Important to know:

- This is a pre-application only. We will use the information on this form to get a general idea of which home repair program you may be eligible for.
- If we think you may be eligible for a program, we will contact you and request that you submit a full application/supporting documents for that program. Program staff will review your application and will determine if you are eligible.
- Some programs provide assistance as a grant, while other offer forgivable loans. These loans do not require a monthly payment, but do involve a lien placed on the property. A Useful Life Agreement must be signed and is forgiven after the Affordability Period stated in the Useful Life Policy.
- We do not know which home repair programs will be available at any given time, what the eligibility requirements will be or how many households we will be able to assist. Staff will recreate a waiting list from these applications and work through them as be are able to.

I acknowledge that the information listed above is true and correct to the best of my knowledge.
