**Government Operations Closed Monday October 12 For Indigenous Peoples' Day**
Indigenous Peoples' Day

Indigenous Peoples' Day is celebrated on the second Monday in October each year, which falls on October 12, 2020. On this day we honor all past, present, and future Native people across the United States.
Attention Red Cliff Business Owners

Remember!

Red Cliff Tribal Code of Law, Chap. 16 requires:

- Businesses on Red Cliff Reservation have a valid permit to operate.
- Permits must be renewed each year by May 1st.
- Violations may result in a fine of $100 per day of operating without a valid permit.

Applications for business permits and renewals are available on the Red Cliff website under the “How Do I” tab.

Return permit applications to the legal department at the address or fax number listed on the bottom of the first page of the application.
Red Cliff Business Owners

You May Qualify For the Second Round of the "We're All In" Small Business Grants!

This program provides grants to Wisconsin small businesses to assist with any operating costs, including but not limited to wages and salaries, rent, mortgages, and inventory, and/or for health and safety improvements.

You must apply online at revenue.wi.gov starting at 8 a.m. on Monday, Oct. 19 and ending at 11:59 p.m. on Monday, Nov. 2. If you cannot apply online, you may request assistance by calling the Wisconsin Department of Revenue (DOR) at (608) 266-2772.

Seasonal businesses, sole proprietors, gig workers, independent contractors may apply.

Businesses that applied and received a grant through We're All In Small Business Grant Phase 1 program may still qualify for Phase 2.

Businesses that applied and were denied for a grant through We're all In Small Business Grant Phase 1 may still qualify for Phase 2.

Complete details and eligibility requirements are available at revenue.wi.gov/Pages/FAQS/SmallBusinessGrantProgram.aspx
Tribal IDs are now being issued by appointment only due to COVID-19.

Contact the Tribal Administration Building to set up an appointment. This will allow staff to properly clean between appointments.

Boozhoo!

We currently live in Lansing, Michigan and have been following all the efforts of the Red Cliff Community Health Center through your newsletters and communications. We are so thankful for everyone at the Red Cliff Community Health Center - working hard everyday to keep Red Cliff safe during the COVID-19 Pandemic. I currently serve on the board for Giitigan, the Anishinaabe community garden in Nkwejong (Lansing, MI), and this week we co-hosted a virtual pumpkin carving event with the Native American Institute at Michigan State University. I wanted to honor all of your hard work keeping Red Cliff healthy, and decided to carve my pumpkin with the Health Center Logo. I hope that you enjoy the design, and accept our thanks for everything that you do.

Chi Miigwech, and stay safe and healthy too!

Health & Wellness
COVID-19 is not the flu!

A message from Red Cliff Health Providers

If you think, “I am young and otherwise healthy, so I am not worried about getting Covid,” please think twice! Protecting yourself by wearing a mask, practicing social distancing, and maintaining good hygiene are not just important to protect your older family members, or those with underlying health conditions.

COVID-19 infection can cause serious disease in otherwise healthy teens or adults. Studies nationwide show a remarkably high percentage of people suffering from disabling symptoms and serious disease months after their acute COVID-19 infection. Sadly, the rates of prolonged symptoms are high even in people recovering from mild or moderate initial disease, as well as people who had no preexisting conditions.

Tens of thousands of people, across a spectrum of age from teens on up, are experiencing symptoms of extreme fatigue, shortness of breath, joint pains, chest pain, digestive problems, headaches and brain fog. Symptoms are lasting for months, and for many, the symptoms are incapacitating, preventing return to work or school.

This syndrome is referred to as “COVID-19 Long Haul Syndrome.” Chronic inflammation in lung, heart, neurologic, digestive, and/or musculoskeletal tissues is one possible cause. Exercise intolerance may be due to lung, cardiac, and/or muscle tissue damage, all documented in these patients. Because this is a new virus, we cannot predict what effect such damage will have on these patients for future health or length of life.

