B.2	<p>New Activities.</p> <p>(a) Does the PHA intend to undertake any new activities related to the following in the PHA’s current Fiscal Year?</p> <p>Y N</p> <p><input checked="" type="checkbox"/> <input type="checkbox"/> Hope VI or Choice Neighborhoods.</p> <p><input checked="" type="checkbox"/> <input type="checkbox"/> Mixed Finance Modernization or Development.</p> <p><input checked="" type="checkbox"/> <input type="checkbox"/> Demolition and/or Disposition.</p> <p><input checked="" type="checkbox"/> <input type="checkbox"/> Conversion of Public Housing to Tenant Based Assistance.</p> <p><input checked="" type="checkbox"/> <input type="checkbox"/> Conversion of Public Housing to Project-Based Assistance under RAD.</p> <p><input checked="" type="checkbox"/> <input type="checkbox"/> Project Based Vouchers.</p> <p><input checked="" type="checkbox"/> <input type="checkbox"/> Units with Approved Vacancies for Modernization.</p> <p><input checked="" type="checkbox"/> <input type="checkbox"/> Other Capital Grant Programs (i.e., Capital Fund Community Facilities Grants or Emergency Safety and Security Grants).</p> <p>(b) If any of these activities are planned for the current Fiscal Year, describe the activities. For new demolition activities, describe any public housing development or portion thereof, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act under the separate demolition/disposition approval process. If using Project-Based Vouchers (PBVs), provide the projected number of project based units and general locations, and describe how project basing would be consistent with the PHA Plan.</p> <ul style="list-style-type: none"> • The PHA has not received a Choice Neighborhoods (CNI) or HOPE VI grant, but plans to apply for a CNI Planning Grant as well as an Implementation Grant when offered again for the demolition and disposition of public housing inventory, resulting in a density increase of units: CAL 35-1 & 2 Westview Village (potential replacement of 180 public housing units plus additional 170 affordable units). • The PHA may engage in mixed-finance development activities for public housing in the Plan 5-Year period, which may be affiliated with any of the PHA’s existing public housing projects, if the PHA receives funding for the project in the Plan 5-Year period. RAD conversions undertaken during the PHA 5-Year Plan period (described in Attachment R) may include mixed-finance development. • The PHA may transfer Public Housing Operating Funds to Capital Fund projects in accordance with Notice PIH 2018-03 or may transfer Capital Funds to Operating Fund pursuant to HUD regulations; • The PHA may submit an application for the disposition of public housing properties during the Plan 5-Year period. Properties that might be submitted for disposition may include units within the following projects: CAL 35-1 & 2 (Westview Village); CAL 35-8 (Scattered Sites); CAL 35-10 (Scattered Sites); CAL 35-12 (Scattered Sites). • The PHA may submit an application for the conversion of public housing to tenant-based assistance during the Plan 5-Year period. Properties that might be submitted for disposition may include units within the following projects: CAL 35-1 & 2 (Westview Village); CAL 35-8 (Scattered Sites); CAL 35-10 (Scattered Sites); CAL 35-12 (Scattered Sites). • The PHA plans to project-base Section 8 Housing Choice Vouchers in the coming year. Project-basing is a more viable option than tenant-based vouchers because of the following circumstances: access to neighborhoods outside of high poverty areas, source of stable operating funds for new construction and to

ensure well-maintained units for very low income persons. Project-basing is consistent with the PHA 5-Year and Annual Plan objectives of expanding the supply of assisted housing, improving the quality of assisted housing and increasing assisted housing choices. The Agency plans to utilize the statutory and regulatory amendments issued in implementing the Housing Opportunity through Modernization Act (HOTMA) 2016, including:

- Project-basing twenty percent calculated by authorized voucher count;
- Project-basing an additional ten percent of authorized voucher count for projects that are specifically made available: 1) to house individuals and families that meet the definition of homeless pursuant to 24 C.F.R. 578.3; or 2) to house families that are comprised of or include a veteran; 3) to provide supportive housing for elderly/disabled persons; or 4) in a census tract with a poverty rate of 20 percent or less, as determined in the most recent American Community Survey 5-Year Estimates

The Agency has the following authorized voucher count and plans to provide project based voucher (PBV) subsidy to maximum extent allowable as follows:

