# CITY COUNCIL MEETING MINUTES Richfield, Minnesota

## Regular Meeting

December 8, 2015

### CALL TO ORDER

The meeting was called to order by Mayor Goettel at 7:00 p.m. in the Council Chambers.

*Council Members Present:* Debbie Goettel, Mayor; Edwina Garcia, Tom Fitzhenry; Pat Elliott; and Michael Howard.

*Staff Present:* Steven L. Devich, City Manager; John Stark, Community Development Director; Jay Henthorne, Public Safety Director/Police Chief; Jim Topitzhofer, Recreation Services Director; Kristin Asher, Public Works Director; Pam Dmytrenko, Assistant City Manager/HR Manager; Chris Regis, Finance Manager; Jeff Pearson, City Engineer; Mary Tietjen, City Attorney; and Cheryl Krumholz, Executive Coordinator.

### OPEN FORUM

The following individuals expressed their concerns regarding the lack of Section 8 and Group Residential Housing resulting from the renovations and transition at Crossroads at Penn to Concierge Apartments:

Quaintance Clark, 7720 Penn Avenue, #30  
Donna Goodwin, 7720 Penn Avenue #C126  
Linda Lee Soderstrom, 7720 Penn Avenue, #C322  
Sue Watlov Phillips, Executive Director, MICAH  
Eric Herge, HOME Line  
Melissa Melnick, 7525 Oliver Avenue

City Manager Devich explained that through the City's efforts, Concierge has made several concessions regarding the changeover at Crossroads.

Community Development Director Stark stated that the Concierge owners would take ownership of the resource event inviting social service providers and housing advocates and the City would provide assistance. He provided an update on the outcome of discussions with the owners regarding accepting Section 8, GRH, and income-based requirements for tenants.

City Attorney Tietjen explained there are federal regulations and the City does not have legal authority to force property owners to accept Section 8.

City Manager Devich further explained that when a project does not include using public funds, the City has no authority because it is a private transaction.

Council Member Garcia stated a construction manager is a reasonable way to handle the project.

Mayor Goettel stated exploratory borings are cost effective.

Council Member Fitzhenry stated he would not support this project because it appears to continue to have issues.

Council Member Elliott stated he is against providing any additional City funding over what was already committed.

**ITEM FOR COUNCIL CONSIDERATION:**

**Consideration of the approval of a resolution modifying the Health Care Savings Plan for the Mayor and Council Members.**

**EXECUTIVE SUMMARY:**

A post-employment Health Care Savings Plan (HCSP), offered and administered by the Minnesota State Retirement System (MSRS) to eligible government employees, was established by the City Council for the Mayor and Council Members on March 28, 2006. Under the terms of the current plan, \$50 of the member's base biweekly wage is deposited into their HCSP. Since the establishment of the plan in March 2006, the plan has been modified once, in 2009, and plan terms may be changed once every two years.

The Mayor has requested that this item be brought before the Council for discussion and possible action to increase the biweekly contribution to \$75. If a majority of the City Council wishes to make an adjustment to the contribution formula, either by increasing the flat rate amount or allocating a percentage of biweekly salary, it can do so via the attached resolution. Any adjustment must be approved by a majority of the City Council and will be mandatory for all Council Members.

**RECOMMENDED ACTION:**

**By Motion: Adopt a resolution modifying the Health Care Savings Plan for the Mayor and Council Members.**

**BASIS OF RECOMMENDATION:**

**A. HISTORICAL CONTEXT**

In 2001 the Minnesota legislature granted authority to the Minnesota State Retirement System (MSRS) to offer a post employment health care savings plan to eligible employees of the State of Minnesota and other governmental subdivisions. MSRS was authorized to administer these plans after they were adopted by governmental subdivisions throughout the state.

A post employment health care savings plan (HCSP) is an employer-sponsored program that allows employees to save money to pay medical expenses and/or health insurance premiums after termination of public service. Employees are able to choose among different investment options provided by the State Board of Investment. Assets contributed into the program are tax-free, accumulate tax free, and if

used for medical expenses, remain tax-free.

Legal authority to establish such plans is provided through Minn. Stat. 352.98 and Internal Revenue Service rulings. The establishment of each plan, including the contribution formula, must be negotiated when dealing with a collective bargaining unit, or adopted as a personnel policy where non-union employees are involved. Once established, the plan must be filed with the MSRS to initiate the program and any subsequent changes must be filed with and implemented by the MSRS.

**B. POLICIES (resolutions, ordinances, regulations, statutes, etc):**

- The state statutes have been amended to provide the opportunity for a very valuable benefit to city employees. The City of Richfield has pursued this benefit with employee groups that are interested in such a mandatory plan.
- Approval by the City Council of the attached resolution will provide the City authority to proceed with this modified program for Richfield City Council members who are not represented by a collective bargaining unit.

**C. CRITICAL TIMING ISSUES:**

- There is no time critical issue pertaining to the implementation of this plan.
- After City Council approval, the modified plan must be submitted to MSRS for filing and implementation.
- Once the plan has been modified, no further changes can be made for two years.

**D. FINANCIAL IMPACT:**

- There is no cost to the City in this version of the plan since the City makes no contribution. In fact there is a cost savings to the City in that wages and severance pay that the employee contributes to the Health Care Savings plan are not subject to Social Security or Medicare contributions.
- The plan provides a great tax savings to the participating employees and provides a tax mechanism to fund post retirement/post employment medical costs.

**E. LEGAL CONSIDERATION:**

There is legal authority for this plan in Minnesota Statutes and IRS Code.

**ALTERNATIVE RECOMMENDATION(S):**

The City Council could decide not to approve any plan change. If so, the current plan would remain in effect.

**RESOLUTION NO.**

**RESOLUTION AMENDING THE CITY COUNCIL POST EMPLOYMENT HEALTH CARE SAVINGS PLAN**

**WHEREAS**, Laws of Minnesota 2001, chapter 352.98, authorizes the Minnesota State Retirement System (MSRS) to offer a Post Retirement Health Care Savings Plan (Plan) program to state employees, as well as other governmental subdivisions; and

**WHEREAS**, the Internal Revenue Service Code provides for such Plans; and

**WHEREAS**, the City of Richfield is interested in offering the Plan to eligible City employees as a tax free method for employees to set aside money to cover the ever increasing costs of health insurance and medical costs after termination of public employment; and

**WHEREAS**, such plans must be established by the employee group, either through a collective bargaining agreement for union employees or a personnel policy for employees not covered by a collective bargaining agreement; and

**WHEREAS**, modifications to the provisions of an established Plan for the Richfield City Council have been agreed to by the members of the City Council.

**NOW, THEREFORE, BE IT RESOLVED** that the City Council of the City of Richfield hereby approves amending the Personnel Policy establishing a Health Care Savings Plan for the City Council employees.

Adopted by the City Council of the City of Richfield, Minnesota this 26<sup>th</sup> day of January 2016.

**EXECUTIVE SUMMARY:**

The properties at 501 West 77th Street were redeveloped to construct two new auto dealerships. The construction included site improvements on both public and private property. **RECOMMENDED ACTION:**

**By Motion: Approve the Construction and Maintenance Agreement with Richfield-Bloomington Honda for the site at 501 West 77th Street.**

**BASIS OF RECOMMENDATION:**

**A. HISTORICAL CONTEXT**

- Harriet Avenue was vacated as part of the redevelopment and easements were created for public utilities within the private drive areas.
- The City required sump manholes to provide water quality treatment before storm water enters the City system. Sump manholes are designed to remove sand, gravel, and other particles from the storm water passing through the structure before making it's way to Wood Lake.
- The Agreement provides direction on the annual inspection and maintenance of the sump manhole as well as the utilities and public items within private property.

**B. POLICIES (resolutions, ordinances, regulations, statutes, etc):**

- The City requires a Construction and Maintenance Agreement for redevelopment projects containing boulevard improvements and/or sump manholes.

**C. CRITICAL TIMING ISSUES:**

- No critical timing issues are identified.

**D. FINANCIAL IMPACT:**

- The Agreement requires the property owner to reimburse the City for the costs of the sump manhole inspection, cleaning, and maintenance.
- Financial responsibilities of other items varies per the agreement.

**E. LEGAL CONSIDERATION:**

- The City Attorney was consulted during the negotiations of terms and has reviewed the agreement.
- The City Attorney will be available to answer questions.

**ALTERNATIVE RECOMMENDATION(S):**

- The Council may choose to not approve the drafted agreement and instruct staff on how to proceed.

The City shall be responsible for inspecting and cleaning the Sump Manholes at intervals of once every 12 months, and more often as requested by either party. If the estimated cost of such work exceeds \$7,500, the Developer shall have 15 days from the date the City notifies it of the nature of the needed work and the estimated cost to secure performance of the work by a third party. The City shall still have the authority to inspect and approve or reject the work, or to direct corrections to the work. All costs incurred by the City in performing those activities will be reimbursed by the Developer within thirty (30) days following the receipt of an invoice for such activities from the City.

4. Sump Manholes. Right of Access. The Developer grants to the City, its agents and employees, the right to enter onto the Property at reasonable times to conduct the inspections, cleanings, repairs, and replacements authorized by paragraphs 2 and 3 of this Agreement. At the request of the Developer, the area affected by this right of access shall be legally described and recorded as a supplemental agreement at the sole cost of the Developer.

5. Public Area Improvements . Construction, Installation, Maintenance, Repair and Replacement.

a. The parties agree to undertake the responsibilities for the construction, installation, maintenance, repair and replacement of the Public Area Improvements, and the intervals for the doing of such work are all as described in Exhibit C. Within thirty (30) days following the receipt of an invoice, the Developer will reimburse the City for all costs incurred by the City in performing those activities. The City will provide basic snow removal on the public sidewalks in the Public Areas. If the Developer desires additional removal or treatment, it may provide these services at its own expense. Any such additional removal is subject to the requirements of Paragraphs 6 and 8b. Sidewalk damage, or damage to adjacent areas, due to the use of heavy equipment, excessive salt/chemical, and/or any other damage caused by the Developer will be repaired by Developer at the Developer's cost, and such work is subject to the provisions of Paragraphs 6 and 8b, and the cure provisions contained in Paragraph 8c.

6. Public Area Improvements. Right of Access. Subject to compliance with any preconditions contained in the City Code, the City grants to the Developer, its agents and employees, the right to enter onto the Public Areas to perform the work required to be performed by the Developer pursuant to Paragraph 5 and Exhibit C. The Developer agrees that it will not interfere with the public use of the Public Areas. The Developer will notify the City and any other agency having jurisdiction over, or an interest in, the Public Areas or abutting streets and highways at least 48 hours in advance of any scheduled work. The Developer will comply with any requirements of the City, or other agencies, governing signage and other regulations governing work in the Public Areas, including, without limitation, obtaining any additional permits, licenses or approvals needed for the work.

7. Public Area Improvements. Ownership. Exhibit C designates the Public Area Improvements that are to be constructed by Developer and conveyed to the City following the City inspection of the work and notification to the Developer that it will accept conveyance. The conveyance shall be by bill of sale and will be warranted by Developer to be free and clear of any liens or encumbrances. Any warranties available as a result of construction of such Public Area Improvements will be assigned to the City, and, to the extent available, will be utilized to offset Developer's maintenance obligations hereunder.

8. Miscellaneous Provisions.

a. Maintenance, repair and replacement obligation. The party having the maintenance, repair or replacement obligation shall have the affirmative obligation of assuring the item to which the obligation attaches is always kept in good, safe, operable and presentable condition and shall be responsible for determining the present condition of the item on an ongoing basis. If the City

becomes aware of a condition of an item for which the Developer is responsible, it shall notify the Developer in writing whereupon the Developer shall promptly inspect, and as needed, maintain, repair or replace the item within 30 days of the date of such notification by the City.

b. Insurance, Indemnity. The Developer will, during the term of this Agreement, maintain coverages from insurance companies acceptable to the City, at levels acceptable to the City insuring against claims for injury, death or property damage caused by any activities conducted by Developer, its officers, agents or employees, within the Public Areas and the failure of Developer, as obligated hereunder, to properly maintain, repair, or replace Public Area Improvements.

The Developer also agrees to indemnify, hold harmless and defend the City, its officers, agents and employees, from any claims or causes of action occasioned by or arising out of the Developer's activities or failure to perform activities under this Agreement. The Developer's obligation shall not extend to claims that are the result of the negligence or the willful misconduct of the City, its officers, agents or employees.

c. Default. If either party defaults in any of its obligations hereunder, after notice of such default and failure to cure within 30 days following such notification, unless extended upon mutual agreement of the parties, the non-defaulting party may pursue whatever remedies are available to it in at law or in equity. The non-defaulting party may also terminate this Agreement following such notice and the failure to cure, except that the Developer's obligation to construct, repair, maintain and reconstruct the Sump Manhole shall survive such termination.

In addition to such remedies, if the Developer is the defaulting party, and the default relates to activities within the Public Areas, the City may, after such notice and cure period perform the work and recover the entire cost of such work against the Developer through a lien against the Property to be collected as a special assessment. The Developer agrees and stipulates that any such work will be for the betterment of the Property, and that the value of the Property will be increased by at least the cost of the work. The Developer for itself and its successors and assigns, waives any challenge to the amount of the assessment for such work, and waives its right to a hearing or to challenge the assessment. In addition to placing an assessment lien against the Property, the City may also seek to impose and collect a lien pursuant to Minnesota Statutes, Section 514.67.

d. Term. Unless earlier terminated as provided in Paragraph 10c above, this Agreement shall remain in full force and effect until terminated by the mutual written agreement of the parties.

e. Successors and Assigns. This Agreement shall be binding on and inure to the benefit of the parties hereto and their respective successors and assigns. Developer will secure the joinder or consent of any holders of liens or encumbrances on the Property and certifies and represents to the City that there are no liens or encumbrances affecting the Property for which consents or waivers have not been obtained.

f. Other Approvals. This Agreement shall not relieve Developer from the need to obtain all licenses, permits and approvals that are required by the City and other permitting and licensing authorities to allow for the development of the Property. Nor shall this Agreement be deemed a waiver of the City's discretion to grant any such licenses, permits or approvals. Additionally, no structure or improvement that is the subject of this Agreement may be constructed until any necessary land use approvals and variances have first been obtained.

g. No Interest in Land. Neither the provisions of this Agreement nor its recording among the land records shall be deemed to create any interest of the Developer in the Public Areas. This Agreement only gives the Developer the permission to occupy and utilize the Public Areas consistent with the provisions and limitations of this Agreement.

**ITEM FOR COUNCIL CONSIDERATION:**

**Consideration of the approval of a revision to Work Order No. 60 from Short Elliott Hendrickson, Inc. (SEH) for engineering services to design the City's sanitary and watermain utilities as part of the 66th Street Reconstruction Project between 16th Avenue and Xerxes Avenue.**

**EXECUTIVE SUMMARY:**

Short Elliott Hendrickson, Inc. (SEH), the consultant designing the City's sanitary and watermain utilities for the 66th Street Reconstruction Project, has requested a revision to their Work Order No. 60. The revision would increase the "not to exceed" contract amount by \$65,000, changing the total from \$180,000 to \$245,000.

Primary reasons for this increase in scope were unforeseen items, including:

1. Additional watermain modeling outside the original scope of work at the following locations:
  - o Woodlake Drive to Lyndale Avenue
  - o 1st to 16th Avenues
  - o 35W water main crossing operational redundancies
2. Preparation of cost alternatives for sanitary sewer improvements along the MCES corridor including:
  - o New City sewer main
  - o Open cut services
  - o Trenchless services
3. Additional agency coordination
  - o Bloomington concrete pipe watermain improvements that were not anticipated

Staff has discussed the increased costs with SEH and finds the proposed work order revision acceptable.

**RECOMMENDED ACTION:**

**By Motion: Approve the revision to Work Order No. 60 for SEH, Inc. to provide engineering services for the design of sanitary and watermain utilities as part of the 66th Street Reconstruction Project increasing the not to exceed amount by \$65,000, from \$180,000 to \$245,000.**

**BASIS OF RECOMMENDATION:**

**A. HISTORICAL CONTEXT**

66th Street Reconstruction

- Hennepin County was awarded the federal funds for the reconstruction of 66th Street from 16th Avenue to Xerxes Avenue and will be the lead agency for preliminary design, final design of the roadway elements, and construction.
- If the City desires to replace the underground utilities (sewer and water) the City is responsible for providing final design plans to Hennepin County.
- The Council approved the hiring of SEH to complete the city utility design for the 66th Street Project on May 13, 2014.
- The project is scheduled to start construction in 2017 and be substantially completed by the end of 2018.

**B. POLICIES (resolutions, ordinances, regulations, statutes, etc):**

- The reconstruction of 66th Street is identified in the City's Comprehensive Plan (Transportation).
- Council approval is required for revisions to expenditures over \$100,000.

**C. CRITICAL TIMING ISSUES:**

- The City needs to complete design and provide final plans for the utilities to Hennepin County by February 2016.

**D. FINANCIAL IMPACT:**

- There are project funds available to cover this work order increase.
- The anticipated funding source for reconstruction is Street Reconstruction Bonds.
- Alternatively or additionally, the work could be funded using Utility Funds.

**E. LEGAL CONSIDERATION:**

- The City Attorney will be available to answer questions.

**ALTERNATIVE RECOMMENDATION(S):**

- The Council may choose not to approve the revision to the work proposal at this time and direct staff on how to proceed.

**PRINCIPAL PARTIES EXPECTED AT MEETING:**

None anticipated.

