OLD BUSINESS

Drug Testing Policy; Employee Assistance Program
Jeanne Gordon asked Doug Defoe is this new policy would be incorporated into the old. Doug Defoe stated that the new policy would replace the old one. Krystle Topping asked Doug Defoe why we need a new one. Doug explained that the Tribe is looking to eliminate urine samples and go to hair follicle for testing. Jeanne Gordon asked why we couldn’t just change that wording in the policies. Nathan Gordon also mentioned that they should keep the old and just change a few of the words to the hair follicle testing.

Krystle Topping asked Doug Defoe about the EAP and if employees go voluntarily. Doug Defoe explained that the employee would be on a 120 day probationary period. Krystle Topping said she feels that this would be a punishment for the employee instead of an incentive to get that employee to participate.

Katy Gorman mentioned that employees can go get an EAP for anything. This is not just used for alcohol or drug use. Chairman Bainbridge mentioned that people can’t confuse EAP with the drug testing policy.

Chairman Bainbridge said that there is a lot of language that needs to be clarified in the policy. Dave Ujke said that he will help with the language.

Katy Gorman talked about the EAP and that an employee would receive 8 hours of work time to set up a plan to help the employee. These hours would only be granted to an employee if they are in the program.

Chairman Bainbridge would like to see the Housing and Legendary Waters adopt the same policies as the Tribe so that everyone is working together on this.

Krystle Topping asked about the cost of the hair follicle compared to the urine sample. Doug Defoe said that the cost of the urine sample is $17.00 per test and the hair follicle is $39.00 per test. Krystle Topping asked who would cover the charges for the testing. Doug Defoe stated that it would come out of the Human Resource budget.

Krystle Topping moved to Table the Drug Policy until the next meeting. Seconded by Jeanne Gordon. Opposed – 1 (Steven Boyd). Motion carried.
