Proposed City Charter Amendment to Authorize Additional Millage for Funding the Fire Department

A proposal to amend the City Charter by modifying Section 4.2, subsection .4. This subsection authorizes the City to levy up to 3.0 mills for funding the Fire Department. Required millage rollbacks have reduced this to 2.7798 mills. If adopted, the charter amendment will increase the amount the City may levy for funding the Fire Department to 3.5 mills, which, if levied in full, will raise an estimated \$5,039,970 in additional revenue in the first year.

Shall the City Charter be amended to authorize the City to levy up to 3.5 mills for funding the Fire Department?