RE: City of Richfield  
66th Utility Reconstruction  
SEH No. RICHF 128508 10.00 14.00

Jeff Pearson, PE  
City Engineer  
City of Richfield  
1901 East 66th Street  
Richfield, MN 55423-2599

Dear Mr. Pearson:

In accordance with paragraph 3.1 of the Agreement for Professional Services between the City of Richfield and Short Elliott Hendrickson, Inc. dated February 22, 2011, we respectfully request an increase to Work Order No. 60 of \$65,000 from \$180,000 to \$245,000.

As you can see from the attached earned value charts (EVC), we are tracking behind budget for the 66<sup>th</sup> Street Utility Reconstruction Project. The three lines represent the revenue limit (our budget, in blue), revenue spent (in red), and our opinion of the amount of the project that is complete (green) all projected along a time line from the end of May 2014 to the end of August 2016.

1. EVC labelled Exhibit A shows we are tracking behind budget by \$26,964 through the month of December 2015.
2. EVC labelled Exhibit B shows we are projecting our final engineering fee to be \$235,000 at the conclusion of August 2016.

Reasons for the additional \$65,000 were discussed at meeting on December 15, 2015 with Liz Finnegan and Robert Hintgen and are:

1. Our proposed not to exceed fee of \$180,000 reported in our April 30, 2014 proposal was based on a \$3.14M estimated reconstruction cost. Our current estimated reconstruction cost is near \$3.75M.
2. Water main modeling outside our scope of work at the following locations.
  - a. Woodlake Drive to Lyndale Avenue
  - b. 1<sup>st</sup> to 16<sup>th</sup> Avenues
  - c. 35W water main crossing operational redundancies.
3. Preparing cost alternatives for sanitary sewer improvements along the MCES corridor.
  - a. New City sewer main
  - b. Open cut services

- c. Trenchless services
- 4. Additional agency coordination
  - a. Bloomington PCCP improvements not anticipated.
- 5. Additional City Meetings

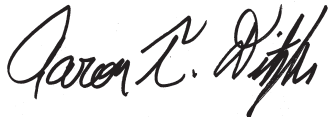

The fee increase assumes:

- 1. No further modification to the alignment of the sanitary sewer or water main.
- 2. A maximum of 48 hours per month or 12 hours per week after February 29, 2016.

Thank you for considering our request. Please contact me with any questions or comments.

**ITEM FOR COUNCIL CONSIDERATION:**

**Continued public hearing and consideration of the second reading of an ordinance regarding the granting of a cable communications franchise with CenturyLink for the City of Richfield and resolution approving summary publication of the ordinance.**

**EXECUTIVE SUMMARY:**

In the spring of 2015, the City of Richfield, along with the other member cities of the Southwest Suburban Cable Commission (SWSCC), received an application from CenturyLink to provide cable communications services to the City of Richfield. The City, in conjunction with the SWSCC, followed all applicable law in accepting and processing the application. Through that process it was found that CenturyLink was legally, technically and financially qualified to provide cable communications services to the City. Furthermore, staff of the SWSCC was directed to enter into negotiations with Century Link to ascertain if mutually agreeable terms for such a franchise could be reached. Those negotiations have been completed and resulted in a proposed franchise agreement between the cities of the SWSCC and CenturyLink.

In addition, on October 28, 2015, the SWSCC voted on the terms of the tentative franchise agreement with CenturyLink and approved the agreement by a unanimous vote.

On January 12, 2016, the City Council opened and continued a Public Hearing, had first reading consideration of a Cable Franchising Ordinance and adopted a resolution Regarding an Ordinance Granting a Competitive Cable Franchise for Qwest Broadband Services, Inc., d/b/a CenturyLink.

This evening, the City Council will continue and close the Public Hearing, give second reading consideration of the Competitive Cable Franchise Ordinance for CenturyLink and if passed, adopt a resolution approving Summary Publication of the ordinance.

Brian Grogan, who is the legal counsel and administrator of the SWSCC, will be available to answer any questions that Council Members or the public may have concerning this matter.

An attached memo from Mr. Grogan dated December 21, 2015 further details this application process and the action under consideration.

**RECOMMENDED ACTION:**

**Conduct and close the public hearing and by motion:**

- **Approve the second reading of an ordinance granting a cable television franchise to Qwest Broadband Services, Inc. d/b/a CenturyLink; and**
- **Adopt a resolution approving summary publication of the ordinance.**

**BASIS OF RECOMMENDATION:**

**A. HISTORICAL CONTEXT**

On March 24, 2015, the City Council considered a request from CenturyLink to grant a cable communications franchise to provide such services to the City. Pursuant to this request, the City initiated the process proscribed by Minnesota Statutes 238.081 by publishing a Notice of Intent to Franchise in the Sun Current and mailed the Notice directly to the existing provider Comcast and the prospective applicant CenturyLink.

The process followed in consideration of this application is outlined in the Executive Summary.

**B. POLICIES (resolutions, ordinances, regulations, statutes, etc):**

The cable franchising process in Minnesota is provided for in MN Statutes Section 238.081. The City must follow the procedures and timelines as stated in the Statute.

**C. CRITICAL TIMING ISSUES:**

All of the procedural and legal considerations preliminary to consideration of granting this proposed franchise have been completed and the decision to grant or deny the franchise for Richfield now rests with the City Council.

**D. FINANCIAL IMPACT:**

None. CenturyLink has submitted a check for \$10,000 to the City to cover the costs incurred by the City for this application process.

**E. LEGAL CONSIDERATION:**

Brian Grogan, the attorney for the SWSCC, has outlined the process to be followed in responding to this franchise request and has guided the City in this process according to all applicable law.

**ALTERNATIVE RECOMMENDATION(S):**

None.

A Living Unit receiving a minimum of 25Mbps downstream will generally be capable of receiving Cable Service subject to Grantee performing certain network grooming and conditioning.

“Set Top Box” means an electronic device, which converts signals to a frequency not susceptible to interference within the television receiver of a Subscriber, and by an appropriate Channel selector also permits a Subscriber to view all signals included in the Basic Cable Service tier delivered at designated converter dial locations.

“Street” shall mean the surface of and the space above and below any public Street, road, highway, freeway, lane, path, public way, alley, court, sidewalk, boulevard, parkway, drive or any easement or right-of-way now or hereafter held by City which shall, within its proper use and meaning in the sole opinion of City, entitle Grantee to the use thereof for the purpose of installing or transmitting over poles, wires, cables, conductors, ducts, conduits, vaults, man-holes, amplifiers, appliances, attachments and other property as may be ordinarily necessary and pertinent to a Cable System.

“Subscriber” means a Person who lawfully receives Cable Service from Grantee.

“Wireline MVPD” means a multichannel video programming distributor that utilizes the Streets to install cable or fiber and is engaged in the business of making available for purchase, by Subscribers, multiple Channels of video programming in the City.

## **SECTION 2 FRANCHISE**

### **2.1 Grant of Franchise.**

(a) The City hereby authorizes Grantee to occupy or use the City's Streets subject to: 1) the provisions of this non-exclusive Franchise to provide Cable Service within the City; and 2) all applicable provisions of the City Code. Said Franchise shall constitute both a right and an obligation to provide Cable Services as required by the provisions of this Franchise. Nothing in this Franchise shall be construed to prohibit Grantee from: (1) providing services other than Cable Services to the extent not prohibited by Applicable Law; or (2) challenging any exercise of the City's legislative or regulatory authority in an appropriate forum. The City hereby reserves all of its rights to regulate such other services to the extent not prohibited by Applicable Law and no provision herein shall be construed to limit or give up any right to regulate.

(b) Grantee promises and guarantees, as a condition of exercising the privileges granted by this Franchise, that any Affiliated Entity of the Grantee involved in the offering of Cable Service in the City, or directly involved in the ownership, management or operation of the Cable System in the City, shall also comply with all obligations of this Franchise. However, the City and Grantee acknowledge that QC will be primarily responsible for the construction and installation of the facilities in the Rights-of-Way which will be utilized by Grantee to provide Cable Services. So long as QC does not provide Cable Service to Subscribers in the City, QC will not be subject to the terms and conditions contained in this Franchise. QC's installation and maintenance of facilities in the Rights-of-Way is governed by applicable local, state and federal law. To the extent Grantee constructs and installs facilities in the Rights-of-Way, such installation will be subject to the terms and conditions contained in this Franchise. Grantee is responsible for all provisions in this Franchise related to: 1) its offering of Cable Services in the City; and 2) the operation of the Cable System regardless of what entity owns or constructs the facilities used to provide the Cable Service. The City and Grantee agree that to the extent QC violates any applicable federal, state, or local laws, rules, and regulations, the City shall first seek compliance directly from QC. In the event, the City cannot resolve these violations or disputes with QC, then the City may look to Grantee to ensure such compliance. Failure by Grantee to ensure QC's or any other Affiliate's compliance with Applicable Laws, rules, and regulations, shall be deemed a material breach of this Franchise by Grantee.

**2.2 Reservation of Authority.** The Grantee specifically agrees to comply with the lawful provisions of the City Code and applicable regulations of the City. Subject to the police power exception below, in the event of a conflict between A) the lawful provisions of the City Code or applicable regulations of the City and B) this Franchise, the express provisions of this Franchise shall govern. Subject to express federal and state preemption, the material terms and conditions contained in this Franchise may not be unilaterally altered by the City through subsequent amendments to the City Code, ordinances or any regulation of City, except in the lawful exercise of City's police power. Grantee acknowledges that the City may modify its

regulatory policies by lawful exercise of the City's police powers throughout the term of this Franchise. Grantee agrees to comply with such lawful modifications to the City Code; however, Grantee reserves all rights it may have to challenge such modifications to the City Code whether arising in contract or at law. The City reserves all of its rights and defenses to such challenges whether arising in contract or at law. Nothing in this Franchise shall (A) abrogate the right of the City to perform any public works or public improvements of any description, (B) be construed as a waiver of any codes or ordinances of general applicability promulgated by the City, or (C) be construed as a waiver or release of the rights of the City in and to the Streets.

**2.3 Franchise Term.** This Franchise shall be in effect for a term of five (5) years from the date of acceptance by Grantee, unless terminated sooner as hereinafter provided. Six (6) months prior to the expiration of the initial five (5) year term, if City determines that Grantee is in compliance with all other material terms of this Franchise including the build out obligations set forth in this Franchise as required by Applicable Law, the City shall have the unilateral right to extend the Franchise for an additional term of no less than five (5) years and no more than ten (10) years.

**2.4 Franchise Area.** The Grantee is hereby authorized to provide Cable Services over a Cable System within the jurisdictional boundaries of the City, including any areas annexed by the City during the term of this Franchise. The parties acknowledge that Grantee is not the first entrant into the wireline video market in the City. The Grantee acknowledges that the City desires wireline competition throughout the entire City so all residents may receive the benefits of competitive Cable Services. Grantee aspires to provide Cable Service to all households within the City by the end of the five year (5) term of this Franchise. Grantee agrees that its deployment of Cable Service in the City will be geographically dispersed throughout the City, and shall be made available to diverse residential neighborhoods of the City without discrimination.

**2.5 Franchise Nonexclusive.** The Franchise granted herein shall be nonexclusive. The City specifically reserves the right to grant, at any time, such additional franchises for a Cable System as it deems appropriate provided, however, such additional grants shall not operate to materially modify, revoke, or terminate any rights previously granted to Grantee other than as described in Section 17.17. The grant of any additional franchise shall not of itself be deemed to constitute a modification, revocation, or termination of rights previously granted to Grantee. Any additional cable franchise grants shall comply with Minn. Stat. Section 238.08 and any other applicable federal level playing field requirements.

**2.6 Build Out.**

(a) Initial build out. No later than the second anniversary of the Effective Date of this Franchise, Grantee shall be capable of serving a minimum of fifteen percent (15%) of the City's households with Cable Service; provided, however, Grantee will make its best efforts to complete such deployment within a shorter period of time. Grantee agrees that this initial minimum build-out commitment shall include a significant number of households below the median income in the City. City shall, upon written request of Grantee, provide detailed maps of such areas. Nothing in this Franchise shall restrict Grantee from serving additional households in the City with Cable Service.

(b) Quarterly Meetings. In order to permit the Commission to monitor and enforce the provisions of this section and other provisions of this Franchise, the Grantee shall, upon demand, promptly make available to the Commission maps and other documentation showing exactly where within the City the Grantee is currently providing Cable Service. Grantee shall meet with the Commission, not less than once quarterly, to demonstrate Grantee's compliance with the provisions of this section concerning the deployment of Cable Services in the City including, by way of example, the provision of this section in which Grantee commits that a significant portion of its initial investment will be targeted to areas below the median income within the City, and the provisions of this section that prohibit discrimination in the deployment of Cable Services. In order to permit the Commission and the City to monitor and enforce the provisions of this section and other provisions of this Franchise, the Grantee shall, commencing April 15, 2016, and continuing throughout the term of this Franchise, meet quarterly with the Commission and make available to the Commission the following information:

(i) The total number of Living Units throughout the City;

(ii) The geographic area within the City where the Grantee is capable of delivering Cable Service through either a FTTH or FTTN method of service delivery which shall include sufficient detail to allow the City to determine the availability of Cable Services at commercially-zoned parcels;

(iii) The actual number of Qualified Living Units capable of receiving Cable Service from Grantee through FTTH and FTTN; and

(iv) A list of the public buildings and educational institutions capable of receiving Cable Service from the Grantee (see list attached hereto as Exhibit A).

(c) Additional build out based on Market Success. If, at any quarterly meeting, including any quarterly meeting prior to the second anniversary of the Effective Date of this Franchise as referenced in Section 2.6(a) herein, Grantee is actually serving twenty seven and one-half percent (27.5%) of the households capable of receiving Cable Service, then Grantee agrees the minimum build-out commitment shall increase to include all of the households then capable of receiving Cable Service plus an additional fifteen (15%) of the total households in the City, which Grantee agrees to serve within two (2) years from the quarterly meeting; provided, however, the Grantee shall make its best efforts to complete such deployment within a shorter period of time. For example, if, at a quarterly meeting with the Commission, Grantee shows that it is capable of serving sixty percent (60%) of the households in the City with Cable Service and is actually serving thirty percent (30%) of those households with Cable Service, then Grantee will agree to serve an additional fifteen percent (15%) of the total households in the City no later than two (2) years after that quarterly meeting (a total of seventy-five percent (75%) of the total households). This additional build-out based on market success shall continue until every household in the City is served.

(d) Nondiscrimination. Grantee shall provide Cable Service under non-discriminatory rates and reasonable terms and conditions to all Subscribers who reside in Living Units in any location where the Grantee is capable of providing Cable Service. Grantee shall not arbitrarily refuse to provide Cable Services to any Person or in any location where the Grantee is capable of providing Cable Service. Any Qualified Living Unit should also include Commercially-Zoned Parcels. "Commercially-Zoned Parcels" mean any Street address or municipally identified lot or parcel of real estate with a building. Grantee shall not deny Cable Services to any group of Subscribers or potential residential Subscribers based upon the income level of residents of the local area in which such group resides, nor shall Grantee base decisions about construction or maintenance of its Cable System or facilities based upon the income level of residents of the local area in which such group resides. Grantee shall provide such service at non-discriminatory monthly rates for residential Subscribers, consistent with Applicable Law. Grantee shall not discriminate between or among any individuals in the availability of Cable Service based upon income in accordance and consistent with 47 U.S.C. Section 541(a)(3), or based upon race or ethnicity.

(e) Standard Installation. Grantee shall provide Cable Services at its standard installation within seven (7) days of a request by any Person in a Qualified Living Unit. A request shall be deemed made on the date of signing a service agreement, receipt of funds by Grantee or receipt by Grantee of a verified verbal or written request.

(f) Multiple Dwelling Units. The Grantee shall offer the individual units of a multiple dwelling unit all Cable Services offered to other Dwelling Units in the City. Grantee shall, upon request, individually wire units upon request of the property owner or renter who has been given written authorization by the owner. Such offering is conditioned upon the Grantee having legal access to said unit and any payment (for Grantee's reasonable costs of internal wiring) as applicable. The City acknowledges that the Grantee cannot control the dissemination of particular Cable Services beyond the point of demarcation at a multiple dwelling unit.

**2.7 Periodic Public Review of Franchise.** Within sixty (60) Days of the third anniversary of the Effective Date of this Franchise or third annual anniversary of any extension of the Franchise term, the City may conduct a public review of the Franchise. The purpose of any such review shall be to ensure, with the benefit of full opportunity for public comment, that the Grantee continues to effectively serve the public in the light of new developments in cable law and regulation, cable technology, cable company performance with the requirements of this Franchise, local regulatory environment, community needs and interests, and other such factors. Both the City and Grantee agree to make a full and good faith effort to participate in the review. So long as Grantee receives reasonable notice, Grantee shall participate in the review process and shall fully cooperate. The review shall not operate to modify or change any provision of this Franchise without mutual written consent in accordance with Section 17.6 of this Franchise.

## 2.8 Transfer of Ownership.

(a) No sale, transfer, assignment or “fundamental corporate change”, as defined in Minn. Stat. § 238.083, of this Franchise shall take place until the parties to the sale, transfer, or fundamental corporate change files a written request with City for its approval, provided, however, that said approval shall not be required where Grantee grants a security interest in its Franchise and assets to secure an indebtedness.

