### Red Cliff ARPA Funds Update

*As of December 22, 2021*

#### **General Assistance Direct Relief Program Update**

All submitted applications and payments have now been processed. Any remaining checks are now in the mail.

Tribal Administration understands that some members may have thought they submitted an application or submitted an incomplete application, only to find out it wasn't in the system. Some members also may have missed the announcements of the general assistance payment program. The Tribal Council will identify a process for those who missed the first round of payments to apply for general assistance. Again, this will be only for those members who missed the first round of assistance payments.

Administration encourages all members to stay in touch with Tribal news and announcements by viewing the weekly Miisaninawiind newsletter or by visiting the Tribe's website and social media pages. All important Tribal news, resources, assistance programs, and events are published through these outlets.

Chi Miiigwech for your patience as Administration works to ensure every Tribal Member receives their portion of this general assistance program. Happy holidays and stay safe!
