MESSAGE TO OUR PATIENTS AND COMMUNITY

Red Cliff continues to stay the course following the phased roll out recommended by CDC. We are making progress within the priority tiers and are working through the 55-64 age group. We would love to have an unlimited supply, but unfortunately that is not the case. When we do receive shipment of some of our allocated vaccine dosage, we immediately schedule patients.

Until then, please continue to follow safe practices: wearing a mask, physical distancing, staying home if possible and keep your personal circle small. Thank you for your patience.
