

HOUSING NEWS

Red Cliff Chippewa Housing Authority News Brief 6/15/2020

Natural Insect Repellants

- Dust Mites—Mix clove, eucalyptus, lavender & peppermint oils in a spray bottle. Mist furniture & linens & allow to air dry.
- Scatter leftover coffee grounds around outside your home where you think small critters might be getting in. They can't stand the smell.

Leasing/Occupancy Reminders (ext. 3501)

- Renters Insurance—get coverage to protect your household goods! Insurance on the unit only covers the unit itself.
- Inoperable Vehicles—Please remove inoperable unlicensed vehicles from your yard—they are a danger & an environmental hazard.
- Lawn Mowers—Available for rent (\$10); includes a full tanks of gas.

Time to Remodel? (ext. 3516)

- ⇒ Budget & Calendar—how much of a project can you do? When do you want it completed by (project start & end times).
- ⇒ Can you live with the chaos or should you temporarily move out?
- ⇒ Do your research. Know what you can do yourself & what you need to hire a professional for. Price work & availability.
- ⇒ Prioritize—what work should be done first, second & so on.

"Nissia Basina was born & raised in Red Cliff. A Bayfield High School graduate, she married her high school sweetheart after a short stint at Bemidji University. During her husband's military career they moved several times; travel is now one of her favorite hobbies! She & her family have visited nearly every state and parts of Mexico. They have come back home to raise their 2 daughters, Allison (6) & Rylee (3) around family & cultural values.
