Ernie Stevens came up and gave a little presentation on getting out there and Vote. He also presented the Council with Voting T-shirts.

Ernie shared his views on the importance of all people coming together. We must understand that even though we've taken some steps backwards, it's not about who we are / our race, it's about becoming a family and trying to understand each other so that we can move forward. We must fight against negativity and take the high road so that we can move forward together. We must band together and be leaders. Indian Country is in this fight against the pandemic for the long-haul and we must defeat that negative mentality.

Ernie present a check in the amount of \$1,000.00 to our Boys and Girls Club.