(b) City shall have thirty (30) Days from the time of the request to reply in writing and indicate approval of the request or its determination that a public hearing is necessary due to potential adverse affect on Grantee’s Subscribers resulting from the sale or transfer. Such approval or determination shall be expressed in writing within thirty (30) Days of receipt of said request, or the request shall be deemed approved as a matter of law.

(c) If a public hearing is deemed necessary pursuant to (b) above, such hearing shall be commenced within thirty (30) Days of such determination and notice of any such hearing shall be given in accordance with local law or fourteen (14) Days prior to the hearing by publishing notice thereof once in a newspaper of general circulation in City. The notice shall contain the date, time and place of the hearing and shall briefly state the substance of the action to be considered by City.

(d) Within thirty (30) Days after the closing of the public hearing, City shall approve or deny in writing the sale or transfer request. City shall set forth in writing with particularity its reason(s) for denying approval. City shall not unreasonably withhold its approval.

(e) The parties to the sale or transfer of the Franchise only, without the inclusion of the System in which substantial construction has commenced, shall establish that the sale or transfer of only the Franchise will be in the public interest.

(f) Any sale or transfer of stock in Grantee so as to create a new controlling interest in the System shall be subject to the requirements of this Section 2.8. The term “controlling interest” as used herein is not limited to majority stock ownership, but includes actual working control in whatever manner exercised.

(g) In no event shall a transfer or assignment of ownership or control be approved without the transferee becoming a signatory to this Franchise and assuming all rights and obligations thereunder, and assuming all other rights and obligations of the transferor to the City.

(h) In the event of any proposed sale or assignment pursuant to paragraph (a) of this section, City shall have the right of first refusal of any bona fide offer to purchase only the Cable System. Bona fide offer, as used in this section, means an offer received by the Grantee which it intends to accept subject to City’s rights under this section. This written offer must be conveyed to City along with the Grantee’s written acceptance of the

offer contingent upon the rights of City provided for in this section. City shall be deemed to have waived its rights under this paragraph (h) in the following circumstances:

(i) If it does not indicate to Grantee in writing, within thirty (30) Days of notice of a proposed sale or assignment, its intention to exercise its right of purchase; or

(ii) It approves the assignment or sale of the Franchise as provided within this section

(i) A transfer of the Franchise shall not include a transfer of ownership or other interest in Grantee to the parent of Grantee or to another Affiliate of Grantee; transfer of an interest in the Franchise or the rights held by Grantee under the Franchise to the parent of Grantee or to another Affiliate of Grantee; any action which is the result of a merger of the parent of Grantee; or any action which is the result of a merger of another Affiliate of Grantee. Nothing in this Section 2.8 (i) shall be read to serve as a waiver of Grantee's obligation to obtain the City's advance written consent to any proposed transfer that constitutes a change in the "controlling interest" of the Grantee as set forth in 2.8 (f) herein and Minn. Stat. Section 238.083.

**2.9 Expiration.** Upon expiration of the Franchise, the City shall have the right at its own election and subject to Grantee's rights under Section 626 of the Cable Act to:

(a) extend the Franchise, though nothing in this provision shall be construed to require such extension;

(b) renew the Franchise, in accordance with Applicable Laws;

(c) invite additional franchise applications or proposals;

(d) terminate the Franchise subject to any rights Grantee has under Section 626 of the Cable Act; or

(e) take such other action as the City deems appropriate.

**2.10 Right to Require Removal of Property.** At the expiration of the term for which the Franchise is granted provided no renewal is granted, or upon its forfeiture or revocation as provided for herein, the City shall have the right to require Grantee to remove at Grantee's own expense all or any part of the Cable System, used exclusively to provide Cable Service, from all Streets and public ways within the Franchise Area within a reasonable time. If Grantee fails to do so, the City may perform the work and collect the cost thereof from Grantee.

**2.11 Continuity of Service Mandatory.** It shall be the right of all Subscribers to receive all available services insofar as their financial and other obligations to Grantee are honored. In the event that Grantee elects to overbuild, rebuild, modify, or sell the system, or the City revokes or fails to renew the Franchise, Grantee shall make its best effort to ensure that all Subscribers receive continuous uninterrupted service, regardless of the circumstances, during the

lifetime of the Franchise. In the event of expiration, purchase, lease-purchase, condemnation, acquisition, taking over or holding of plant and equipment, sale, lease, or other transfer to any other Person, including any other grantee of a cable communications franchise, the current Grantee shall cooperate fully to operate the system in accordance with the terms and conditions of this Franchise for a temporary period sufficient in length to maintain continuity of service to all Subscribers.

### **SECTION 3 OPERATION IN STREETS AND RIGHTS-OF-WAY**

#### **3.1 Use of Streets.**

(a) Grantee may, subject to the terms of this Franchise, erect, install, construct, repair, replace, reconstruct and retain in, on, over, under, upon, across and along the Streets within the City such lines, cables, conductors, ducts, conduits, vaults, manholes, amplifiers, appliances, pedestals, attachments and other property and equipment as are necessary and appurtenant to the operation of a Cable System within the City. Without limiting the foregoing and subject to Section 2.1(b) herein, Grantee expressly agrees that it will construct, operate and maintain its Cable System in compliance with, and subject to, the requirements of the City Code, including by way of example and not limitation, those requirements governing the placement of Grantee's Cable System; and with other applicable City Codes, and will obtain and maintain all permits and bonds required by the City Code in addition to those required in this Franchise.

(b) All wires, conduits, cable and other property and facilities of Grantee shall be so located, constructed, installed and maintained as not to endanger or unnecessarily interfere with the usual and customary trade, traffic and travel upon, or other use of, the Streets of City. Grantee shall keep and maintain all of its property in good condition, order and repair so that the same shall not menace or endanger the life or property of any Person. Grantee shall keep accurate maps and records of all of its wires, conduits, cables and other property and facilities located, constructed and maintained in the City.

(c) All wires, conduits, cables and other property and facilities of Grantee, shall be constructed and installed in an orderly and workmanlike manner. All wires, conduits and cables shall be installed, where possible, parallel with electric and telephone lines. Multiple cable configurations shall be arranged in parallel and bundled with due respect for engineering considerations.

**3.2 Construction or Alteration.** Subject to Section 2.1(b) herein, Grantee shall in all cases comply with the City Code, City resolutions and City regulations regarding the acquisition of permits and/or such other items as may be reasonably required in order to construct, alter or maintain the Cable System. Grantee shall, upon request, provide information to the City regarding its progress in completing or altering the Cable System.

**3.3 Non-Interference.** Grantee shall exert its best efforts to construct and maintain a Cable System so as not to interfere with other use of Streets. Grantee shall, where possible in the

case of above ground lines, make use of existing poles and other facilities available to Grantee. When residents receiving underground service or who will be receiving underground service will be affected by proposed construction or alteration, Grantee shall provide such notice as set forth in the permit or in City Code of the same to such affected residents.

**3.4 Consistency with Designated Use.** Notwithstanding the above grant to use Streets, no Street shall be used by Grantee if the City, in its sole opinion, determines that such use is inconsistent with the terms, conditions or provisions by which such Street was created or dedicated, or presently used under Applicable Laws.

**3.5 Undergrounding.** Grantee shall place underground all of its transmission lines which are located or are to be located above or within the Streets of the City in the following cases:

- (a) all other existing utilities are required to be placed underground by statute, resolution, policy or other Applicable Law;
- (b) Grantee is unable to get pole clearance;
- (c) underground easements are obtained from developers of new residential areas; or
- (d) utilities are overhead but residents prefer underground (service provided at cost).

If an ordinance is passed which involves placing underground certain utilities including Grantee's cable plant which is then located overhead, Grantee shall participate in such underground project and shall remove poles, cables and overhead wires if requested to do so and place facilities underground. Nothing herein shall mandate that City provide reimbursement to Grantee for the costs of such relocation and removal. However, if the City makes available funds for the cost of placing facilities underground, nothing herein shall preclude the Grantee from participating in such funding to the extent consistent with the City Code or Applicable Laws.

Grantee shall use conduit or its functional equivalent to the greatest extent possible for undergrounding, except for Drops from pedestals to Subscribers' homes and for cable on other private property where the owner requests that conduit not be used. Cable and conduit shall be utilized which meets the highest industry standards for electronic performance and resistance to interference or damage from environmental factors. Grantee shall use, in conjunction with other utility companies or providers, common trenches for underground construction wherever available.

**3.6 Maintenance and Restoration.**

- (a) Restoration. In case of disturbance of any Street, public way, paved area or public improvement by Grantee, Grantee shall, at its own cost and expense and in accordance with the requirements of Applicable Law, restore such Street, public way,

paved area or public improvement to substantially the same condition as existed before the work involving such disturbance took place. All restoration occurring in private easements or on other private property shall be performed in accordance with the City Code. Grantee shall perform all restoration work within a reasonable time and with due regard to seasonal working conditions. If Grantee fails, neglects or refuses to make restorations as required under this section, then the City may do such work or cause it to be done, and the cost thereof to the City shall be paid by Grantee. If Grantee causes any damage to private property in the process of restoring facilities, Grantee shall repair such damage.

(b) **Maintenance.** Grantee shall maintain all above ground improvements that it places on City right-of-way pursuant to the City Code and any permit issued by the City. In order to avoid interference with the City's ability to maintain the right-of-way, Grantee shall provide such clearance as is required by the City Code and any permit issued by the City. If Grantee fails to comply with this provision and by its failure property is damaged, Grantee shall be responsible for all damages caused thereby.

(c) **Disputes.** In any dispute over the adequacy of restoration or maintenance relative to this section, final determination shall be the prerogative of the City, Department of Public Works and consistent with the City Code and any permit issued by the City.

**3.7 Work on Private Property.** Grantee, with the consent of property owners, shall have the authority, pursuant to the City Code, to trim trees upon and overhanging Streets, alleys, sidewalks, and public ways so as to prevent the branches of such trees from coming in contact with the wires and cables of Grantee, except that at the option of the City, such trimming may be done by it or under its supervision and direction at the reasonable expense of Grantee.

### **3.8 Relocation.**

(a) **City Property.** If, during the term of the Franchise, the City or any government entity elects or requires a third party to alter, repair, realign, abandon, improve, vacate, reroute or change the grade of any Street, public way or other public property; or to construct, maintain or repair any public improvement; or to replace, repair install, maintain, or otherwise alter any cable, wire conduit, pipe, line, pole, wire-holding structure, structure, or other facility, including a facility used for the provision of utility or other services or transportation of drainage, sewage or other liquids, for any public purpose, Grantee shall, upon request, except as otherwise hereinafter provided, at its sole expense remove or relocate as necessary its poles, wires, cables, underground conduits, vaults, pedestals, manholes and any other facilities which it has installed. Nothing herein shall mandate that City provide reimbursement to Grantee for the costs of such relocation and removal. However, if the City makes available funds for the cost of placing facilities underground, nothing herein shall preclude the Grantee from participating in such funding to the extent consistent with the City Code or Applicable Laws.

(b) **Utilities and Other Franchisees.** If, during the term of the Franchise, another entity which holds a franchise or any utility requests Grantee to remove or

relocate such facilities to accommodate the construction, maintenance or repair of the requesting party's facilities, or their more efficient use, or to "make ready" the requesting party's facilities for use by others, or because Grantee is using a facility which the requesting party has a right or duty to remove, Grantee shall do so. The companies involved may decide among themselves who is to bear the cost of removal or relocation, pursuant to City Code, and provided that the City shall not be liable for such costs.

(c) Notice to Remove or Relocate. Any Person requesting Grantee to remove or relocate its facilities shall give Grantee no less than forty-five (45) Days' advance written notice to Grantee advising Grantee of the date or dates removal or relocation is to be undertaken; provided, that no advance written notice shall be required in emergencies or in cases where public health and safety or property is endangered.

(d) Failure by Grantee to Remove or Relocate. If Grantee fails, neglects or refuses to remove or relocate its facilities as directed by the City; or in emergencies or where public health and safety or property is endangered, the City may do such work or cause it to be done, and the cost thereof to the City shall be paid by Grantee. If Grantee fails, neglects or refuses to remove or relocate its facilities as directed by another franchisee or utility, that franchisee or utility may do such work or cause it to be done, and if Grantee would have been liable for the cost of performing such work, the cost thereof to the party performing the work or having the work performed shall be paid by Grantee.

(e) Procedure for Removal of Cable. Grantee shall not remove any underground cable or conduit which requires trenching or other opening of the Streets along the extension of cable to be removed, except as hereinafter provided. Grantee may remove any underground cable from the Streets which has been installed in such a manner that it can be removed without trenching or other opening of the Streets along the extension of cable to be removed. Subject to Applicable Law, Grantee shall remove, at its sole cost and expense, any underground cable or conduit by trenching or opening of the Streets along the extension thereof or otherwise which is ordered to be removed by the City based upon a determination, in the sole discretion of the City, that removal is required in order to eliminate or prevent a hazardous condition. Underground cable and conduit in the Streets which is not removed shall be deemed abandoned and title thereto shall be vested in the City.

(f) Movement of Buildings. Grantee shall, upon request by any Person holding a building moving permit, franchise or other approval issued by the City, temporarily remove, raise or lower its wire to permit the movement of buildings. The expense of such removal, raising or lowering shall be paid by the Person requesting same, and Grantee shall be authorized to require such payment in advance. The City shall require all building movers to provide not less than fifteen (15) Days' notice to the cable company to arrange for such temporary wire changes.

**SECTION 4**  
**REMOVAL OR ABANDONMENT OF SYSTEM**

4.1 **Removal of Cable System.** In the event that: (1) the use of the Cable System is discontinued for any reason for a continuous period of twelve (12) months; or (2) the Cable System has been installed in a Street without complying with the requirements of this Franchise, Grantee, at its expense shall, at the demand of the City remove promptly from the Streets all of the Cable System, used only to provide Cable Service, other than any which the City may permit to be abandoned in place. In the event of any such removal Grantee shall promptly restore to a condition as nearly as possible to its prior condition the Street or other public places in the City from which the System has been removed.

4.2 **Abandonment of Cable System.** In the event of Grantee's abandonment of the Cable System, used only to provide Cable Service, City shall have the right to require Grantee to conform to the state right-of-way rules, Minn. Rules, Chapter 7819. The Cable System to be abandoned in place shall be abandoned in the manner prescribed by the City. Grantee may not abandon any portion of the System without having first given three (3) months written notice to the City. Grantee may not abandon any portion of the System without compensating the City for damages resulting from the abandonment.

4.3 **Removal after Abandonment or Termination.** If Grantee has failed to commence removal of System, used only to provide Cable Service, or such part thereof as was designated by City, within thirty (30) days after written notice of City's demand for removal consistent with Minn. Rules, Ch. 7819, is given, or if Grantee has failed to complete such removal within twelve (12) months after written notice of City's demand for removal is given, City shall have the right to apply funds secured by the letter of credit and performance bond toward removal and/or declare all right, title, and interest to the Cable System to be in City with all rights of ownership including, but not limited to, the right to operate the Cable System or transfer the Cable System to another for operation by it.

4.4 **City Options for Failure to Remove Cable System.** If Grantee has failed to complete such removal within the time given after written notice of the City's demand for removal is given, the City shall have the right to exercise one of the following options:

(a) Declare all right, title and interest to the System, used only to provide Cable Service, to be in the City or its designee with all rights of ownership including, but not limited to, the right to operate the System or transfer the System to another for operation by it; or

(b) Declare the System abandoned and cause the System, if used only to provide Cable Service, or such part thereof as the City shall designate, to be removed at no cost to the City. The cost of said removal shall be recoverable from the security fund, indemnity and penalty section provided for in this Franchise or from Grantee directly.

(c) Upon termination of service to any Subscriber, Grantee shall promptly remove all its facilities and equipment from within the dwelling of a Subscriber who owns such dwelling upon his or her written request, except as provided by Applicable

Law. Such Subscribers shall be responsible for any costs incurred by Grantee in removing the facilities and equipment.

**4.5 System Construction and Equipment Standards.** The Cable System shall be installed and maintained in accordance with standard good engineering practices and shall conform, when applicable, with the National Electrical Safety Code, the National Electrical Code and the FCC's Rules and Regulations.

**4.6 System Maps and Layout.** To the extent not otherwise provided for in Section 2.6(b), Grantee, or an affiliate, shall maintain complete and accurate records, maps and diagrams of the location of all its facilities used to provide Cable Services and the Cable System maintained by QC in the Streets and make them available to the City upon request.

## **SECTION 5 SYSTEM DESIGN AND CAPACITY**

### **5.1 Availability of Signals and Equipment.**

(a) The Cable System shall have a bandwidth capable of providing the equivalent of a typical 750 MHz Cable System. Recognizing that the City has limited authority under federal law to designate the technical method by which Grantee provides Cable Service, as of the Effective Date of this Franchise, Grantee provides its Cable Service utilizing two (2) different methods. First, using a PON platform, the Grantee provides Cable Service to some Qualified Living Units by connecting fiber directly to the household ("FTTP"). Second, the Grantee provides Cable Service to some Qualified Living Units by deploying fiber further into the neighborhoods and using the existing copper infrastructure to increase broadband speeds ("FTTN"). Generally speaking, when Grantee deploys FTTN, households located within four thousand (4,000) cable feet of a remote terminal shall receive broadband speeds capable of providing Cable Service. In both the FTTP and FTTN footprint, a household receiving a minimum of 25 Mbps downstream will generally be capable of receiving Cable Service after Grantee performs certain network grooming and conditioning.

(b) The Grantee shall comply with all FCC regulations regarding carriage of digital and HDTV transmissions.

