Red Cliff Health Center Updated Masking Policy

Effective April 24, 2023, masking will be optional at the Red Cliff Community Health Center.

You may be asked to mask in certain situations and settings for your protection or the protection of others. **If you are coming in for care and have a recent COVID-19 exposure, cough, runny nose, sore throat, or fever, please mask.**

You may also request that staff wear masks when providing service. We understand some patients may be more vulnerable and/or feel uncomfortable without masking – please do not hesitate to request masking of any employee.

The Health Center continues to monitor Covid-19 and other respiratory illness in the community. Notification will be provided if any increase in illness results in reinstatement of safety measures.

As we roll back the Covid-19 measures, we want to say Chi-Miigwetch to the Tribal community and Tribal workforce for doing their part to keep our families and each other safe during the past three years.

Please contact RCCHC with any questions at 715-779-3707.

Caretakers of the medicine, protectors of your health
