What is a "close contact"?

You are a close contact if any of the following situations happened while you spent time with a person with COVID-19, even if they didn't have symptoms:

- You were within 6 feet of a person who had COVID-19 for a total of 15 minutes or more over a 24-hour period.
- You had direct exposure to respiratory secretions (for example, being coughed or sneezed on, sharing a drinking glass, utensils, towels or other personal items).
- You had direct physical contact with the person (for example, a hug, kiss, or handshake).
- You care for or live with a person who has COVID-19.
- You stayed overnight with them for at least one night in the same household.