(c) Grantee agrees to maintain the Cable System in a manner consistent with, or in excess of the specifications in Section 5.1 (a) and (b) throughout the term of the Franchise with sufficient capability and technical quality to enable the implementation and performance of all the requirements of this Franchise, including the exhibits hereto, and in a manner which meets or exceeds FCC technical quality standards at 47 C.F.R. § 76 Subpart K, regardless of the particular format in which a signal is transmitted.

### **5.2 Free Cable Service to Public Buildings.**

(a) As part of its support for PEG use of the System, the Grantee shall provide a free drop to the Subscriber network and free Basic Cable Service and Expanded Basic

Cable Service to all of the sites listed on Exhibit A attached hereto, and to such other public institutions as the City may reasonably request from time to time provided such location is a Qualified Living Unit and not currently receiving service from another provider. However, City may determine to disconnect the other cable provider and require Grantee to meet the free service obligation, as determined in City's sole discretion.

(b) The Grantee is only required to provide a single free drop to the Subscriber network, to a single outlet at a point within the location selected by that location. However, the location may extend the drop to multiple outlets and receive free Basic and Expanded Basic Cable Service at each outlet so long as such extension does not result in any violations of applicable leakage standards which the Grantee is obligated to meet. A location that wishes to install multiple outlets may do so itself, or may contract with the Grantee to do so. Grantee shall provide up to three (3) additional Set Top Boxes to each new location free of charge so that the services can be received and individually tuned by each receiver connected to the drop at a location. If an institution physically moves locations, such institution may move existing Set Top Boxes to the new locations with a free drop, and the moved Set Top Box will not count against the three (3) additional Set Top Boxes. Grantee will replace and maintain Set Top Boxes it provides or that it had provided as necessary so that locations may continue to view the free services Grantee is required to provide. Provided such location is a Qualified Living Unit and not currently receiving service from another provider. However, City may determine to disconnect the other cable provider and require Grantee to meet the free service obligation, as determined in City's sole discretion.

(c) Outlets of Basic and Expanded Basic Cable Service provided in accordance with this section may be used to distribute Cable Services throughout such buildings; provided such distribution can be accomplished without causing Cable System disruption and general technical standards are maintained. Such outlets may only be used for lawful purposes. Grantee agrees that if any broadband service is required in order to receive the free service obligation set forth in this section, Grantee will provide such broadband service free of charge for the sole purpose of facilitating the provision of free Cable Service required by this section. Grantee agrees that it will not offset, deduct or reduce its payment of past, present or future Franchise Fees required as a result of its obligation to connections or services to public facilities.

### **5.3 System Specifications.**

(a) **System Maintenance.** In all its construction and service provision activities, Grantee shall meet or exceed the construction, technical performance, extension and service requirements set forth in this Franchise.

(b) **Emergency Alert Capability.** At all times during the term of this Franchise, Grantee shall provide and maintain an Emergency Alert System (EAS) consistent with applicable federal law and regulations including 47 C.F.R., Part 11, and any Minnesota State Emergency Alert System requirements. The City may identify

authorized emergency officials for activating the EAS consistent with the Minnesota State Emergency Statewide Plan (“EAS Plan”). The City may also develop a local plan containing methods of EAS message distribution, subject to Applicable Laws and the EAS Plan. Nothing in this section is intended to expand Grantee’s obligations beyond that which is required by the EAS Plan and Applicable Law.

(c) Standby Power. Grantee shall provide standby power generating capacity at the Cable System control center. Grantee shall maintain standby power system supplies, rated at least at two (2) hours’ duration, throughout the trunk and distribution networks. In addition, Grantee shall have in place throughout the Franchise term a plan, and all resources necessary for implementation of the plan, for dealing with outages of more than two (2) hours.

(d) Technical Standards. The technical standards used in the operation of the Cable System shall comply, at minimum, with the applicable technical standards promulgated by the FCC relating to Cable Systems pursuant to Title 47, Section 76, Subpart K of the Code of Federal Regulations, as may be amended or modified from time to time, which regulations are expressly incorporated herein by reference. The Cable System shall be installed and maintained in accordance with standard good engineering practices and shall conform with the National Electrical Safety Code and all other Applicable Laws governing the construction of the Cable System.

**5.4 Performance Testing.** Grantee shall perform all applicable system tests at the intervals required by the FCC, and all other tests reasonably necessary to determine compliance with technical standards required by this Franchise. These tests shall include, at a minimum:

- (a) Initial proof of performance for any construction;
- (b) Semi-annual compliance tests;
- (c) Tests in response to Subscriber complaints;
- (d) Tests requested by the City to demonstrate franchise compliance; and
- (e) Written records of all system test results performed by or for Grantee shall be maintained, and shall be available for City inspection upon request.

**5.5 Special Testing.**

(a) Throughout the term of this Franchise, City shall have the right to inspect all construction or installation work performed pursuant to the provisions of the Franchise. In addition, City may require special testing of a location or locations within the System if there is a particular matter of controversy or unresolved complaints regarding such construction or installation work or pertaining to such location(s). Demand for such special tests may be made on the basis of complaints received or other evidence indicating an unresolved controversy or noncompliance. Such tests shall be limited to the particular matter in controversy or unresolved complaints. City shall

endeavor to so arrange its request for such special testing so as to minimize hardship or inconvenience to Grantee or to the Subscribers caused by such testing.

(b) Before ordering such tests, Grantee shall be afforded thirty (30) Days following receipt of written notice to investigate and, if necessary, correct problems or complaints upon which tests were ordered. City shall meet with Grantee prior to requiring special tests to discuss the need for such and, if possible, visually inspect those locations which are the focus of concern. If, after such meetings and inspections, City wishes to commence special tests and the thirty (30) Days have elapsed without correction of the matter in controversy or unresolved complaints, the tests shall be conducted at Grantee's expense by Grantee's qualified engineer. The City shall have a right to participate in such testing by having an engineer of City's choosing, and at City's expense, observe and monitor said testing.

## **SECTION 6 PROGRAMMING AND SERVICES**

**6.1 Categories of Programming Service.** Grantee shall provide video programming services in at least the following broad categories:

- Local Broadcast (subject to federal carriage requirements)
- Public Broadcast
- News and Information
- Sports
- General Entertainment
- Arts/Performance/Humanities
- Science/Technology
- Children/Family/Seniors
- Foreign Language/Ethnic Programming
- Public, Educational and Governmental Access Programming (to the extent required by the Franchise)
- Movies
- Leased Access

**6.2 Changes in Programming Services.** Grantee shall not delete or so limit as to effectively delete any broad category of programming within its control without the City's consent. Further, Grantee shall provide at least thirty (30) Days' prior written notice to Subscribers and to the City of Grantee's request to effectively delete any broad category of programming or any Channel within its control, including all proposed changes in bandwidth or Channel allocation and any assignments including any new equipment requirements that may occur as a result of these changes.

**6.3 Parental Control Device.** Upon request by any Subscriber, Grantee shall make available for sale or lease a parental control or lockout device that will enable the Subscriber to block all access to any and all Channels without affecting those not blocked. Grantee shall

inform Subscribers of the availability of the lockout device at the time of original subscription and annually thereafter.

6.4 **FCC Reports.** The results of any tests required to be filed by Grantee with the FCC shall also be copied to City within ten (10) Days of the conduct of the date of the tests.

6.5 **Annexation.** Unless otherwise provided by Applicable Law, including the City Code, upon the annexation of any additional land area by City, the annexed area shall thereafter be subject to all the terms of this Franchise upon sixty (60) Days written notification to Grantee of the annexation by City. Unless otherwise required by Applicable Laws, nothing herein shall require the Grantee to expand its Cable System to serve, or to offer Cable Service to any area annexed by the City if such area is then served by another Wireline MVPD franchised to provide multichannel video programming.

6.6 **Line Extension.** Grantee shall not have a line extension obligation until the first date by which Grantee is providing Cable Service to more than fifty percent (50%) of all Subscribers receiving facilities based Cable Service from both the Grantee and any other provider(s) of Cable Service within the City. At that time, the City, in its reasonable discretion and after meeting with Grantee, shall determine the timeframe to complete deployment to the remaining households in the City, including a density requirement that is the same or similar to the requirement of the incumbent franchised cable operator.

6.7 **Nonvoice Return Capability.** Grantee is required to use cable and associated electronics having the technical capacity for nonvoice return communications.

## **SECTION 7 PUBLIC, EDUCATIONAL AND GOVERNMENTAL ACCESS**

7.1 **Number of PEG Access Channels.** Within one hundred eighty (180) days of the Effective Date, Grantee will make available three (3) PEG Access Channels.

7.2 **Digital and High Definition PEG Carriage Requirements.** While the parties recognize that while the primary signals of local broadcast stations are simulcast in standard definition (“SD”) and high definition (“HD”) formats, the Grantee’s obligation with respect to carriage of PEG in HD and SD formats shall be as follows:

(a) Grantee agrees to carry all PEG Access Channels in HD provided the entity originating the signal provides the Grantee an HD signal. Further, Grantee will downconvert any such signal to an SD format so that Subscribers who choose not to subscribe to an HD package may receive said signal in an SD format.

(b) Grantee is not required to convert a signal delivered in a lower quality format to a higher quality format. The City shall have no obligation to provide a signal to the Grantee in a HD format.

(c) All PEG Access Channels must be receivable by Subscribers without special expense in addition to the expense paid to receive commercial services the

Subscriber receives. City acknowledges that HD programming may require the viewer to have special viewer equipment (such as an HDTV and an HD-capable digital device/receiver), but any Subscriber who can view an HD signal delivered via the Cable System at a receiver shall also be able to view the HD Access Channels at that receiver, without additional charges or equipment. By agreeing to make PEG available in HD format, Grantee is not agreeing to provide free HD equipment to Subscribers including complimentary municipal and educational accounts, or to modify its equipment or pricing policies in any manner. City acknowledges that not every Subscriber may be able to view HD PEG programming (for example, because they do not have an HDTV in their home or have chosen not to take an HD-capable receiving device from Grantee or other equipment provider) or on every television in the home.

(d) The Grantee, upon request of the City, will provide technical assistance or diagnostic services to determine whether or not the problem with the PEG signals is the result of matters for which the Grantee is responsible, and if so the Grantee will take prompt corrective actions.

(e) The Grantee will provide any PEG Access Channels on the Basic Cable Service tier throughout the life of the Franchise, or if there is no Basic Cable Service tier, shall provide the PEG Access Channels to any Person who subscribes to any level of cable video programming service, and otherwise in accordance with Applicable Laws. To the extent technically feasible, Grantee shall, upon request from the City, provide City with quarterly viewership numbers for each of the PEG Access Channels carried on Grantee's Cable System.

(f) Grantee shall facilitate carriage of PEG Access Channel program listings on its interactive programming guide, at no cost to the City provided that the City shall hold Grantee harmless should the City or PEG providers fail to provide correct or timely information to the interactive guide programmers.

(g) If Channels are selected through menu systems, the PEG Access Channels shall be displayed in the same manner as other Channels, and with equivalent information regarding the programming on the Channel. To the extent that any menu system is controlled by a third party, Grantee shall ensure that the Grantee will provide PEG listings on that menu system, if it is provided with the programming information by the City.

**7.3 Control of PEG Channels.** The control and administration of the Access Channels shall rest with the City and the City may delegate, from time to time over the term of this Franchise, such control and administration to various entities as determined in City's sole discretion.

**7.4 Transmission of Access Channels.** Access Channels may be used for transmission of non-video signals in compliance with Applicable Laws. This may include downstream transmission of data using a protocol such as TCP/IP or current industry standards. Should Grantee develop the capability to provide bi-directional data transmission, spectrum capacity shall be sufficient to allow Subscribers to transmit data to PEG facilities.

## 7.5 Access Channel Locations.

(a) Grantee shall provide the City's government access channel in both HD and SD. The government access channel will be located on Channel 239 and shall at all times be located in the Channel neighborhood offering news/public affairs programming on Grantee's Cable System channel lineup. The government access channel shall have video and audio signal strength, signal quality, and functionality equivalent to the highest quality broadcast and commercial cable/satellite Channels carried by the Grantee on its Cable System.

(i) Grantee shall carry the remaining public and educational Channels (PE Channels) on Channel 26 in its Channel lineup as a means to provide ease of access by Subscribers to the group of PE Channels placed consecutively on Channel numbers significantly higher in the Channel lineup. This use of one (1) Channel to access the group of PE Channels required under this Franchise shall be referred to as a "Mosaic Channel." The Mosaic Channel shall display the group of PE Channels on a single Channel screen and serve as a navigation tool for Subscribers. The Mosaic Channel shall allow Subscribers to navigate directly from Channel 26 to any of the PE Channels requested in a single operation without any intermediate steps to a chosen PE Channel in the group.

(ii) Grantee shall use Channel 26 as a Mosaic Channel to access the PE Channels required under this Franchise. The group of consecutive PE channels residing at higher Channel numbers will retain Channel names and identity for marketing purposes, unless approved by the City. Grantee shall not include any other programming or Channels on the Commission's PE Mosaic Channel unless the City provides advance written consent.

(iii) When using the Mosaic Channel, Subscribers shall be directed to the requested PE Channel in an HD format if appropriate to the Subscriber's level of service; otherwise, the Subscriber shall be directed to the SD PE Channel. The Mosaic Channel mechanism shall allow Subscribers to navigate directly from Channel 26 to the requested Commission Access Channels which shall be located on Channel numbers 8110 (educational access) and 8111 (public access).

(iv) Grantee shall consult with the City (or City's designee) to determine the PE Channel information displayed on the Mosaic Channel. However, the information shall have video and audio signal strength, signal quality, and functionality equivalent to the highest quality broadcast and commercial cable/satellite channels carried by the Grantee on its Cable System in a Mosaic format.

(v) The Mosaic Channel assigned for use by the City shall be used to navigate to the group of City PE Channels and will be placed near other PEG Mosaic Channels

(vi) If through technology changes or innovation in the future, the Grantee discontinues the use of Mosaic presentations, then Grantee shall provide the PE Channels to Subscribers at equivalent visual and audio quality and equivalent functionality as Grantee delivers the highest quality broadcast stations and highest quality commercial cable/satellite channels on its Cable System with no degradation.

(b) The Grantee shall not charge for use of the PEG Access Channels, equipment, facilities or services.

(c) In no event shall any Access Channel reallocations be made prior to ninety (90) Days written notice to the City by Grantee, except for circumstances beyond Grantee's reasonable control. The Access Channels will be located within reasonable proximity to other commercial video or broadcast Channels, excluding pay-per-view programming offered by Grantee in the City.

(d) Grantee agrees not to encrypt the Access Channels differently than other commercial Channels available on the Cable System.

(e) In conjunction with any occurrence of any Access Channel(s) relocation, as may be permitted by this Franchise, Grantee shall provide a minimum of Nine Thousand Dollars (\$9,000) of in-kind air time per event on advertiser supported Channels (e.g. USA, TNT, TBS, Discovery Channel, or other comparable Channels) for the purpose of airing City's, or its designees', pre-produced thirty (30) second announcement explaining the change in location, or if Grantee does not have air time capabilities a mutually agreed equivalent shall be provided.

**7.6 Navigation to Access Channels.** Grantee agrees that if it utilizes a visual interface under its control on its Cable System for all Channels, the Access Channels shall be treated in a non-discriminatory fashion consistent with Applicable Laws so that Subscribers will have ready access to Access Channels. This shall not be construed to require Grantee to pay any third party fees that may result from this obligation.

**7.7 Ownership of Access Channels.** Grantee does not relinquish its ownership of or ultimate right of control over a Channel by designating it for PEG use. A PEG access user – whether an individual, educational or governmental user – acquires no property or other interest by virtue of the use of a Channel position so designated. Grantee shall not exercise editorial control over any public, educational, or governmental use of a Channel position, except Grantee may refuse to transmit any public access program or portion of a public access program that contains obscenity, indecency, or nudity in violation of Applicable Law.

**7.8 Noncommercial Use of PEG.** Permitted noncommercial uses of the Access Channels shall include by way of example and not limitation: (1) the identification of financial supporters similar to what is provided on public broadcasting stations; or (2) the solicitation of financial support for the provision of PEG programming by the City or third party users for charitable, educational or governmental purposes; or (3) programming offered by accredited,

non-profit, educational institutions which may, for example, offer telecourses over a Access Channel.

#### **7.9 Dedicated Fiber Return Lines.**

(a) Grantee shall provide and maintain, free of charge with no transport costs or other fees or costs imposed, a direct fiber connection and necessary equipment to transmit PEG programming from the City Hall control room racks to the Grantee headend (“PEG Origination Connection”).

(b) In addition to the PEG Origination Connection, the Grantee shall, free of charge, construct a direct connection and necessary equipment to the programming origination site located at Edina City Hall where PEG programming is originated by the Commission.

(c) Grantee shall at all times provide and maintain, free of charge, a drop to the Cable System, required Set-Top Box and free Basic Cable Service and Expanded Basic Service to the City Hall and the location from which PEG programming is originated (currently the playback facility at the Edina City Hall), to allow these facilities to view (live) the downstream PEG programming Channels on Grantee’s Cable System so they can monitor the PEG signals and make certain that PEG programming is being properly received (picture and sound) by Subscribers.

