are possible suspects. The Sheriff's Office does not believe there is currently any danger to the public.

Sheriff Mark Owen stated, "We never want to see this type of senseless behavior occur. Thankfully no one lost their life in this incident. Once again, the willingness of our citizens to

come forward as witnesses and the cooperation between our law enforcement agencies has allowed us to conduct a thorough investigation and quickly apprehend suspects.”

The Sheriff's Office wishes to thank the Riverside Police Department for their assistance with the investigation.