In the upcoming PHA 5-Year Plan period, the agency will consider requesting proposals to project-base vouchers. Pursuant to the Housing Opportunity Through Modernization Act of 2016 (HOTMA) and HUD implementing regulations, the PHA will also: 1) award initial PBV contracts up to 20 years; 2) provide operating cost adjustment factor funding provisions and rent floors within PBV contracts; 3) permit owners and

supportive services providers to maintain site-based and disability-specific preference waiting lists; 4) attach assistance to structures in which the PHA has an ownership interest or control without following a competitive process; and 5) allow project-based HUD-VASH and FUP vouchers under the same policies and procedures applicable to general purpose vouchers. The PHA will consider PBVs in the following neighborhoods: East Ventura, Midtown, Downtown, and the Westside Neighborhood Revitalization Strategy Area. The PHA will give preference to proposals that target the following families: senior/disabled, homeless and at risk of homelessness, veterans, and very low income families.

The PHA plans to attach PBV assistance without competition to the following PHA-Owned PBV proposed developments: Willett Ranch on N. Ventura Avenue and the Villages at Westview, Phases II-IV

- The PHA plans to consider project-basing Veteran's Affairs Supportive Housing (VASH) vouchers and Family Unification Program (FUP) vouchers in the coming 5-Year Plan period and will apply for additional VASH or FUP vouchers as available to support PBV. Similarly to project-based Section 8 vouchers, project-based VASH vouchers can benefit the homeless veterans, the Veterans Administration, and FUP/Y beneficiaries by providing a stable source of operating funds for new construction and that ensure well-maintained units. Providing services at a single location for case management personnel is made easier with PBV. Currently the PHA has awarded project-based VASH assistance to one project, totaling 4 vouchers committed the PHA received a new allocation of 25 VASH which may be project-based in combination with other unleased VASH vouchers. No AHAP or HAP has been executed.

The PHA plans to attach PBV assistance without competition to the following PHA-Owned VASH-PBV proposed developments: CalVets Veterans Home site in East Ventura on Telephone Road and to seek VASH-PBV set-aside vouchers if available.

- The PHA has completed several conversions of Public Housing into RAD PBV assistance. The PHA retains management of the properties through a Property Management Agreement. As PBV units, they are governed by the PHA HCV Administrative Plan; as Tax Credit units they are subject to the PHA's Policy Guide Governing Admission To and Continued Occupancy of LIHTC Units. RAD Project descriptions follow:
 - Vista Del Mar Commons (f/k/a Asset Management Project (AMP) 2) – 144 public housing units at the following properties, converted to 140 units of RAD PBV assistance:
 - The Palms, 137 South Palm Street (Elderly/Disabled, 0 Bedrooms: 26, 1 Bedrooms: 49)
 - Mission Park, 66 North Ventura Avenue (Elderly/Disabled, 1 Bedrooms: 52, 2 Bedrooms: 1)
 - Training for Independent Living, 148 South Palm Street (Family, 1 Bedrooms: 3, 2 Bedrooms: 11, Offices: 2)
 - Operating as RAD PBV since February 2014.
 - Johnson Gardens (f/k/a portions of AMP 3 and AMP 4) – 101 public housing units at the following properties, converted to 101 units of RAD PBV assistance:

 - Phase 1 (Family, 1 Bedrooms: 18; 2 Bedrooms: 32; 3 Bedrooms: 13; 4 Bedrooms: 9) converted to RAD PBV starting January 2017; AHAP effective since October 2016.
 - See Attachment R regarding bedroom distributions/transfers of assistance for future phases
- Attachment R details the conversion of the additional 380 units to RAD, which will leave 196 units remaining in the PHA's the public housing inventory.
- Should the Moving to Work Demonstration Program be expanded, the PHA may apply for participation.
- Pursuant to Notice PIH 2016-20, the PHA shall apply to the Special Applications Center for disposition and retention of the Public Housing Real Property within CAL 35-1 & 2 (Westview Village) that comprises the agency's principal administrative building, a site that was never used for public housing dwelling units but which primarily serves or supports the service of low-income families. See Attachment S for Retention Application details.
- The PHA plans to assess the continued operational necessity of HUD Asset Management, modifying organizational protocols and procedures as needed to ensure efficient portfolio management.
- If the PHA public housing unit count goes below 250 public housing ACC units during the Plan Year, the PHA plans to assess and pursue the voluntary conversion of remaining units to Section 8 tenant-based assistance as applicable.
- If any Project-Based Voucher HAP contracts are not renewed during the Plan Year, the PHA plans to request tenant-protection vouchers as applicable and reissue new PBV commitments to replace such units.

