The Red Cliff Community Health Center reports NO new cases of Covid-19 today.

OUTDOORS IS A BETTER CHOICE -

Why Outside is a Safer Choice

COVID-19 spreads more easily indoors than outdoors. Studies show that people are more likely to be exposed to COVID-19 when they are closer than 6 feet apart from others for longer periods of time.

You are **more likely to be exposed** to COVID-19 when you

- Attend crowded, poorly ventilated indoor events
- Have close contact with infected people at home

You are **less likely to be exposed** to COVID-19 when you

- Attend outdoor activities
- Stay at least 6 feet apart
- Limit the amount of time spent with people who don't live with you

Caretakers of the medicine, protectors of your health
