Adolescents Ages 12 – 17 Eligible for Pfizer Vaccine!

The US Food and Drug Administration has expanded the emergency use authorization for Pfizer's COVID-19 vaccine to include people ages 12 to 15. The CDC's Advisory Committee on Immunization Practices (ACIP) has followed suit with their approval.

Red Cliff Health and Bayfield County have begun collaborating with the Bayfield School District to provide vaccines for ages 12-17. Information will be forthcoming from the school to parents with students in this age group.

Caretakers of the medicine, protectors of your health