**7.10 Interconnection.** To the extent technically feasible and permitted under Applicable Laws, Grantee will allow necessary interconnection with any newly constructed City and school fiber for noncommercial programming to be promoted and administered by the City as allowed under Applicable Laws and at no additional cost to the City or schools. This may be accomplished through a patch panel or other similar facility and each party will be responsible for the fiber on their respective sides of the demarcation point. Grantee reserves its right to review on a case-by-case basis the technical feasibility of the proposed interconnection. Based on this review Grantee may condition the interconnection on the reasonable reimbursement of Grantee’s incremental costs, with no markup for profit, to recoup Grantee’s construction costs only. In no event will Grantee impose any type of recurring fee for said interconnection.

**7.11 Ancillary Equipment.** Any ancillary equipment operated by Grantee for the benefit of PEG Access Channels on Grantee’s fiber paths or Cable System, whether referred to switchers, routers or other equipment, will be maintained by Grantee, at no cost to the City or schools for the life of the Franchise. Grantee is responsible for any ancillary equipment on its side of the demarcation point and the City or school is responsible for all other production/playback equipment.

**7.12 Future Fiber Return Lines for PEG.** At such time that the City determines:

(a) that the City desires the capacity to allow Subscribers in the City to receive PEG programming (video or character generated) which may originate from schools, City facilities, other government facilities or other designated facilities (other than those indicated in paragraph 10); or

(b) that the City desires to establish or change a location from which PEG programming is originated; or

(c) that the City desires to upgrade the Connection to Grantee from an existing signal point of origination,

the City will give Grantee written notice detailing the point of origination and the capability sought by the City. Grantee agrees to submit a cost estimate to implement the City's plan within a reasonable period of time but not later than September 1<sup>st</sup> in the year preceding the request for any costs exceeding Twenty-five Thousand and No/100 Dollars (\$25,000). The cost estimate will be on a time and materials basis with no additional markup. After an agreement to reimburse Grantee for Grantee's out of pocket time and material costs, Grantee will implement any necessary Cable System changes within a reasonable period of time. Nothing herein prevents the City, or a private contractor retained by the City, from constructing said return fiber.

### 7.13 Access Channel Carriage.

(a) Any and all costs associated with any modification of the Access Channels or signals after the Access Channels/signals leave the City's designated playback facilities, or any designated playback center authorized by the City shall be borne entirely by Grantee. Grantee shall not cause any programming to override PEG programming on any Access Channel, except by oral or written permission from the City, with the exception of emergency alert signals.

(b) The City may request and Grantee shall provide an additional Access Channel when the cumulative time on all the existing Access Channels combined meets the following standard: whenever one of the Access Channels in use during eighty percent (80%) of the weekdays, Monday through Friday, for eighty percent (80%) of the time during a consecutive three (3) hour period for six (6) weeks running, and there is a demand for use of an additional Channel for the same purpose, the Grantee has six (6) months in which to provide a new, Access Channel for the same purpose; provided that, the provision of the additional Channel or Channels does not require the Cable System to install Converters.

(c) The VHF spectrum shall be used for one (1) of the public, educational, or governmental specially designated Access Channels.

(d) Subject to the terms of this Franchise, the City or its designee shall be responsible for developing, implementing, interpreting and enforcing rules for PEG Access Channel use.

(e) The Grantee shall monitor the Access Channels for technical quality to ensure that they meet FCC technical standards including those applicable to the carriage of Access Channels, provided however, that the Grantee is not responsible for the production quality of PEG programming productions. The City, or its designee, shall be responsible for the production and quality of all PEG access programming. Grantee shall carry all components of the standard definition of Access Channel including, but not

limited to, closed captioning, stereo audio and other elements associated with the programming.

#### **7.14 Access Channel Support.**

(a) Upon the Effective Date of this Franchise, Grantee shall collect and remit to the City Sixty cents (60¢) per Subscriber per month in support of PEG capital (“PEG Fee”).

(b) On August 1, 2017, the City, at its discretion, and upon ninety (90) Days advance written notice to Grantee, may require Grantee to increase the PEG Fee to Sixty-five cents (65¢) per Subscriber per month for the remaining term of the Franchise. The PEG Fee shall be used by City in its sole discretion to fund PEG access capital expenditures. In no event shall the PEG Fee be assessed in an amount different from that imposed upon the incumbent cable provider. In the event the incumbent cable provider agrees to a higher or lower PEG Fee, Grantee will increase or decrease its PEG Fee upon ninety (90) Days written notice from the City.

(c) The PEG Fee is not intended to represent part of the Franchise Fee and is intended to fall within one (1) or more of the exceptions in 47 U.S.C. § 542. The PEG Fee may be categorized, itemized, and passed through to Subscribers as permissible, in accordance with 47 U.S.C. §542 or other Applicable Laws. Grantee shall pay the PEG Fee to the City quarterly at the same time as the payment of Franchise Fees under Section 16.1 of the Franchise. Grantee agrees that it will not offset or reduce its payment of past, present or future Franchise Fees required as a result of its obligation to remit the PEG Fee.

(d) Any PEG Fee amounts owing pursuant to this Franchise which remain unpaid more than twenty-five (25) Days after the date the payment is due shall be delinquent and shall thereafter accrue interest at twelve percent (12%) per annum or the prime lending rate published by the Wall Street Journal on the Day the payment was due plus two percent (2%), whichever is greater.

#### **7.15 PEG Technical Quality.**

(a) Grantee shall not be required to carry a PEG Access Channel in a higher quality format than that of the Channel Signal delivered to Grantee, but Grantee shall not implement a change in the method of delivery of Access Channels that results in a material degradation of signal quality or impairment of viewer reception of Access Channels, provided that this requirement shall not prohibit Grantee from implementing new technologies also utilized for commercial Channels carried on its Cable System. Grantee shall meet FCC signal quality standards when offering Access Channels on its Cable System and shall continue to comply with closed captioning pass-through requirements. There shall be no significant deterioration in an Access Channels signal from the point of origination upstream to the point of reception downstream on the Cable System.

(b) Within twenty-four (24) hours of a written request from City to the Grantee identifying a technical problem with a Access Channel and requesting assistance, Grantee will provide technical assistance or diagnostic services to determine whether or not a problem with a PEG signal is the result of matters for which Grantee is responsible and if so, Grantee will take prompt corrective action. If the problem persists and there is a dispute about the cause, then the parties shall meet with engineering representation from Grantee and the City in order to determine the course of action to remedy the problem.

**7.16 Access Channel Promotion.** Grantee shall allow the City to print and mail a post card for promoting a designated entity's service or generally promoting community programming to households in the City subscribing to Grantee's Cable Service at a cost to the City not to exceed Grantee's out of pocket cost, no less frequently than twice per year, or at such time as a Access Channel is moved or relocated, upon the written request of the City. The post card shall be designed by the City and shall conform to the Grantee's standards and policies for size and weight. Any post card denigrating the Grantee, its service or its programming is not permitted. The City agrees to pay Grantee in advance for the actual cost of such post card.

**7.17 Change in Technology.** In the event Grantee makes any change in the Cable System and related equipment and facilities or in its signal delivery technology, which requires the City to obtain new equipment in order to be compatible with such change for purposes of transport and delivery of the Access Channels, Grantee shall, at its own expense and free of charge to City or its designated entities, purchase such equipment as may be necessary to facilitate the cablecasting of the Access Channels in accordance with the requirements of the Franchise.

**7.18 Relocation of Grantee's Headend.** In the event Grantee relocates its headend, Grantee will be responsible for replacing or restoring the existing dedicated fiber connections at Grantee's cost so that all the functions and capacity remain available, operate reliably and satisfy all applicable technical standards and related obligations of the Franchise free of charge to the City or its designated entities.

**7.19 Regional Channel Six.** Grantee shall make available Regional Channel Six as long as it is required to do so by the State of Minnesota.

**7.20 Government Access Channel Functionality.** Grantee agrees to provide the capability such that the City, from its City Hall, can switch its government Access Channel in the following ways:

- (a) Insert live Council meetings from City Hall;
- (b) Replay government access programming from City Hall; and
- (c) Transmit character generated programming.
- (d) Schedule for Grantee to replay City-provided tapes in pre-arranged time slot on the government Access Channel; and

- (e) Switch to other available programming where the City has legal authority.

7.21 **Compliance with Minnesota Statutes Chapter 238.** In addition to the requirements contained in this Section 7 of this Franchise, Grantee and City shall comply with the PEG requirements mandated by Minn. Stat. 238.084.

## **SECTION 8 REGULATORY PROVISIONS.**

8.1 **Intent.** The City shall have the right to administer and regulate activities under the Franchise up to the full extent permitted by Applicable Law.

8.2 **Delegation of Authority to Regulate.** The City reserves the right to delegate its regulatory authority wholly or in part to agents of the City, including, but not limited to, an agency which may be formed to regulate several franchises in the region in a manner consistent with Applicable Laws. This may include but shall not be limited to the Commission or other entity as City may determine in its sole discretion. Any existing delegation in place at the time of the grant of this Franchise shall remain intact unless expressly modified by City.

8.3 **Areas of Administrative Authority.** In addition to any other regulatory authority granted to the City by law or franchise, the City shall have administrative authority in the following areas:

- (a) Administering and enforcing the provisions of this Franchise, including the adoption of administrative rules and regulations to carry out this responsibility.
- (b) Coordinating the operation of Access Channels.
- (c) Formulating and recommending long-range cable communications policy for the Franchise Area.
- (d) Disbursing and utilizing Franchise revenues paid to the City.
- (e) Administering the regulation of rates, to the extent permitted by Applicable Law.
- (f) All other regulatory authority permitted under Applicable Law.

The City or its designee shall have continuing regulatory jurisdiction and supervision over the System and the Grantee's operations under the Franchise to the extent allowed by Applicable Law.

### **8.4 Regulation of Rates and Charges.**

- (a) **Right to Regulate.** The City reserves the right to regulate rates or charges for any Cable Service within the limits of Applicable Law, to enforce rate regulations prescribed by the FCC, and to establish procedures for said regulation or enforcement.

(b) **Notice of Change in Rates and Charges.** Throughout the term of this Franchise, Grantee shall give the City and all Subscribers within the City at least thirty (30) Days' notice of any intended modifications or additions to Subscriber rates or charges. Nothing in this Subsection shall be construed to prohibit the reduction or waiving of rates or charges in conjunction with promotional campaigns for the purpose of attracting Subscribers or users.

(c) **Rate Discrimination Prohibited.** Within any category of Subscribers, Grantee shall not discriminate among Subscribers with regard to rates and charges made for any service based on considerations of race, color, creed, sex, marital or economic status, national origin, sexual preference, or (except as allowed by Applicable Law) neighborhood of residence, except as otherwise provided herein; and for purposes of setting rates and charges, no categorization of Subscribers shall be made by Grantee on the basis of those considerations. Nevertheless, Grantee shall be permitted to establish (1) discounted rates and charges for providing Cable Service to low-income, handicapped, or low-income elderly Subscribers, (2) promotional rates, and (3) bulk rate and package discount pricing.

## **SECTION 9 BOND.**

9.1 **Performance Bond.** Upon the Effective Date of this Franchise and at all times thereafter Grantee shall maintain with City a bond in the sum of One Hundred Thousand Dollars (\$100,000.00) in such form and with such sureties as shall be acceptable to City, conditioned upon the faithful performance by Grantee of this Franchise and the acceptance hereof given by City and upon the further condition that in the event Grantee shall fail to comply with any law, ordinance or regulation, there shall be recoverable jointly and severally from the principal and surety of the bond, any damages or losses suffered by City as a result, including the full amount of any compensation, indemnification or cost of removal of any property of Grantee, including a reasonable allowance for attorneys' fees and costs (with interest at two percent (2%) in excess of the then prime rate), up to the full amount of the bond, and which bond shall further guarantee payment by Grantee of all claims and liens against City or any, public property, and taxes due to City, which arise by reason of the construction, operation, maintenance or use of the Cable System. The City shall provide Grantee reasonable advanced notice of not less than ten (10) Days prior to any draw by the City on the performance bond required under this Section 9.

9.2 **Rights.** The rights reserved by City with respect to the bond are in addition to all other rights the City may have under this Franchise or any other law.

9.3 **Reduction of Bond Amount.** City may, in its sole discretion, reduce the amount of the bond.

## **SECTION 10 SECURITY FUND**

10.1 **Security Fund.** If there is an uncured breach by Grantee of a material provision of this Franchise or a pattern of repeated violations of any provision(s) of this Franchise, then

Grantee shall, upon written request, establish and provide to the City, as security for the faithful performance by Grantee of all of the provisions of this Franchise, a letter of credit from a financial institution satisfactory to the City in the amount of Twenty Thousand and No/100 Dollars (\$20,000.00). In no event shall Grantee fail to post a Twenty Thousand and No/100 Dollar (\$20,000.00) letter of credit within thirty (30) days receipt of a notice of franchise violation pursuant to this Section 10.1. Failure to post said letter of credit shall constitute a separate material violation of this Franchise, unless the breach is cured within such thirty (30) Day period or longer period allowed under the Franchise. The letter of credit shall serve as a common security fund for the faithful performance by Grantee of all the provisions of this Franchise and compliance with all orders, permits and directions of the City and the payment by Grantee of any claim, liens, costs, expenses and taxes due the City which arise by reason of the construction, operation or maintenance of the Cable System. Interest on this deposit shall be paid to Grantee by the bank on an annual basis. The security may be terminated by the Grantee upon the resolution of the alleged noncompliance. The obligation to establish the security fund required by this paragraph is unconditional. The fund must be established in those circumstances where Grantee disputes the allegation that it is not in compliance, and maintained for the duration of the dispute. If Grantee fails to establish the security fund as required, the City may take whatever action is appropriate to require the establishment of that fund and may recover its costs, reasonable attorneys' fees, and an additional penalty of Two Thousand Dollars (\$2,000) in that action.

**10.2 Withdrawal of Funds.** Provision shall be made to permit the City to withdraw funds from the security fund. Grantee shall not use the security fund for other purposes and shall not assign, pledge or otherwise use this security fund as security for any purpose.

**10.3 Restoration of Funds.** Within ten (10) Days after notice to it that any amount has been withdrawn by the City from the security fund pursuant to 10.4 of this section, Grantee shall deposit a sum of money sufficient to restore such security fund to the required amount.

**10.4 Liquidated Damages.** In addition to recovery of any monies owed by Grantee to City or damages to City as a result of any acts or omissions by Grantee pursuant to the Franchise, City in its sole discretion may charge to and collect from the security fund the following liquidated damages:

(a) For failure to provide data, documents, reports or information or to cooperate with City during an application process or System review, the liquidated damage shall be One Hundred Dollars (\$100.00) per Day for each Day, or part thereof, such failure occurs or continues.

(b) For failure to comply with any of the provisions of this Franchise for which a penalty is not otherwise specifically provided pursuant to this Paragraph 10.4, the liquidated damage shall be One Hundred Fifty Dollars (\$150.00) per Day for each Day, or part thereof, such failure occurs or continues.

(c) For failure to test, analyze and report on the performance of the System following a request by City, the liquidated damage shall be Two Hundred Fifty Dollars (\$250.00) per Day for each Day, or part thereof, such failure occurs or continues.

(d) Forty-five Days following notice from City of a failure of Grantee to comply with construction, operation or maintenance standards, the liquidated damage shall be Two Hundred Dollars (\$200.00) per Day for each Day, or part thereof, such failure occurs or continues.

(e) For failure to provide the services Grantee has proposed, including but not limited to the implementation and the utilization of the Access Channels the liquidated damage shall be One Hundred Fifty (\$150.00) per Day for each Day, or part thereof, such failure occurs or continues.

**10.5 Each Violation a Separate Violation.** Each violation of any provision of this Franchise shall be considered a separate violation for which separate liquidated damages can be imposed.

**10.6 Maximum 120 Days.** Any liquidated damages for any given violation shall be imposed upon Grantee for a maximum of one hundred twenty (120) Days. If after that amount of time Grantee has not cured or commenced to cure the alleged breach to the satisfaction of the City, the City may pursue all other remedies.

**10.7 Withdrawal of Funds to Pay Taxes.** If Grantee fails to pay to the City any taxes due and unpaid; or fails to repay to the City, any damages, costs or expenses which the City shall be compelled to pay by reason of any act or default of the Grantee in connection with this Franchise; or fails, after thirty (30) Days notice of such failure by the City to comply with any provision of the Franchise which the City reasonably determines can be remedied by an expenditure of the security, the City may then withdraw such funds from the security fund. Payments are not Franchise Fees as defined in Section 16 of this Franchise.

**10.8 Procedure for Draw on Security Fund.** Whenever the City finds that Grantee has allegedly violated one (1) or more terms, conditions or provisions of this Franchise, a written notice shall be given to Grantee. The written notice shall describe in reasonable detail the alleged violation so as to afford Grantee an opportunity to remedy the violation. Grantee shall have thirty (30) Days subsequent to receipt of the notice in which to correct the violation before the City may require Grantee to make payment of damages, and further to enforce payment of damages through the security fund. Grantee may, within ten (10) Days of receipt of notice, notify the City that there is a dispute as to whether a violation or failure has, in fact, occurred. Such notice by Grantee shall specify with particularity the matters disputed by Grantee and shall stay the running of the above-described time.

(a) City shall hear Grantee's dispute at the next regularly scheduled or specially scheduled Council meeting. Grantee shall have the right to speak and introduce evidence. The City shall determine if Grantee has committed a violation and shall make written findings of fact relative to its determination. If a violation is found, Grantee may petition for reconsideration.

(b) If after hearing the dispute, the claim is upheld by the City, then Grantee shall have thirty (30) Days within which to remedy the violation before the City may require payment of all liquidated damages due it.

