

Gateway Tree Donations

Gateway Garden leaves are available to honor your loved ones. The Gateway Tree is located in the front of the nature center for all to see as they follow the path into the park.

Each leaf is \$250.00 and is a tax deductible donation to Wood Lake. This memorial donation will provide funding to continue managing and improving the beautiful gateway gardens, assist in developing educational programs, and research projects while giving your loved ones a lasting remembrance at Wood Lake.
