We will be working in conjunction with Shakopee for a press release to come out regarding this.

COMMENTS BY COUNCIL
Laura Gordon: She looks forward to serving the community and making the best decisions for the Tribe.

Jim Pete: Honored to be here today and the privilege to serve for two years. He served as a member in 1982-1984 and there have been many changes but also some things are the same. He was present when the ceremonial pipe was presented to Red Cliff. This pipe was smoked by Chief Buffalo and the President of the United States. Jim asked that the community hold him accountable and also the others. We have an opportunity for the new casino and what it means for the future. The challenge on the referendum shows that change is needed for the constitution and we need numbers to do that. People need to come back and vote on issues.

Jeanne Gordon: Thank everyone for being Secretary the past five years. We have a challenge and a lot of work ahead for the future. Thank you for your support and I will do the best for you in the next two years.

Marvin Defoe: Acknowledge the community, elders here, children and staff. His mom and dad taught him to speak from the heart, live by the principles you can’t go wrong. Rose indicated our announcement, I’ve seen the Council work together, communicate with each other. We had to talk to the community and tell Red Cliff’s story. Marvin is grateful to serve as Vice Chairman and for our friend Philip Gordon who has done a lot for this tribe. Look forward to the next couple of years. Thank the community for their support, those who supported me and each Council member. There will be a feast and gathering to talk about the pipe Chief Buffalo smoked with the President. Migwiitch.

Mike Gurnoe: Congratulations everyone, had a good Council this year, there’s excitement about the casino, housing with new project, and road construction. Congratulate everyone and know you will do your best.
