PROTECT WHAT'S IMPORTANT TO YOU!

- **Stay Home** - Stay at home as much as possible. Cancel events and avoid groups, gatherings, and play dates. Limit your trips to the essentials like buying groceries or getting tested if you need to.
- **Wear a Mask** - Wear a cloth face covering whenever you are indoors (other than at home). It's also a good idea to mask up outdoors if it is difficult to practice physical distancing.
- **Keep 6 Feet Apart** – Stay at least 6 feet away from others whenever you leave your home.
- **Wash Your Hands** - Wash your hands regularly for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol.