**10.9 Time for Correction of Violation.** The time for Grantee to correct any alleged violation may be extended by the City if the necessary action to collect the alleged violation is of such a nature or character as to require more than thirty (30) Days within which to perform provided Grantee commences corrective action within fifteen (15) Days and thereafter uses reasonable diligence, as determined by the City, to correct the violation.

**10.10 Grantee's Right to Pay Prior to Security Fund Draw.** Grantee shall have the opportunity to make prompt payment of any assessed liquidated damages and if Grantee fails to promptly remit payment to the City, the City may resort to a draw from the security fund in accordance with the terms of this Section 10 of the Franchise.

**10.11 Failure to so Replenish Security Fund.** If any security fund is not so replaced, City may draw on said security fund for the whole amount thereof and hold the proceeds, without interest, and use the proceeds to pay costs incurred by City in performing and paying for any or all of the obligations, duties and responsibilities of Grantee under this Franchise that are not performed or paid for by Grantee pursuant hereto, including attorneys' fees incurred by the City in so performing and paying. The failure to so replace any security fund may also, at the option of City, be deemed a default by Grantee under this Franchise. The drawing on the security fund by City, and use of the money so obtained for payment or performance of the obligations, duties and responsibilities of Grantee which are in default, shall not be a waiver or release of such default.

**10.12 Collection of Funds Not Exclusive Remedy.** The collection by City of any damages or monies from the security fund shall not affect any other right or remedy available to City, nor shall any act, or failure to act, by City pursuant to the security fund, be deemed a waiver of any right of City pursuant to this Franchise or otherwise. Notwithstanding this section, however, should the City elect to impose liquidated damages that remedy shall remain the City's exclusive remedy for the one hundred twenty (120) Day period set forth in Section 10.6.

## **SECTION 11 DEFAULT**

**11.1 Basis for Default.** City shall give written notice of default to Grantee if City, in its sole discretion, determines that Grantee has:

- (a) Violated any material provision of this Franchise or the acceptance hereto or any rule, order, regulation or determination of the City, state or federal government, not in conflict with this Franchise;
- (b) Attempted to evade any provision of this Franchise or the acceptance hereof;
- (c) Practiced any fraud or deceit upon City or Subscribers; or
- (d) Made a material misrepresentation of fact in the application for or negotiation of this Franchise.

**11.2 Default Procedure.** If Grantee fails to cure such default within thirty (30) Days after the giving of such notice (or if such default is of such a character as to require more than thirty (30) Days within which to cure the same, and Grantee fails to commence to cure the same within said thirty (30) Day period and thereafter fails to use reasonable diligence, in City's sole opinion, to cure such default as soon as possible), then, and in any event, such default shall be a substantial breach and City may elect to terminate the Franchise. The City may place the issue of revocation and termination of this Franchise before the governing body of City at a regular meeting. If City decides there is cause or reason to terminate, the following procedure shall be followed:

(a) City shall provide Grantee with a written notice of the reason or cause for proposed termination and shall allow Grantee a minimum of thirty (30) Days subsequent to receipt of the notice in which to correct the default.

(b) Grantee shall be provided with an opportunity to be heard at a public hearing prior to any decision to terminate this Franchise.

(c) If, after notice is given and an opportunity to cure, at Grantee's option, a public hearing is held, and the City determines there was a violation, breach, failure, refusal or neglect, the City may declare by resolution the Franchise revoked and of no further force and effect unless there is compliance within such period as the City may fix, such period may not be less than thirty (30) Days provided no opportunity for compliance need be granted for fraud or misrepresentation.

**11.3 Mediation.** If the Grantee and City are unable to resolve a dispute through informal negotiations during the period of thirty (30) Days following the submission of the claim giving rise to the dispute by one (1) party to the other, then unless that claim has been waived as provided in the Franchise, such claim may be subject to mediation if jointly agreed upon by both parties. Unless the Grantee and City mutually agree otherwise, such mediation shall be in accordance with the rules of the American Arbitration Association currently in effect at the time of the mediation. A party seeking mediation shall file a request for mediation with the other party to the Franchise and with the American Arbitration Association. The request may be made simultaneously with the filing of a complaint, but, in such event, mediation shall proceed in advance of legal proceedings only if the other party agrees to participate in mediation. Mutually agreed upon Mediation shall stay other enforcement remedies of the parties for a period of ninety (90) days from the date of filing, unless stayed for a longer period by agreement of the Grantee and City. The Grantee and City shall each pay one-half of the mediator's fee and any filing fees. The mediation shall be held in the City unless another location is mutually agreed upon. Agreements reached in mediation shall be enforceable as a settlement agreement in any court having jurisdiction thereof. Nothing herein shall serve to modify or on any way delay the franchise enforcement process set forth in Section 10 of this Franchise.

**11.4 Failure to Enforce.** Grantee shall not be relieved of any of its obligations to comply promptly with any provision of the Franchise by reason of any failure of the City to enforce prompt compliance, and City's failure to enforce shall not constitute a waiver of rights or acquiescence in Grantee's conduct.

## 11.5 Compliance with the Laws.

(a) If any federal or state law or regulation shall require or permit City or Grantee to perform any service or act or shall prohibit City or Grantee from performing any service or act which may be in conflict with the terms of this Franchise, then as soon as possible following knowledge thereof, either party shall notify the other of the point in conflict believed to exist between such law or regulation. Grantee and City shall conform to state laws and rules regarding cable communications not later than one (1) year after they become effective, unless otherwise stated, and shall conform to federal laws and regulations regarding cable as they become effective.

(b) If any term, condition or provision of this Franchise or the application thereof to any Person or circumstance shall, to any extent, be held to be invalid or unenforceable, the remainder hereof and the application of such term, condition or provision to Persons or circumstances other than those as to whom it shall be held invalid or unenforceable shall not be affected thereby, and this Franchise and all the terms, provisions and conditions hereof shall, in all other respects, continue to be effective and complied with provided the loss of the invalid or unenforceable clause does not substantially alter the agreement between the parties. In the event such law, rule or regulation is subsequently repealed, rescinded, amended or otherwise changed so that the provision which had been held invalid or modified is no longer in conflict with the law, rules and regulations then in effect, said provision shall thereupon return to full force and effect and shall thereafter be binding on Grantee and City.

## SECTION 12 FORECLOSURE AND RECEIVERSHIP

12.1 **Foreclosure.** Upon the foreclosure or other judicial sale of the Cable System, Grantee shall notify the City of such fact and such notification shall be treated as a notification that a change in control of Grantee has taken place, and the provisions of this Franchise governing the consent to transfer or change in ownership shall apply without regard to how such transfer or change in ownership occurred.

12.2 **Receivership.** The City shall have the right to cancel this Franchise subject to any applicable provisions of state law, including the Bankruptcy Act, one hundred twenty (120) Days after the appointment of a receiver or trustee to take over and conduct the business of Grantee, whether in receivership, reorganization, bankruptcy or other action or proceeding, unless such receivership or trusteeship shall have been vacated prior to the expiration of said one hundred twenty (120) Days, or unless:

(a) Within one hundred twenty (120) Days after his election or appointment, such receiver or trustee shall have fully complied with all the provisions of this Franchise and remedied all defaults thereunder; and,

(b) Such receiver or trustee, within said one hundred twenty (120) Days, shall have executed an agreement, duly approved by the Court having jurisdiction in the

Grantee shall submit such documents to City no later than thirty (30) Days after receipt of City’s request. Grantee shall not claim confidential, privileged or proprietary rights to such documents unless under federal, State, or local law such documents have been determined to be confidential by a court of competent jurisdiction, or a federal or State agency. The request for permission must be contained in a separate document with a prominent statement that the Subscriber is authorizing the permission in full knowledge of its provisions. Such written permission shall be for a limited period of time not to exceed

one (1) year which may be renewed at the option of the Subscriber. No penalty shall be invoked for a Subscriber's failure to provide or renew such permission. The permission shall be revocable at any time by the Subscriber without penalty of any kind whatsoever.

After disconnection, upon payment in full of the delinquent fee or charge and the payment of a reconnection charge, Grantee shall promptly reinstate the Subscriber's Cable Service.

**15.2 Refunds to Subscribers shall be made or determined in the following manner:**

(a) If Grantee fails, upon request by a Subscriber, to provide any service then being offered, Grantee shall promptly refund all deposits or advance charges paid for the service in question by said Subscriber. (b) If any Subscriber terminates any monthly service because of failure of Grantee to render the service in accordance with this Franchise, Grantee shall refund to such Subscriber the proportionate share of the charges paid by the Subscriber for the services not received. This provision does not relieve Grantee of liability established in other provisions of this Franchise.

**16.1 Franchise Fees.** During the term of the Franchise, Grantee shall pay to the City a Franchise Fee of five percent (5%) of Gross Revenues. If any such law, regulation or valid rule alters the five percent (5%) Franchise Fee ceiling enacted by the Cable Act, then the City shall have the authority to (but shall not be required to) increase the Franchise Fee accordingly, provided such increase is for purposes not inconsistent with Applicable Law. In the event Grantee bundles or combines Cable Services (which are subject to the Franchise Fee) with non-Cable Services (which are not subject to the Franchise Fee) so that Subscribers pay a single fee for more than one (1) class of service resulting in a discount on Cable Services, Grantee agrees that for the purpose of calculation of the Franchise Fee, it shall allocate to Cable Service revenue no less than a pro rata share of the revenue received for the bundled or combined services. The pro rata share shall be computed on the basis of the published charge for each service in the bundled or combined classes of services when purchased separately.

(a) Franchise Fees shall be paid quarterly not later than forty-five (45) Days following the end of a given quarter. In accordance with Section 16 of this Franchise, Grantee shall file with the City a Franchise Fee payment worksheet, attached as Exhibit B, signed by an authorized representative of Grantee, which identifies Gross Revenues earned by Grantee during the period for which payment is made. No acceptance of any payment shall be construed as an accord that the amount paid is in fact, the correct amount, nor shall such acceptance of payment be construed as a release of any claim which the City may have for further or additional sums payable under the provisions of this section.

(b) Neither current nor previously paid Franchise Fees shall be subtracted from the Gross Revenue amount upon which Franchise Fees are calculated and due for any period, unless otherwise required by Applicable Law.

(c) Any Franchise Fees owing pursuant to this Franchise which remain unpaid more than forty-five (45) Days after the dates specified herein shall be delinquent and shall thereafter accrue interest at twelve percent (12%) per annum or two percent (2%) above prime lending rate as quoted by the Wall Street Journal, whichever is greater.

(d) In no event shall the Grantee be required to pay a Franchise Fee percentage in excess of that paid by incumbent cable provider.

**16.2 Auditing and Financial Records.** Throughout the term of this Franchise, the Grantee agrees that the City, upon reasonable prior written notice of not less than twenty (20) Days to the Grantee, may review such of the Grantee's books and records regarding the operation of the Cable System and the provision of Cable Service in the Franchise Area which are reasonably necessary to monitor and enforce Grantee's compliance with the provisions of this Franchise. Grantee shall provide such requested information as soon as possible and in no event more than thirty (30) Days after the notice unless Grantee explains that it is not feasible to meet this timeline and provides a written explanation for the delay and an estimated reasonable date for when such information will be provided. All such documents pertaining to financial matters that may be the subject of an inspection by the City shall be retained by the Grantee for a minimum period of six (6) years, pursuant to Minnesota Statutes Section 541.05. The Grantee shall not deny the City access to any of the Grantee's records on the basis that the Grantee's records are under the control of any parent corporation, Affiliated entity or a third party. The City may request in writing copies of any such records or books that are reasonably necessary, and the Grantee shall provide such copies within thirty (30) Days of the receipt of such request. One (1) copy of all reports and records required under this or any other section shall be furnished to the City at the sole expense of the Grantee. If the requested books and records are too voluminous, or for security reasons cannot be copied or removed, then the Grantee may request, in writing within ten (10) Days of receipt of such request, that the City inspect them at the Grantee's local offices or at one of Grantee's offices more convenient to City or its duly authorized agent. If any books or records of the Grantee are not kept in such office and not made available in copies to the City upon written request as set forth above, and if the City determines that an examination of such records is necessary for the enforcement of this Franchise, then all reasonable travel expenses incurred in making such examination shall be paid by the Grantee.

**16.3 Review of Record Keeping Methodology.** Grantee agrees to meet with representative of the City upon request to review its methodology of record-keeping, financial reporting, computing Franchise Fee obligations, and other procedures the understanding of which the City deems necessary for understanding the meaning of reports and records related to the Franchise.

**16.4 Audit of Records.** The City or its authorized agent may at any time and at the City's own expense conduct an independent audit of the revenues of Grantee in order to verify the accuracy of Franchise Fees paid to the City. Grantee shall cooperate fully in the conduct of such audit and shall produce all necessary records related to the provision of Cable Services regardless of which corporate entity controls such records. In the event it is determined through such audit that Grantee has underpaid Franchise Fees in an amount of five percent (5%) or more than was due the City, then Grantee shall reimburse the City for the entire reasonable cost of the audit within thirty (30) days of the completion and acceptance of the audit by the City.

**16.5 Records to be reviewed.** The City agrees to request access to only those books and records, in exercising its rights under this section, which it deems reasonably necessary for the enforcement and administration of the Franchise.

## 16.6 Indemnification by Grantee.

(a) Grantee shall, at its sole expense, fully indemnify, defend and hold harmless the City, and in their capacity as such, the officers and employees thereof, from and against any and all claims, suits, actions, liability and judgments for damage or otherwise except those arising wholly from negligence on the part of the City or its employees; for actual or alleged injury to persons or property, including loss of use of property due to an occurrence, whether or not such property is physically damaged or destroyed, in any way arising out of or through or alleged to arise out of or through the acts or omissions of Grantee or its officers, agents, employees, or contractors or to which Grantee's or its officers, agents, employees or contractors acts or omissions in any way contribute, and whether or not such acts or omissions were authorized or contemplated by this Franchise or Applicable Law; arising out of or alleged to arise out of any claim for damages for Grantee's invasion of the right of privacy, defamation of any Person, firm or corporation, or the violation of infringement of any copyright, trademark, trade name, service mark or patent, or of any other right of any Person, firm or corporation; arising out of or alleged to arise out of Grantee's failure to comply with the provisions of any Applicable Law. Nothing herein shall be deemed to prevent the City, its officers, or its employees from participating in the defense of any litigation by their own counsel at such parties' expense. Such participation shall not under any circumstances relieve Grantee from its duty of defense against liability or of paying any judgment entered against the City, its officers, or its employees.

(b) Grantee shall contemporaneously with this Franchise execute an Indemnity Agreement in a form acceptable to the City attached hereto as Exhibit C, which shall indemnify, defend and hold the City harmless for any claim for injury, damage, loss, liability, cost or expense, including court and appeal costs and reasonable attorneys' fees or reasonable expenses arising out of the actions of the City in granting this Franchise. This obligation includes any claims by another franchised cable operator against the City that the terms and conditions of this Franchise are less burdensome than another franchise granted by the City or that this Franchise does not satisfy the requirements of Applicable Law(s).

**16.7 Grantee Insurance.** Upon the Effective Date, Grantee shall, at its sole expense take out and maintain during the term of this Franchise public liability insurance with a company licensed to do business in the state of Minnesota with a rating by A.M. Best & Co. of not less than "A-" that shall protect the Grantee, City and its officials, officers, directors, employees and agents from claims which may arise from operations under this Franchise, whether such operations be by the Grantee, its officials, officers, directors, employees and agents or any subcontractors of Grantee. This liability insurance shall include, but shall not be limited to, protection against claims arising from bodily and personal injury and damage to property, resulting from Grantee's vehicles, products and operations. The amount of insurance for single limit coverage applying to bodily and personal injury and property damage shall not be less than Three Million Dollars (\$3,000,000). The liability policy shall include:

(a) The policy shall provide coverage on an "occurrence" basis.

- (b) The policy shall cover personal injury as well as bodily injury.
- (c) The policy shall cover blanket contractual liability subject to the standard universal exclusions of contractual liability included in the carrier's standard endorsement as to bodily injuries, personal injuries and property damage.
- (d) Broad form property damage liability shall be afforded.
- (e) City shall be named as an additional insured on the policy.
- (f) An endorsement shall be provided which states that the coverage is primary insurance with respect to claims arising from Grantee's operations under this Franchise and that no other insurance maintained by the Grantor will be called upon to contribute to a loss under this coverage.
- (g) Standard form of cross-liability shall be afforded.
- (h) An endorsement stating that the policy shall not be canceled without thirty (30) Days notice of such cancellation given to City
- (i) City reserves the right to adjust the insurance limit coverage requirements of this Franchise no more than once every three (3) years. Any such adjustment by City will be no greater than the increase in the State of Minnesota Consumer Price Index (all consumers) for such three (3) year period.
- (j) Upon the Effective Date, Grantee shall submit to City a certificate documenting the required insurance, as well as any necessary properly executed endorsements. The certificate and documents evidencing insurance shall be in a form acceptable to City and shall provide satisfactory evidence that Grantee has complied with all insurance requirements. Renewal certificates shall be provided to City prior to the expiration date of any of the required policies. City will not be obligated, however, to review such endorsements or certificates or other evidence of insurance, or to advise Grantee of any deficiencies in such documents and receipt thereof shall not relieve Grantee from, nor be deemed a waiver of, City's right to enforce the terms of Grantee's obligations hereunder. City reserves the right to examine any policy provided for under this paragraph or to require further documentation reasonably necessary to form an opinion regarding the adequacy of Grantee's insurance coverage.

