SAFETY TIPS FOR EVENTS AND GATHERING -

Prepare before you go-

- Check with the organizer or event venue for updated information about any COVID-19 safety guidelines and if they have steps in place to prevent the spread of the virus.
- Prioritize attending outdoor activities and stay within your local area as much as possible.

Use social distancing and limit physical contact-

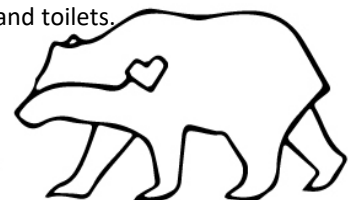

- Select seating based on the ability to keep 6 feet of space from people who don't live in your household.
- Arrive to the event early or at off-peak times to avoid crowding and congested areas.
- Avoid using restroom facilities or concession areas at high traffic times,

Wear masks-

- Wear a mask when interacting with other people to minimize the risk of transmitting the virus.

Limit contact with commonly touched surfaces or shared items

- Avoid any self-serve food or drink options, such as buffets, salad bars, and condiment or drink stations.
- Use disposable food service items including utensils and dishes, if available.
- Wash your hands with soap and water for at least 20 seconds or use hand sanitizer immediately before eating food or after touching any common surfaces like hand railings, payment kiosks, door handles, and toilets.

Caretakers of the medicine, protectors of your health
