4 Pillars of the Boys and Girls Club of Gitchigami

- Culture
- Character Building
- Healthy Lifestyles
- Academic Success
On March 30th & 31st, 15 hardworking Bayfield School students ages 13 to 18 took a road trip down to Minneapolis, MN to watch a Minnesota Timberwolves game. These students were selected based on school attendance, work ethic via classes, and grades. These students went to the Mall of America and shopped for a little bit, then it was off to the hotel in downtown Minneapolis were youth were then able to order pizza from Pizza Luce’. They chowed down on their pizza till it was time to walk to the Target Center. It was a crisp walk to the game but when they got to the Center the fun had just begun! The group found their seats and enjoyed the Timberwolves take on the 76’s. Even though the Timberwolves didn’t come out with the victory the youth still had huge smiles on their faces, after the game it was a walk back to the hotel to wind down for the night. The following day they woke up ate breakfast at the hotel and headed back to Red Cliff.

A collaboration from Boys and Girls Club of Gitchigami, Red Cliff Family Domestic Violence, Red Cliff Family & Human Services, Bayfield School, Red Cliff Truancy Program, along with a ticket donation made this all possible for the youth to attend.

The Boys & Girls Club of Gitchigami wants to thank all that made this possible for the youth and would like to thank those that attend the game and we hope to have more of these chances down the road.