So please take this seriously! Protect yourself as well as your family and neighbors!

October 2020 NEWSLETTER

~Boozhoo from the Behavioral Health team~

We are excited to bring you news that you may find helpful. We hope to be able to provide information that you can use or share with others if you feel you are currently experiencing hard times, feeling down, or may not feel like you have anywhere to go.

Please use this newsletter as a resource for you to know you are NOT alone, and there are services that are here to help right in our own community!

During the month of October, we want to offer the community more information about the Behavioral Health Department!

October is Depression Awareness Month!

October is also Bullying Prevention Month and October 10th is World Mental Health Day!

It is estimated that one in 15 adults (6.7%) will experience depression in any given year and one in six people (16.6%) will suffer from depression at some point in their lifetime. As you can see, depression is more common than most people think. Like other diseases, people suffer depression through no fault of their own. There is no reason to be ashamed of behavioral health issues and every reason to seek help as soon as possible. Also, like other health challenges that may occur, it is a good idea to get screened for depression if you feel you may be at risk. Screening is available at Red Cliff Community Health Center, or you can go online to [www.mhuscreening.org](http://www.mhuscreening.org) or visit [www.HelpYourselfHelpOthers.org](http://www.HelpYourselfHelpOthers.org) to take an online screening.

Red Cliff Behavioral Health Department is dedicated to helping you in your recovery and can connect you to AODA & Behavioral Health services, Recovery Groups and Peer Support. Please call 715-779-3741 for more information.

Red Cliff Pharmacy

We are continuing to offer curbside pickup for your convenience and safety during this pandemic.

We are requesting all pharmacy pick ups be curbside unless you are already coming into the clinic for another reason.

Please request your refills like you always have but call the pharmacy at 715-779-3157 and schedule a pickup day/time to let us know your vehicle model and color.

There are signs outside the front of the clinic indicating where to park after you have made us aware you will be here.

If you are receiving a new medication or have any questions at all a pharmacist would like to talk to you. Please call us at 715-779-3157 and ask for a pharmacist.

Please continue to wash your hands with soap and water for at least 20 seconds, disinfect hard surfaces in your home and “Stay Safer at Home”.

If you are quarantined or unable to make it to the clinic, please let us know and we will help you to get your medication safely.

Red Cliff Food Shelf is open by appointment

The Red Cliff Food Shelf provides an assortment of food items to families in need.

Families may visit the Red Cliff Food Shelf once a month, receiving two to three days' worth of groceries.

This is meant to be emergency and supplemental food.

If you are interested in the Red Cliff Food Shelf, call the Red Cliff Family & Human Services office at 715-779-3706 and set up a time with one of our staff members (usually within 24 hours of call). Any of our staff here at the Family & Human Services office are willing to assist you and/or your family in this time of need.
take steps to improve your family’s health

Fit Families will identify health habits they want to improve for their child and/or family

Parents select 1 of 3 common health goals:

1. Make Every Bite Count...
   More Fruits and Vegetables!

2. Move More...Watch Less!

3. Make Every Sip Count...
   More Healthy Beverages!

- Your efforts to make health changes will be rewarded by incentives or prizes for your participation! Incentives will be given at enrollment, month 3, month 6, month 9, and month 12.

- A Fit Families Coach will provide monthly contacts by phone, email, or in person, to provide support as you make these lifestyle changes.

- You will also receive monthly newsletters.

The Fit Families Program is for families with children between 2-4 years of age.

New Childcare Center Update

Buildings for the new Childcare Center have arrived!

The center will offer a vital childcare option for Red Cliff and surrounding area residents.
Increased childcare and educational opportunities were major points of community feedback from our last tribal census, so the Tribe worked with LCO Ojibwe College to bring back the LCOOC outreach and have put a lot of efforts into this new childcare center,” said Red Cliff Vice-Chairman Nathan Gordon. “The Tribe is very happy to be breaking down another barrier for the community, and a team effort was key to making this happen.”

