PHA High Performer Annual Plan  
Fiscal Year 2017, beginning 10/1/2016

### **PHA High Performer Annual Plan Section C.3**

#### **CHALLENGED ELEMENTS**

##### **Public Comments:**

At the Public Hearing conducted on June 8, 2016, the HACSB received a comment from the public regarding the PHA Plan's silence on a Memorandum of Understanding between the HACSB and a resident commission. At the CW-RAB meeting on June 9, 2016, with respect to the policy amendment regarding use of criminal arrest records, another member of the public commented that many current residents do not report criminal activity by guests due to their own potentially illegal behaviors (e.g. drug abuse) and their concern that this activity might impact their assistance.

##### **HACSB Response:**

The comment regarding a Memorandum of Understanding is beyond the scope of the PHA High Performer Annual Plan and therefore the HACSB does not have a response. The comment regarding the reporting of guest criminal activity will be the basis for further discussions with resident councils as HACSB continues to refine our policies regarding use of criminal arrest records. Further policy revisions on this topic will be developed in consultation with residents.
