Native Community Day

The month of November for the Boys and Girl of Red Cliff took part in Native Heritage month. Throughout the month the Club had different activities for the youth to do that would honoring our heritage! At the end of November, the Club took part in a national event called “Native Community Day”. This day was a day for the youth and community to come to the club and celebrate together the heritage and the history of Red Cliff itself! We had many different activities and speakers come up the Club. RC Chief Warden Mark Duffy can up and talked about ricing, and how wild rice is import to the area, Mr. Richard talked about the language of the Red Cliff people and how youth need to hold onto it, it is part of who they are and who they will be! Damon played Makizin Game & Misty also played Bowl Game with the youth. Gena help create a few ribbon skirts, Jeremy was kind enough to bring a presentation on the wolfs of Red Cliff. We also had to Clinic up giving health tips to your youth, and GLIFWC Warden Soulier was able to bring furs up the Club. We had an amazing drum performance by Buffalo Bay. We had 35 youth that took part this year!

4 Pillars of the Boys and Girls Club of Gitchigami

Culture

Character Building

Healthy Lifestyles

Academic Success