The new childcare center will be open to ages 0-7 and will operate under the Tribe’s Child Care Program in conjunction with the Red Cliff Early Childhood Center, which houses primarily Early Head Start and Head Start programs for ages 0-5.

“While choosing a daycare may be a heart-pounding option for many parents, there is clear evidence that children will benefit over the long term and now more parents in the community will have access to a viable care option,” said Child Care Coordinator Stephanie Schluneger. “In addition to the proven benefits for children, this new center will help provide working families with better job stability and overall economic security.”

The Early Childhood Center currently offers 82 slots for center-based programming, and any children aged 0-3 outside of those 82 slots are accepted into a home-based program. The new childcare facility will create 40 childcare-specific slots for those families in need. Both the Early Childhood Center and the new childcare facility will follow a similar model of lesson planning and child development tracking guidelines.

“It has been very rewarding to watch this project develop and to provide childcare as such an important service in this area,” said Jennifer Leask, ECC Administrator. “We are excited that the ECC and new childcare center will be working together, and it is important for the center to be more than just a day care. It will be a learning environment full of educational opportunities with a strong focus on social-emotional development.”

The Red Cliff Child Care Program is actively searching for qualified staff to work at the new center and plans to offer additional on-the-job mentorship training through the Head Start and Early Head Start programs.

“Our main priority is to employ individuals who have a true passion and love for children and teaching,” said Leask. “We want to find people who are willing to join our childcare family, and we are waiting with open arms to welcome the new childcare staff.”

Please contact Child Care Director Stephanie Schluneger at stephanie.schluneger@redcliff-nsn.gov with any questions.

Dairy Margin Coverage Program
Enrollment for 2021 Opens Oct. 13

Enhancements to Online Dairy Decision Tool Now Available

The U.S. Department of Agriculture (USDA) will begin accepting applications for the Dairy Margin Coverage (DMC) program on Tuesday, October 13, 2020 for 2021 enrollment.

“This year has been a market roller coaster for the dairy industry, and the Dairy Margin Coverage program is a valuable tool dairy producers can use to manage risk,” said Bill Northey, USDA’s
Under Secretary for Farm Production and Conservation, during a roundtable at a dairy in Chippewa Falls, Wisconsin. “We were excited to roll out this new and improved program through the 2018 Farm Bill, and if you haven’t enrolled in previous years, we highly encourage you to check it out.”

Signup runs through Dec. 11, 2020. DMC is a voluntary risk management program that offers protection to dairy producers when the difference between the all-milk price and the average feed price (the margin) falls below a certain dollar amount selected by the producer. DMC payments triggered for seven months in 2019 and three months so far in 2020. More than 23,000 operations enrolled in DMC in 2019, and more than 13,000 in 2020.

Updated Dairy Decision Tool

To determine the appropriate level of coverage for a specific dairy operation, producers can utilize the recently updated online dairy decision tool. The decision tool is designed to assist producers with calculating total premium costs and administrative fees associated with participation in DMC. An informational video is available, too.

Improvements to the decision tool, made in cooperation with representatives from the University of Minnesota and University of Wisconsin, include historical analysis that illustrates what DMC indemnity payments might have been had the program been available over the previous two decades. The analysis indicates that over the course of time, DMC payments made to producers exceed premiums paid. These decision tool enhancements provide a more comprehensive decision support experience for producers considering DMC.

Additional Support for Dairy Producers

In addition to DMC, USDA offers a variety of programs that have helped dairy producers, including insurance, disaster assistance, and conservation programs. Most recently, the Coronavirus Food Assistance Program 1 provided $1.75 billion in direct relief to dairy producers who faced price declines and additional marketing costs due to COVID-19 in early 2020. Now, signup is underway for the Coronavirus Food Assistance Program 2, which provides another round of assistance for dairy producers and many other eligible producers.
