Welcome to the Boys & Girls Club!

Boozhoo/Welcome!

We want to help provide this guide to club youth and their families as a way to give detail about programming during the month of June.

This guide will be providing details about the programs that you see on the June calendar. As always if there are any questions, please call the Club at 715-779-3722.

Miigwech/Thank you

-BGC Staff
**Ojibwemowin Adoopowin**
The Ojibwe Language Table will be hosted by THPO/Language Trainees. This will be a weekly one-hour sessions. To introduce Ojibwemowin back to the Club youth. This is open to all Club members; this program will be on Friday’s mostly from 3:30 to 4:30pm.

**Baaga’adowedaa/Let's Play Lacrosse**
This is traditional lacrosse, that is hosted between Bad River and Red Cliff Tribes. This will include traveling back and forth between the Tribes, every other week. This will be on Thursday’s for 10:30 to 12:30pm. Is this open to all Club members and will work on fundamental skills along with the teachings that come with this great game.

**Cyber Monday**
This is open to all Club members. Cyber Monday is different video game sessions that take place at the club which could be on Xbox, Switch or etc... This will include tournaments; team play and other video games.

**Ultimate Journey**
Ultimate Journey is one of BGCA's oldest and most successful STEM programs. Developed in partnership with the National Park Service, the curriculum features age-appropriate modules that introduce young people in 4th-8th grade (9- to 13-year-olds) to aspects of environmental stewardship. It includes fun, experiential, environmental education activities that cultivate an awareness and appreciation of the natural wonders that surround young people.

**Ikwezensag giikendaasowag**
This is a small-group health, fitness, prevention/education, and self-esteem enhancement program designed to meet the developmental needs of girls ages 8 to 10, 11 to 13 and 14 to 18. Through dynamic sessions, highly participatory activities, field trips and mentoring opportunities with adult women, Club girls explore their own and societal attitudes and values as they build skills for eating right, staying physically fit, getting good health care, and developing positive relationships with peers and adults.
**Garden Club**

Garden Club is open to all Club members. If you like getting your hands dirty, then this club is for you! You will work on growing healthy foods for the Club and community. Members will learn life skill on how to garden, and healthy eating habits while getting to be outside and exploring the world around them. Members will also get a chance to go to the Red Cliff Farm and help out and learn there as well.

**Money Matters “Make it Count”**

Money Matters “Make it Count” is Financial Literacy to help teens budget, save, invest, and plan for the future.

**Summer Brain Gain**

Summer Brain Gain is a dynamic module with fun themes are perfect for summer in the Club. Young people complete fun, hands-on activities as part of larger projects that spark their curiosity and encourage them to fall in love with learning. Youth have opportunities to explore their interests while building academic and social-emotional skills. Summer Brain Gain includes modules designed for elementary, middle, and high school students.

**Play Ball**

Play Ball will be a weekly skills development activity for baseball/softball. We at the club aim to promote health and wellness while developing baseball/softball skills.

**Basketball Practice**

Works of basketball fundamental skills. Two different age groups one being 8 to 13 and 14 to 18. Please bring a water bottle as club members will be tired after this.
Path to the Third Hill

Path to the Third Hill promotes and teaches responsibility to Club boys ages 8-17. Path to the Third Hill represents a targeted effort to engage young men in discussions activities that reinforce positive behavior and choices.
