Through a feature introduced in 2018, the Borough can help provide all garage sale addresses on a special interactive garage sale map via Google Maps that will not only list the sellers' addresses, but also some of the items each participant is selling.

Mayor Khairullah encourages residents and guests from neighboring municipalities to utilize the interactive map stating "The interactive map is a unique tool to assist shoppers looking for value in our community."

If the event must be moved to the rain date of Saturday, June 11, 2022, all participants will be notified by notices via CodeRED, posted on www.prospectpark.net and the official Facebook page at www.facebook.com/prospectparknj by 1:00PM on Friday, June 3rd.