	<ul style="list-style-type: none"> • If Emergency Safety & Security grant funds are made available and conditions exist, the PHA will apply for and expend the funds. • The PHA will work with other government partners to expand rental assistance opportunities, such as HOME-funded Tenant-Based Rental Assistance. • In the wake of the December 2017 Thomas Fire presidentially declared disaster, the PHA will seek and develop plans and activities that will supply community development activities intended to revitalize or stabilize the City of Ventura and retain or attract new low income residents. The PHA will seek out activities that provide housing, financial assistance, and services to low income individuals in the designated disaster area and to individuals who have been displaced from the area.
B.3	<p>Progress Report.</p> <p>Provide a description of the PHA’s progress in meeting its Mission and Goals described in the PHA 5-Year Plan.</p> <p>The Housing Authority of the City of San Buenaventura continues to provide well-maintained units for our residents and we continue to ensure public housing complexes operate effectively and efficiently. In that regard, we continue to review and will update our Physical Needs Assessment and Management Assessment to ensure each AMP is operating in a cost-effective manner. We continue to initiate direct contact with local owners and property managers to ensure a diverse inventory of rental properties available outside the identified tracks that are at or below the poverty-income level to all program participants. The Agency also administers 127 VASH vouchers, 13 CoC vouchers, and 12 FUP vouchers in our voucher inventory.</p> <p>The Agency continues to offer enhanced services to residents of all age levels, including a homework center for children, and exercise and health education programs for residents, all managed by our Community Services department. We have increased computer learning activities/classes that reinforce and encourage computer use for empowerment, educational and employment purposes. In order to encourage self-sufficiency efforts in all residents, the Family Self Sufficiency (FSS) Program is offered to Section 8 and Public Housing residents. We continue to implement the FSS Program for all eligible clients, and the Section 8 Homeownership Program continues to be a tool to assist residents to move into homeownership.</p> <p>The Agency continues to seek opportunities to develop additional low-income units in the community. To this extent, the Authority continues to participate in collaborative efforts to increase and improve the supply of affordable housing. Construction finished on a 12-unit family project in October 2011 and is fully occupied. All families receive supportive services through the FSS Program and the rents will be subsidies with Project-Based Section 8 voucher assistance. The Authority also opened a 37-unit family building in downtown Ventura, Encanto Del Mar. The Agency has received developed a new 38 unit development in Midtown Ventura for disabled person named Castillo Del Sol and is looking to expand VASH housing opportunities through project-basing.</p> <p>The Agency also continues to seek cost-effective ways to renovate or modernize public housing units, utilizing a trained resident force account as best applicable. The PHA is utilizing the RAD program and other sources of funding to substantially rehabilitate public housing units inventory-wide, while also converting their assistance to project-based Section 8 vouchers. The PHA will assess the feasibility of demo/disposition of various public housing units including Westview Village, Mission Avenue, single-family homes and duplexes as listed previously. The Agency intends to apply to become a Move to Work Demonstration Program.</p> <p>The Housing Authority of the City of San Buenaventura operates both its public housing and Section 8/Housing Choice Voucher (HCV) programs consistent with the required provisions of The Violence Against Women Reauthorization Act of 2005 (VAWA), specifically Section 606(1) of VAWA which adds the provision to Section 8 of the U.S. Housing Act of 1937 listing contract provisions and requirements for the HCV program. The Housing Authority of the City of San Buenaventura submits a report to the State of California Housing and Community Development Department on an annual basis, which indicates the number of evictions due to domestic violence activities in both public housing as well as in HCV-assisted units (there have been none to date). This data is tracked on a monthly basis and is reported to our Board of Commissioners on a monthly basis as well.</p> <p>The Agency does not offer a preference on either the public housing or Section 8/HCV Program waiting lists for victims of domestic violence, dating violence, sexual assault or stalking.</p>
