June 21, 2022

Total Tested RCCHC: 5,310 (+4)  
Total Positive Tests: 594 (+1)/5 Active, 586 Recovered, 3 Death  
Total Close Contacts: 6

Red Cliff Community Health Center reports ONE (1) new cases of Covid-19 today.

### **CDC RECOMMENDS COVID VACCINES FOR CHILDREN AGES SIX MONTHS THROUGH FIVE YEARS.**

On June 18, 2022, CDC Director Rochelle P. Walensky, M.D., M.P.H., endorsed the Advisory Committee on Immunization Practices' (ACIP) recommendation that all children 6 months through 5 years of age should receive a COVID-19 vaccine. This expands eligibility for vaccination to nearly 20 million additional children and means that all Americans ages 6 months and older are now eligible for vaccination.

Parents and caregivers can now get their children 6 months through 5 years of age vaccinated with the Pfizer-BioNTech or Moderna vaccines to better protect them from COVID-19. All children, including children who have already had COVID-19, should get vaccinated.

**The Red Cliff Center is in the process of ordering vaccine and will notify the community when appointments can be scheduled.**
