Members of the Planning Commission
City of Richfield

Subject: Presentation by Public Health Law Center

Commissioners:

A combined work session with the Richfield Advisory Board of Health will be held on Monday, October 23 at 5:45pm. This work session offers an opportunity to hear findings from a recent policy review of Richfield's existing official controls (City Code, Comprehensive Plan, etc.) by the Public Health Law Center. The purpose of this review was to assess opportunities for healthy eating, biking and walking under existing rules and to identify areas for potential change. A 30-minute presentation will be followed by a question and answer period. Dinner will be served.

Respectfully submitted,

Melissa Poehlman, AICP
