Kitchen & Breezeway Remodel

Attention to detail meant that *small* tweaks made a big impact in this kitchen and breezeway remodel. Removing the wall between the kitchen and the breezeway allows for better functionality and flow, while new finishes make the space shine.

Approximate Cost? \$140,000

Favorite Feature?

The cabinet design and lots of cabinet space

Lessons Learned?

It will probably cost more and take longer than originally planned

Splurge?

Custom cabinets

Save?

Found some great backsplash tile online
