

Alphabetical Listing (1934-2034 Project)

*This is an alphabetical listing of Red Cliff members on the 1934 BIA Census and other Red Cliff members who were alive at the time the Red Cliff Constitution was adopted in 1935. Before submitting photos or stories using the numbers on this list, please cross-reference with the **Census/Enrollment # Listing** to ensure you have the correct person. Often, two members will have the same or similar names. Having an ancestor on this list does not guarantee descendants will be eligible for tribal enrollment. For Red Cliff's enrollment requirements, please consult the Red Cliff Constitution. There are people important to Red Cliff history who are not on this list (e.g. spouses of Red Cliff members, people who died before 1934, etc.).*

*If you wish to submit information about one of them, or if you simply cannot find a person on the list, enter **9999** on the form. If you find mistakes or have suggestions to improve this list (preferred spellings, nicknames, etc.), please email them to*