## **SECTION 17 MISCELLANEOUS PROVISIONS.**

**17.1 Posting and Publication.** Grantee shall assume the cost of posting and publication of this Franchise as such posting and publication is required by law and such is payable upon Grantee's filing of acceptance of this Franchise.

**17.2 Guarantee of Performance.** Grantee agrees that it enters into this Franchise voluntarily in order to secure and in consideration of the grant from the City of a five (5) year

Franchise. Performance pursuant to the terms and conditions of this Franchise is guaranteed by Grantee.

17.3 **Entire Agreement.** This Franchise contains the entire agreement between the parties, supersedes all prior agreements or proposals except as specifically set forth herein, and cannot be changed orally but only by an instrument in writing executed by the parties. This Franchise is made pursuant to Minnesota Statutes Chapter 238 and is intended to comply with all requirements set forth therein.

17.4 **Consent.** Wherever the consent or approval of either Grantee or the City is specifically required in this agreement, such consent or approval shall not be unreasonably withheld.

17.5 **Franchise Acceptance.** No later than forty-five (45) Days following City Council approval of this Franchise, Grantee shall execute and return to the City three (3) original franchise agreements. The executed agreements shall be returned to the City accompanied by performance bonds, and evidence of insurance, all as provided in this Franchise. The City's "Notice of Intent to Consider an Application for a Franchise" ("Notice") provided, consistent with Minn. Stat. 238.081 subd. 8, that applicants would be required to reimburse the City for all necessary costs of processing a cable communications franchise. Grantee submitted an application fee with its application to the City. The Notice further provided that any unused portion of the application fee would be returned and any additional fees required to process the application and franchise, beyond the application fee, would be assessed to the successful applicant. The Grantee shall therefore submit to the City at the time of acceptance of this Franchise, a check made payable to the City of Richfield, Minnesota for all additional fees and costs incurred by the City. Within thirty (30) days of City Council approval, the City shall provide Grantee with a letter specifying such additional costs following approval of this Franchise by the City Council. In the event Grantee fails to accept this Franchise, or fails to provide the required documents and payments, this Franchise shall be null and void. The Grantee agrees that despite the fact that its written acceptance may occur after the Effective Date, the obligations of this Franchise shall become effective on the Effective Date.

17.6 **Amendment of Franchise.** Grantee and City may agree, from time to time, to amend this Franchise. Such written amendments may be made subsequent to a review session pursuant to Section 2.7 or at any other time if City and Grantee agree that such an amendment will be in the public interest or if such an amendment is required due to changes in federal, state or local laws; provided, however, nothing herein shall restrict City's exercise of its police powers.

17.7 **Notice.** Any notification that requires a response or action from a party to this Franchise, within a specific time-frame or would trigger a timeline that would affect one or both parties' rights under this Franchise, shall be made in writing and shall be sufficiently given and served upon the other party by hand delivery, first class mail, registered or certified, return receipt requested, postage prepaid, or by reputable overnight courier service and addressed as follows:

**17.9 Work of Contractors and Subcontractors.** Work by contractors and subcontractors are subject to the same restrictions, limitations and conditions as if the work were performed by Grantee. Grantee shall be responsible for all work performed by its contractors and subcontractors, and others performing work on its behalf as if the work were performed by it and shall ensure that all such work is performed in compliance with this Franchise, the City Code and other Applicable Law, and shall be jointly and severally liable for all damages and correcting all damage caused by them. It is Grantee's responsibility to ensure that contractors, subcontractors or other Persons performing work on Grantee's behalf are familiar with the requirements of this Franchise, the City Code and other Applicable Laws governing the work performed by them.

**17.10 Abandonment of System.** Grantee may not abandon the System or any portion thereof used exclusively for Cable Services, without having first given three (3) months written notice to City and conforming to the City Code, as well as the state right-of-way rules, Minn. Rules, Chapter 7819. To the extent required by Minn. Stat. §238.084 Subd. 1 (w), Grantee shall compensate City for damages resulting from the abandonment.

**17.11 Removal After Abandonment.** In the event of Grantee's abandonment of the System used exclusively for Cable Services, City shall have the right to require Grantee to conform to the City Code, as well as the state right-of-way rules, Minn. Rules, Chapter 7819. If Grantee has failed to commence removal of System, or such part thereof as was designated by City, within thirty (30) Days after written notice of City's demand for removal consistent with City Code and Minn. Rules, Ch. 7819, is given, or if Grantee has failed to complete such removal within twelve (12) months after written notice of City's demand for removal is given City shall have the right to apply funds secured by the performance bond toward removal and/or declare all right, title, and interest to the System to be in City with all rights of ownership including, but not limited to, the right to operate the System or transfer the System to another for operation by it.

**17.12 Governing Law.** This Franchise shall be deemed to be executed in the State of Minnesota, and shall be governed in all respects, including validity, interpretation and effect, and construed in accordance with, the laws of the State of Minnesota, as applicable to contracts entered into and performed entirely within the State.

**17.13 Nonenforcement by City.** Grantee shall not be relieved of its obligation to comply with any of the provisions of this Franchise by reason of any failure of the City or to enforce prompt compliance.

**17.14 Captions.** The paragraph captions and headings in this Franchise are for convenience and reference purposes only and shall not affect in any way the meaning of interpretation of this Franchise.

**17.15 Calculation of Time.** Where the performance or doing of any act, duty, matter, payment or thing is required hereunder and the period of time or duration for the performance is prescribed and fixed herein, the time shall be computed so as to exclude the first and include the last Day of the prescribed or fixed period or duration of time. When the last Day of the period falls on Saturday, Sunday or a legal holiday that Day shall be omitted from the computation and the next business Day shall be the last Day of the period.

**17.16 Survival of Terms.** Upon the termination or forfeiture of the Franchise, Grantee shall no longer have the right to occupy the Streets for the purpose of providing Cable Service. However, Grantee's obligations to the City (other than the obligation to provide service to Subscribers) shall survive according to their terms.

**17.17 Competitive Equity.** If any other Wireline MVPD enters into any agreement with the City to provide multi channel video programming or its equivalent to residents in the City, the City, upon written request of the Grantee, shall permit the Grantee to construct and/or operate its Cable System and provide multi channel video programming or its equivalent to Subscribers

in the City under the same agreement as applicable to the new MVPD. **Indemnity Agreement**

**INDEMNITY AGREEMENT** made this \_\_\_\_ day of \_\_\_\_\_, 20 \_\_, by and between Qwest Broadband Services, Inc., a Delaware Corporation, party of the first part, hereinafter called "CenturyLink," and the City of Richfield, a Minnesota Municipal Corporation, party of the second part, hereinafter called "City."

**WITNESSETH:**

**WHEREAS**, the City of Richfield has awarded to Qwest Broadband Services, Inc. a franchise for the operation of a cable communications system in the City of Richfield; and

**WHEREAS**, the City has required, as a condition of its award of a cable communications franchise, that it be indemnified with respect to all claims and actions arising from the award of said franchise,

**NOW THEREFORE**, in consideration of the foregoing promises and the mutual promises contained in this agreement and in consideration of entering into a cable television franchise agreement and other good and valuable consideration, receipt of which is hereby acknowledged, CenturyLink hereby agrees, at its sole cost and expense, to fully indemnify, defend and hold harmless the City, its officers, boards, commissions, employees and agents against any and all claims, suits, actions, liabilities and judgments for damages, cost or expense (including, but not limited to, court and appeal costs and reasonable attorneys' fees and disbursements assumed or incurred by the City in connection therewith) arising out of the actions of the City in granting a franchise to CenturyLink. This includes any claims by another franchised cable operator against the City that the terms and conditions of the CenturyLink franchise are less burdensome than another franchise granted by the City or that the CenturyLink Franchise does not satisfy the requirements of applicable federal, state, or local law(s). The indemnification provided for herein shall not extend or apply to any acts of the City constituting a violation or breach by the City of the contractual provisions of the franchise ordinance, unless such acts are the result of a change in applicable law, the order of a court or administrative agency, or are caused by the acts of CenturyLink.

The City shall give CenturyLink reasonable notice of the making of any claim or the commencement of any action, suit or other proceeding covered by this agreement. The City shall cooperate with CenturyLink in the defense of any such action, suit or other proceeding at the request of CenturyLink. The City may participate in the defense of a claim, but if CenturyLink provides a defense at CenturyLink's expense then CenturyLink shall not be liable for any attorneys' fees, expenses or other costs that City may incur if it chooses to participate in the defense of a claim, unless and until separate representation is required. If separate representation to fully protect the interests of both parties is or becomes necessary, such as a conflict of interest, in accordance with the Minnesota Rules of Professional Conduct, between the City and the counsel selected by CenturyLink to represent the City, CenturyLink shall pay, from the date such separate representation is required forward, all reasonable expenses incurred by the City in defending itself with regard to any action, suit or proceeding indemnified by CenturyLink. Provided, however, that in the event that such separate representation is or becomes necessary,

and City desires to hire counsel or any other outside experts or consultants and desires CenturyLink to pay those expenses, then City shall be required to obtain CenturyLink's consent to the engagement of such counsel, experts or consultants, such consent not to be unreasonably withheld. Notwithstanding the foregoing, the parties agree that the City may utilize at any time, at its own cost and expense, its own City Attorney or outside counsel with respect to any claim brought by another franchised cable operator as described in this agreement.

The provisions of this agreement shall not be construed to constitute an amendment of the cable communications franchise ordinance or any portion thereof, but shall be in addition to and independent of any other similar provisions contained in the cable communications franchise ordinance or any other agreement of the parties hereto. The provisions of this agreement shall not be dependent or conditioned upon the validity of the cable communications franchise ordinance or the validity of any of the procedures or agreements involved in the award or acceptance of the franchise, but shall be and remain a binding obligation of the parties hereto even if the cable communications franchise ordinance or the grant of the franchise is declared null and void in a legal or administrative proceeding.

It is the purpose of this agreement to provide maximum indemnification to City under the terms set out herein and, in the event of a dispute as to the meaning of this Indemnity Agreement, it shall be construed, to the greatest extent permitted by law, to provide for the indemnification of the City by CenturyLink. This agreement shall be a binding obligation of and shall inure to the benefit of, the parties hereto and their successor's and assigns, if any.

**CITY OF RICHFIELD, MINNESOTA**

**RESOLUTION NO. 11172**

**REGARDING AN ORDINANCE GRANTING A COMPETITIVE CABLE FRANCHISE  
FOR QWEST BROADBAND SERVICES, INC., D/B/A CENTURYLINK**

**RECITALS:**

**WHEREAS**, the City of Richfield, Minnesota makes the following FINDINGS OF FACT:

1. In October 2014, Qwest Broadband Services, Inc., d/b/a CenturyLink, Inc. (“CenturyLink”) requested that the City of Richfield, Minnesota (“City”) initiate proceedings to consider awarding it a franchise to provide cable communications services in the City (“Service Territory”).
2. Comcast of Arkansas/Florida/Louisiana/Minnesota/Mississippi/Tennessee, Inc. (“Comcast”) holds a non-exclusive cable communications franchise for the Service Territory (“Comcast Franchise”).
3. The Comcast Franchise, which the City last renewed in August 2012, is currently the only cable communications franchise for the Service Territory.
4. The monopoly held by a sole cable communication provider in a particular market is a barrier to entry for additional providers, which does not have a captive market but must instead “win” every subscriber.<sup>1</sup>
5. The presence of a second cable operator in a market improves the quality of service offerings and drives down prices by approximately 15%.<sup>2</sup>
6. On April 2 and April 9, 2015, the City published a Notice of Intent to Franchise a Cable Communications System (“Notice”) in the Sun Current, a newspaper of general circulation in the Service Territory.
7. The Notice indicated that the City was soliciting franchise applications and provided information regarding the application process, including that applications were required to be submitted on or before April 24, 2015 and that a public hearing to hear proposals from applicants would be held May 12, 2015 at 7:00 PM.
8. The City also mailed copies of the Notice and application materials to CenturyLink and Comcast.<sup>3</sup>

Mar. 5, 2007) (“621 Order”).

<sup>2</sup> *Id.* at ¶¶ 2, 50.

9. On April 24, 2015, the City received an application from CenturyLink (the “CenturyLink Application”). The City did not receive any other applications.
10. As provided by the Notice, on May 12, 2015 the City held a public hearing during the City Council’s regularly scheduled meeting to consider CenturyLink’s application and qualifications.
11. On May 4, 2015, Comcast submitted a letter to the City setting forth its position regarding the CenturyLink Application (“Comcast Letter”).<sup>4</sup>
12. The Comcast Letter expresses concern about how CenturyLink’s proposal compared to particular provisions of the existing Comcast Franchise.<sup>5</sup>
13. The Comcast Letter also summarizes Comcast’s position regarding build-out requirements and other proposed terms related to competition in the cable industry.<sup>6</sup>
14. During the hearing, CenturyLink presented its proposal and all other interested parties were provided an opportunity to speak and present information to the City Council regarding the CenturyLink Application.
15. Following the hearing, the law firm of Moss & Barnett, a Professional Association prepared a report, dated June 1, 2015 (“Franchise Report”), reviewing and analyzing the City’s franchising procedures, the CenturyLink Application and other information provided by CenturyLink in connection with the May 18, 2015 public hearing.<sup>7</sup>
16. The Franchise Report identifies and discusses federal and state legal requirements relevant to the City’s consideration of the CenturyLink Application, including laws pertaining to franchising procedures and competition between providers.<sup>8</sup>
17. The Franchise Report also analyzes information provided by CenturyLink to establish its qualifications to operate a cable communications franchise in the Service Territory.<sup>9</sup>
18. At its meeting on October 28, 2015, the Southwest Suburban Cable Commission (“Commission”) considered the Franchise Report along with the information and documentation it had received regarding the CenturyLink Application, and adopted Resolution 2015-1 finding and concluding that the CenturyLink Application complied with the requirements of Minn. Stat. § 238.081 and that CenturyLink is legally,

technically, and financially qualified to operate a cable communications system within the Service Territory.

19. In Minnesota, both State and federal law govern the terms and conditions of an additional cable communications franchise in an already-franchised service area.<sup>10</sup>
20. The franchising authority may not grant an exclusive franchise or unreasonably refuse to award an additional competitive franchise.<sup>11</sup>
21. The franchising authority must allow an applicant reasonable time to become capable of providing cable service to all households in the service area.<sup>12</sup>
22. The franchising authority may grant an additional franchise in an already-franchised service area if the terms and conditions of the additional franchise are not “more favorable or less burdensome than those in the existing franchise” regarding the area served, the PEG access requirements, and franchise fees.<sup>13</sup>
23. The additional franchise must also include, among other things, “a schedule showing . . . that the construction throughout the authorized franchise area must be substantially completed within five years of the granting of the franchise.”<sup>14</sup>
24. In order to ensure that any additional franchise granted to CenturyLink would contain substantially similar service area, PEG access requirements, and franchise fees to the Comcast Franchise, the City used the Comcast Franchise as the base document for its negotiations.
25. On December 31, 2015, the City Council gave notice that it intended to introduce an ordinance granting a cable communications franchise to CenturyLink.
26. On January 12, 2016, the City Council introduced Ordinance No. \_\_\_\_\_, an Ordinance of the City of Richfield Granting a Cable Communications Franchise to Qwest Broadband Services, Inc. d/b/a CenturyLink (“CenturyLink Franchise”).
27. Copies of the CenturyLink Franchise were made available to the public, including Comcast, on December 22, 2015.
28. The CenturyLink Franchise encompasses the same Service Territory encompassed by the Comcast Franchise.<sup>15</sup>
29. The franchise fees required by the CenturyLink Franchise are identical to those required by the Comcast Franchise.<sup>16</sup>

32. The CenturyLink Franchise therefore requires CenturyLink’s initial deployment to be capable of serving at least 15% of the living units in the Service Territory within two years.
33. The CenturyLink Franchise permits the City to monitor CenturyLink’s progress and compliance with build-out requirements via quarterly meeting and accelerates the build-out schedule if CenturyLink has market success, with the goal and expectation that build-out will be substantially complete before the CenturyLink Franchise’s five-year term expires.<sup>19</sup>
34. During its regularly scheduled meeting on January 12, 2016, the City Council will hold a public hearing at which all interested parties are provided an opportunity to speak and present information regarding the proposed CenturyLink Franchise.

**WHEREAS**, the City has considered these facts and the cable-related needs and interests of the community:

**NOW THEREFORE**, the City Council for the City of Richfield, Minnesota hereby resolves as follows:

1. The foregoing findings are adopted as the official findings of the City Council and made a part of the official record.
2. The City has authority to adopt an ordinance granting a cable communications franchise to CenturyLink for the Service Territory.
3. The City may not unreasonably refuse to award a competitive cable communications franchise to CenturyLink.
4. The City and its residents will benefit from adoption of the CenturyLink Franchise, which will introduce facilities-based competition into the cable communications market in the Service Territory and thereby reduce costs to consumers and increase the quality and availability of services.

8. The CenturyLink Franchise's initial deployment requirement of 15% within two years and 5-year timeline for substantially completing build-out provides a reasonable period of time for CenturyLink to become capable of reaching full deployment and is therefore consistent with both State and federal law.

