Red Cliff Community Notice

Vaccinations Encouraged and CDC Mask Guidance Updated as Case Activity Grows

The Delta variant is highly infectious and is spreading more quickly than any other strain of the SARS-CoV-2 virus, the virus that causes COVID-19. Due to the recent spike in cases, Bayfield County has been identified as an area of substantial transmission (this includes more than half of all US counties).

Effective immediately, Red Cliff Public Health recommends that ALL persons, whether vaccinated or not, wear a mask when in public indoor spaces including hallways, restrooms, meeting rooms, and when interacting with others that are not from your household.

From January 1, 2021 through July 22, 2021, over 98 percent of COVID-19 cases in Wisconsin occurred among people who were not fully vaccinated. **The best way to protect yourself, your family, and your community from COVID-19 and the Delta variant is to get vaccinated.**

Please call the Red Cliff Health Center at (715)779-3707 ext. 2261 if you are interested in receiving a Covid-19 vaccine.

Caretakers of the medicine, protectors of your health
