Quarantine: 32

Active Monitoring: 32 (10 positives/22 Close Contacts)

The Red Cliff Community Health Center reports one (1) new case of Covid-19 today.

Quarantine – Do Your Part!

If you live in the Red Cliff jurisdiction and test positive for Covid-19 or are determined to be a close contact, you will receive quarantine orders from Red Cliff Public Health. Below are your responsibilities to protect our community during quarantine:

- ❖ Take your temperature two-times per day and watch for COVID-19 symptoms.
- ❖ Stay in touch with your assigned contact tracer as directed. You must report you or your child's symptoms every day. The assigned contact tracer can help you set up the best system for reporting. **In the event, we do not receive your monitoring information, we will initiate a wellness check through the 911 emergency system to your designated address.**
- ❖ Stay home, or other quarantine location approved during your quarantine period. You may leave your quarantine location to seek medical care.
- ❖ Do not go to bars, restaurants, shopping centers, theaters, church, or any public places.
- ❖ Do not go to your school or workplace (telework is permitted).
- ❖ Do not use public transportation or ride services (bus, cab, uber, train, plane)
- ❖ **10-day follow-up test prior to being released from quarantine.**

Caretakers of the medicine, protectors of your health