## MEMORANDUM

To: City Council of the City of Richfield, Minnesota  
From: Brian Grogan  
Date: December 21, 2015  
Re: Competition in Cable Communications Franchising

---

### **Executive Summary**

The City of Richfield, Minnesota ("City") is considering granting a competitive cable franchise to Qwest Broadband Services, Inc., d/b/a CenturyLink ("CenturyLink") in a service area for which Comcast holds an existing franchise. This memorandum is intended to assist the City Council ("Council") in its consideration of the proposed Ordinance Granting a Competitive Cable Franchise for Qwest Broadband Services, Inc., d/b/a CenturyLink ("CenturyLink Franchise") by summarizing the legal issues surrounding its terms that relate to competition in the cable communications industry.

### **Details**

The Southwest Suburban Cable Commission ("Commission") adopted Resolution No. 2015-1 enclosed as Exhibit 1 finding CenturyLink to be legally, technically, and financially qualified to provide cable communications services to residents of the City. In connection with that finding, the Commission authorized City staff to negotiate with CenturyLink to determine if mutually agreeable terms for such a franchise could be reached. Those negotiations are now complete and have resulted in the proposed CenturyLink Franchise enclosed as Exhibit 2. City staff has also prepared for the Council's review and consideration, written "findings of fact," enclosed as Exhibit 3, setting forth the factual and legal basis for the grant of the CenturyLink

Franchise and the impact of relevant State and federal competitive cable franchise laws and regulations.

***Build-out***

To help promote competition in and minimize unnecessary regulatory burdens on the cable communications industry, the Cable Communications Policy Act of 1984, as amended by the Cable Consumer Protection and Competition Act of 1992 and Telecommunications Act of 1996 (the "Cable Act") prohibits local franchising authorities from granting exclusive cable communications franchises or unreasonably refusing to award an additional franchise to a qualified applicant.<sup>1</sup> The Federal Communications Commission ("FCC"), which administers the Cable Act, addressed competitive cable franchising in its 2007 *Report and Order and Further Notice of Rulemaking* (generally referred to as the "621 Order" after its subject, Section 621 of the legislation that became the Cable Act). The 621 Order explained that an unreasonable refusal in contravention of the Cable Act could occur not only by outright denial of a franchise application, but also by creating conditions that operate as de facto denials.

One variety of de facto denial addressed by the 621 Order is the imposition of unreasonable build out requirements that act as a barrier for an additional cable provider to enter a market with an existing franchise:

Build-out requirements deter market entry because a new entrant generally must take customers from the incumbent cable operator . . . . Because the second provider realistically cannot count on acquiring a share of the market similar to the incumbent's share, the second entrant cannot justify a large initial deployment. Rather, a new entrant must begin offering service within a smaller area to determine whether it can reasonably ensure a return on its investment before expanding.<sup>2</sup>

---

<sup>1</sup> 47 U.S.C. § 541(a)(1).

<sup>2</sup> 621 Order at ¶ 35.

The 621 Order did not prohibit all build out requirements, but instead provided examples of unreasonable build out requirements—and of reasonable ones, such as a small initial deployment and required expansion triggered by market success.<sup>3</sup>

Minnesota Statutes Chapter 238, which establishes statewide cable communications requirements, also addresses build out by requiring “a provision in initial franchises identifying . . . a schedule showing: . . . that construction throughout the authorized franchise area must be substantially completed within five years of the granting of the franchise.”<sup>4</sup> CenturyLink takes the position that Minnesota’s five-year build out requirement is unreasonable under the 621 Order and is therefore preempted by the federal law. Comcast disagrees and points to the FCC’s recent reaffirmation that the 621 Order’s rulings “were intended to apply only to the local franchising process and not to franchising laws and decisions at the state level.”<sup>5</sup>

The CenturyLink Franchise addresses this issue by requiring a modest initial deployment (at least 15% of the service area within two years) and linking build out requirements to market-success benchmarks that CenturyLink must use its best efforts to meet, but granting the City sole discretion to determine, at the end of five years, whether CenturyLink has fulfilled its build out obligations to qualify for renewal of the franchise.<sup>6</sup>

### ***Competitive Equity***

The Minnesota cable communications statutes also contain a general level-playing-field (i.e., “competitive equity”) provision that requires that an additional franchise include no terms or conditions “more favorable or less burdensome than those in the existing franchise pertaining to: (1) the area served; (2) public, educational, or governmental access requirements; or

<sup>6</sup> CenturyLink Franchise §2.6.

(3) franchise fees.”<sup>7</sup> Minnesota courts have interpreted this provision as requiring “substantially similar”—rather than identical—terms.<sup>8</sup> Several attempts have been made to ensure that the CenturyLink Franchise is substantially similar to Comcast’s existing franchise: first, the Comcast franchise served as the base document for negotiation of the CenturyLink Franchise; second, the franchise fees required by the CenturyLink Franchise are identical to those required by Comcast’s franchise; third, the geographic area (after complete build-out) of the CenturyLink Franchise matches the area specified in Comcast’s franchise; and fourth, the CenturyLink Franchise requires CenturyLink to require substantially similar—if not greater—public, educational, and governmental access.

***Findings of Fact***

As previously indicated, whether the Council ultimately grants or denies the proposed CenturyLink Franchise, it must examine all of the evidence presented to it, weigh the facts, and apply the correct legal standards. Enclosed as Exhibit 3 are draft findings of fact generally supporting a decision to approve the CenturyLink Franchise. With the caveat that best practices dictate that the final findings of fact should respond to any evidence or argument against approval, the attached findings of fact may serve as a useful starting point if the Council elects to grant CenturyLink the franchise it seeks.

**CITY OF RICHFIELD, MINNESOTA  
RESOLUTION NO. \_\_\_\_\_**

**Regarding an Ordinance Granting a Competitive Cable Franchise  
for Qwest Broadband Services, Inc., d/b/a CenturyLink**

**RECITALS:**

**WHEREAS**, the City of Richfield, Minnesota makes the following FINDINGS OF FACT:

1. In October 2014, Qwest Broadband Services, Inc., d/b/a CenturyLink, Inc. (“CenturyLink”) requested that the City of Richfield, Minnesota (“City”) initiate proceedings to consider awarding it a franchise to provide cable communications services in the City (“Service Territory”).
2. Comcast of Arkansas/Florida/Louisiana/Minnesota/Mississippi/Tennessee, Inc. (“Comcast”) holds a non-exclusive cable communications franchise for the Service Territory (“Comcast Franchise”).
3. The Comcast Franchise, which the City last renewed in August 2012, is currently the only cable communications franchise for the Service Territory.
4. The monopoly held by a sole cable communication provider in a particular market is a barrier to entry for additional providers, which does not have a captive market but must instead “win” every subscriber.<sup>1</sup>
5. The presence of a second cable operator in a market improves the quality of service offerings and drives down prices by approximately 15%.<sup>2</sup>
6. On April 2 and April 9, 2015, the City published a Notice of Intent to Franchise a Cable Communications System (“Notice”) in the Sun Current, a newspaper of general circulation in the Service Territory.
7. The Notice indicated that the City was soliciting franchise applications and provided information regarding the application process, including that applications were required to be submitted on or before April 24, 2015 and that a public hearing to hear proposals from applicants would be held May 12, 2015 at 7:00 PM.
8. The City also mailed copies of the Notice and application materials to CenturyLink and Comcast.<sup>3</sup>

Mar. 5, 2007) (“621 Order”).

<sup>2</sup> *Id.* at ¶¶ 2, 50.

9. On April 24, 2015, the City received an application from CenturyLink (the “CenturyLink Application”). The City did not receive any other applications.
10. As provided by the Notice, on May 12, 2015 the City held a public hearing during the City Council’s regularly scheduled meeting to consider CenturyLink’s application and qualifications.
11. On May 4, 2015, Comcast submitted a letter to the City setting forth its position regarding the CenturyLink Application (“Comcast Letter”).<sup>4</sup>
12. The Comcast Letter expresses concern about how CenturyLink’s proposal compared to particular provisions of the existing Comcast Franchise.<sup>5</sup>
13. The Comcast Letter also summarizes Comcast’s position regarding build-out requirements and other proposed terms related to competition in the cable industry.<sup>6</sup>
14. During the hearing, CenturyLink presented its proposal and all other interested parties were provided an opportunity to speak and present information to the City Council regarding the CenturyLink Application.
15. Following the hearing, the law firm of Moss & Barnett, a Professional Association prepared a report, dated June 1, 2015 (“Franchise Report”), reviewing and analyzing the City’s franchising procedures, the CenturyLink Application and other information provided by CenturyLink in connection with the May 18, 2015 public hearing.<sup>7</sup>
16. The Franchise Report identifies and discusses federal and state legal requirements relevant to the City’s consideration of the CenturyLink Application, including laws pertaining to franchising procedures and competition between providers.<sup>8</sup>
17. The Franchise Report also analyzes information provided by CenturyLink to establish its qualifications to operate a cable communications franchise in the Service Territory.<sup>9</sup>
18. At its meeting on October 28, 2015, the Southwest Suburban Cable Commission (“Commission”) considered the Franchise Report along with the information and documentation it had received regarding the CenturyLink Application, and adopted Resolution 2015-1 finding and concluding that the CenturyLink Application complied with the requirements of Minn. Stat. § 238.081 and that CenturyLink is legally,

**ITEM FOR COUNCIL CONSIDERATION:**

**Consideration of a second reading and resolution for summary publication of an ordinance to allow beekeeping in the City of Richfield.**

**EXECUTIVE SUMMARY:**

The City Code currently prohibits beekeeping within the City. Beekeeping has become an accepted use throughout the metro area. The City has received several requests to allow beekeeping and after staff research and discussions the attached ordinance is being offered for consideration. The City has never addressed beekeeping and since it's a new code, extensive discussions have occurred between Community Development, Recreation and Public Safety staff with assistance and review from the City Attorney's office concerning the contents of the code being recommended.

Wood Lake Nature Center staff are well versed on beekeeping issues and will be our technical experts should issues arise.

Planning Commission suggestions have been considered in the final version of the ordinance.

A first reading of this ordinance occurred at the January 12, 2016 Council Meeting.

**RECOMMENDED ACTION:**

**By motion: Approve the second reading and resolution for summary publication of an ordinance allowing beekeeping within the City.**

**BASIS OF RECOMMENDATION:**

**A. HISTORICAL CONTEXT**

Bees are currently a prohibited animal, for the purpose of keeping, under City Code. Beekeeping was not an allowed use in the city but a public hearing was held on this ordinance at the December 14, 2015 Planning Commission Meeting and the Planning Commission approved the zoning changes.

**B. POLICIES (resolutions, ordinances, regulations, statutes, etc):**

The attached draft of the beekeeping ordinance has been reviewed internally by many staff members to

include persons in Zoning, Recreation (Wood Lake Nature Center), Building Inspection and Public Safety staff.

**C. CRITICAL TIMING ISSUES:**

There are no critical timing issues.

**D. FINANCIAL IMPACT:**

There is no financial impact.

**E. LEGAL CONSIDERATION:**

The City Attorney, with staff, has drafted the ordinance and will be available for legal questions. The City Attorney approves of its contents.

**ALTERNATIVE RECOMMENDATION(S):**

The Council could leave the ordinances as they currently are which would mean that beekeeping would be prohibited.

Any property owner who objects to the registration must submit objections in writing to the City Manager within ten (10) days of the date of the notice. If the City Manager receives any written objections relating to an application, the City Manager will act on the application. If a written objection relating to an initial registration application includes evidence that a property owner, or a person residing at the property, within the 100-foot notice area, has a verifiable, documented medical allergy to bees, the City Manager shall deny the application. Such basis for denial shall not apply to objections submitted related to a renewal application.

**Subd. 6.** Beekeeping training and education is required for the beekeeper prior to the issuance of the initial beekeeping permit by the City. **ITEM FOR COUNCIL CONSIDERATION:**

**Consideration of agreements with non-profit organizations to provide social services to the City of Richfield and authorization of the City Manager to execute the agreements for services with those agencies.**

**EXECUTIVE SUMMARY:**

Consistent with prior years, the 2016 City Budget includes funding for organizations that provide social services that are deemed to be of benefit to the City and the community in general. The 2016 Budget includes \$70,480 for this purpose.

In November of 2015 staff distributed a Request For Proposals for Social Services to non-profit agencies serving the City of Richfield, for services to be provided in 2016.

A total of eleven proposals were received from the following agencies: Headway Emotional Health (The Storefront Group), Cornerstone Advocacy Services, Advocates for Intentional Living, Community Involvement Programs, Transportation Resources to Aid Independent Living (TRAIL), Volunteers Enlisted to Assist People (VEAP), Loaves and Fishes, Richfield R.E.A.D.Y., The Family Partnership, Senior Community Services, and Modulo De Informacion De Recursos Y Apoyo (MIRA). The proposals represent a wide variety of social services offered to Richfield residents.

Of the eleven proposals, only Advocates for Intentional Living had not submitted a proposal in previous years. Advocates for Intentional Living is proposing to provide counseling services to clients of the City of Richfield's Kids@Home program. Clients of the Kids@Home program are required to participate in counseling services to assist them in overcoming barriers to financial and housing stability. A complete overview of all services to be provided by the various organizations is attached.

Based on Council input from last year, Council Member Garcia and two Richfield residents assisted in the review of proposals and subsequent funding recommendations. As a result, it is recommended that the City enter into agreements for services with the following non-profit agencies in the amounts indicated in the table below:

<b>Organization</b>	<b>2016 Proposal Request</b>	<b>2016 Recommendation</b>

  - Compatibility with City functions/activities.
  - Partnership and/or assistance with various City services (i.e., public safety).
  - Efforts to serve low-income persons of all races/cultures/ethnicity.

CITY MANAGER REVIEW: Steven L. Devich

**ITEM FOR COUNCIL CONSIDERATION:**

**Consideration of authorizing a capital improvement to upgrade the municipal liquor store at 6600 Cedar Avenue South.**

**EXECUTIVE SUMMARY:**

At the August 24, 2015 City Council/Staff budget review, the City Manager indicated the need to upgrade the municipal liquor store at 6600 Cedar Avenue South. This liquor store has not seen any significant renovation since it was built in the late 1980s. For the past 12 to 15 years, the Cedar Avenue store has been the leading store in terms of sales. However, the store is starting to look dated and is in need of upgrade and repairs. Liquor staff and the City's Building Superintendent have identified several areas in need of replacement or upgrading at the Cedar Avenue location:

- Roof Replacement
- Concrete Sidewalk Replacement
- Bituminous Mill and Overlay for Parking Area
- Pneumatic Entry/Exit Door Replacement
- Product Refrigeration Equipment (Compressor, Fans, Doors, Product Shelving)
- Numerous interior appointments (ceiling, flooring, HVAC vents)
- Restroom and office relocation
- Sales floor Product Shelving
- Wall Graphics and Isle Product Identification Signage
- Exterior Signage
- Point of Sale Counters
- Exterior Canopy replacement over entry way

In addition to the work needed on the store facility, other significant reasons to enhance this store relate to the recent added competition of Total Wine and Spirits to the Twin Cities area and the new redevelopment in the Cedar Point area that is scheduled to begin in 2016. Having a refurbished store ready by the summer of 2016 would be a strategic move to help Richfield maintain its retail sales market.

The estimated cost of the project is \$825,000 and architectural/engineering fees of \$48,000. The project would take place in early April with an interruption of business of six weeks.

As with previous liquor operations projects, Cedar Avenue customers will be directed to patronize one of the

City's other municipal liquor stores via various media.

**RECOMMENDED ACTION:**

**By Motion: Authorize a capital improvement and direct staff to proceed with upgrading the municipal liquor store at 6600 Cedar Avenue South.**

**BASIS OF RECOMMENDATION:**

**A. HISTORICAL CONTEXT**

With pending redevelopment on Richfield's east side and sale of the Cedar Point retail center, it would be a good opportunity to upgrade the current facility prior to the significant changes in the area.

Staff took advantage of a similar situation in 2013 when the liquor store located at 6444 Lyndale Avenue South was upgraded. This liquor store is still experiencing customer and sales growth, primarily due to the refined look of the retail operations.

**B. POLICIES (resolutions, ordinances, regulations, statutes, etc):**

N/A

**C. CRITICAL TIMING ISSUES:**

- Staff will proceed with specifications and advertisement for bids immediately after authorization from City Council.
- Staff would like to begin construction in early April 2016.
- Staff would like the store to be completed for the Memorial Day weekend.

**D. FINANCIAL IMPACT:**

- Staff and Wold Architects estimate a project cost of \$825,000 and design costs of \$48,000.
- Resources to fund the upgrade are available within the liquor operations financial portfolio.

**E. LEGAL CONSIDERATION:**

N/A

**ALTERNATIVE RECOMMENDATION(S):**

Delay the decision to a meeting at a later date or do not approve the renovation of the Cedar Avenue store.

**PRINCIPAL PARTIES EXPECTED AT MEETING:**

A Representative from Wold Architects will be invited to attend.

**ITEM FOR COUNCIL CONSIDERATION:**

**Consideration of the appointments to City advisory commissions.**

**EXECUTIVE SUMMARY:**

Several terms of City advisory commission members expire on January 31, 2016. In addition, there are mid-term vacancies due to resignations that should be filled. Advisory commission terms are for three years and they are staggered.

The City Council directs the City Manager's office to conduct an annual recruitment seeking applicants to fill the vacancies. This recruitment includes an item in the Richfield Sun-Current and information on the City's website.

Most applicants were interviewed at a Special City Council Meeting on January 16, 2016. To ensure a quorum at future advisory commission meetings, the City Council should make advisory commission appointments at the January 26, 2016 City Council meeting.
