As summer winds down, we wanted to take a moment to share some important service reminders:

- **Please place your trash and recycling at the curb** the night before scheduled collection. Collection times may vary.

- **Pool chemicals, lawn care products and other household hazardous waste (HHW)** are not accepted in Rumpke's waste or recycling programs. Please contact your solid waste district for disposal options. **Please note:** Containers that once contained HHW also pose a fire risk and should be treated like HHW.
