

PHA 5-YEAR AND ANNUAL PLAN ELEMENT

OPERATION AND MANAGEMENT

Admissions and Continued Occupancy Policy (ACOP)

Chapter 1

OVERVIEW OF THE PROGRAM AND PLAN

INTRODUCTION

The PHA receives its operating subsidy for the public housing program from the Department of Housing and Urban Development. The PHA is not a federal department or agency. A public housing agency (PHA) is a governmental or public body, created and authorized by state law to develop and operate housing and housing programs for low-income families. The PHA enters into an Annual Contributions Contract with HUD to administer the public housing program. The PHA must ensure compliance with federal laws, regulations and notices and must establish policy and procedures to clarify federal requirements and to ensure consistency in program operation.

This chapter contains information about the PHA and its programs with emphasis on the public housing program. It also contains information about the purpose, intent and use of the plan and guide.

There are three parts to this chapter:

Part I: The Public Housing Agency (PHA). This part includes a description of the PHA, its jurisdiction, its programs, and its mission and intent.

Part II: The Public Housing Program. This part contains information about public housing operation, roles and responsibilities, and partnerships.

Part III: The Admissions and Continued Occupancy (ACOP). This part discusses the purpose and organization of the plan and its revision requirements.

PART I: THE PHA

1-I.A. OVERVIEW

This part describes the PHA's creation and authorization, the general structure of the organization, and the relationship between the PHA Board and staff.

1-I.B. ORGANIZATION AND STRUCTURE OF THE PHA

Public housing is funded by the federal government and administered by the **Housing Authority of the City of San Buenaventura** (HACSB) for the jurisdiction of the City of Ventura.

PHAs are governed by a board of officials that are generally called “commissioners.” Although some PHAs may use a different title for their officials, this document will hitherto refer to the “board of commissioners” or the “board” when discussing the board of governing officials.

Commissioners are appointed in accordance with state housing law and generally serve in the same capacity as the directors of a corporation. The board of commissioners establishes policies under which the PHA conducts business, and ensures that those policies are followed by PHA staff. The board is responsible for preserving and expanding the agency’s resources and assuring the agency’s continued viability and success.

Formal actions of the PHA are taken through written resolutions, adopted by the board and entered into the official records of the PHA.

The principal staff member of the PHA is the executive director (ED), who is selected and hired by the board. The ED oversees the day to day operations of the PHA and is directly responsible for carrying out the policies established by the commissioners. The ED’s duties include hiring, training, and supervising the PHA’s staff, as well as budgeting and financial planning for the agency. Additionally, the ED is charged with ensuring compliance with federal and state laws, and program mandates. In some PHAs, the ED is known by another title, such as chief executive officer or president.

HACSB Policy

HACSB’s CEO performs the duties of Executive Director as outlined above.

1-I.D. THE PHA’S COMMITMENT TO ETHICS AND SERVICE

As a public service agency, the PHA is committed to providing excellent service to all public housing applicants, residents, and the public. In order to provide superior service, the PHA resolves to:

- Administer applicable federal and state laws and regulations to achieve high ratings in compliance measurement indicators while maintaining efficiency in program operation to ensure fair and consistent treatment of clients served.
- Provide decent, safe, and sanitary housing in good repair – in compliance with program uniform physical condition standards – for very low- and low-income families.
- Achieve a healthy mix of incomes in its public housing developments by attracting and retaining higher income families and by working toward deconcentration of poverty goals.
- Encourage self-sufficiency of participant families and assist in the expansion of family opportunities which address educational, socio-economic, recreational and other human services needs.
- Promote fair housing and the opportunity for very low- and low-income families of all races, ethnicities, national origins, religions, ethnic backgrounds, and with all types of disabilities, to participate in the public housing program and its services.
- Create positive public awareness and expand the level of family and community support in accomplishing the PHA’s mission.
- Attain and maintain a high level of standards and professionalism in day-to-day management of all program components.
- Administer an efficient, high-performing agency through continuous improvement of the PHA’s support systems and commitment to our employees and their development.

The PHA will make every effort to keep residents informed of program rules and regulations, and to advise participants of how the program rules affect them.

1-II.D. APPLICABLE REGULATIONS

Applicable regulations include:

- 24 CFR Part 5: General Program Requirements
- 24 CFR Part 8: Nondiscrimination
- 24 CFR Part 902: Public Housing Assessment System
- 24 CFR Part 903: Public Housing Agency Plans
- 24 CFR Part 945: Designated Housing
- 24 CFR Part 960: Admission and Occupancy Policies
- 24 CFR Part 965: PHA-Owned or Leased Projects – General Provisions
- 24 CFR Part 966: Lease and Grievance Procedures

PART III: THE ADMISSIONS AND CONTINUED OCCUPANCY POLICIES

1-III.A. OVERVIEW AND PURPOSE OF THE POLICY

The ACOP is the PHA's written statement of policies used to carry out the housing program in accordance with federal law and regulations, and HUD requirements. The ACOP is required by HUD and it must be available for public review [CFR 24 Part 903]. The ACOP also contains policies that support the objectives contained in the PHA's Agency Plan.

All issues related to public housing not addressed in this ACOP are governed by federal regulations, HUD handbooks and guidebooks, notices and applicable state and local laws. The policies in this ACOP have been designed to ensure compliance with the consolidated ACC and all HUD-approved applications for program funding. The PHA is responsible for complying with all changes in HUD regulations pertaining to public housing. If such changes conflict with this plan, HUD regulations will have precedence.

1-III.B. CONTENTS OF THE POLICY

Unlike the housing choice voucher program, HUD regulations for public housing do not contain a list of what must be included in the ACOP. However, individual regulations contain requirements of inclusion in the PHA's written policy. At a minimum, the ACOP plan should cover PHA policies on these subjects:

- The organization of the waiting list and how families are selected and offered available units, including any PHA admission preferences, procedures for removing applicant names from the waiting list, and procedures for closing and reopening the PHA waiting list (Chapters 4 and 5)
- Transfer policies and the circumstances under which a transfer would take precedence over an admission (Chapter 12)
- Standards for determining eligibility, suitability for tenancy, and the size and type of the unit needed (Chapters 3 and 5)
- Procedures for verifying the information the family has provided (Chapter 7)
- The method for achieving deconcentration of poverty and income-mixing of public housing developments (Chapter 4)
- Grievance procedures (Chapter 14)
- Policies concerning payment by a family to the PHA of amounts the family owes the PHA (Chapter 15 and 16)
- Interim redeterminations of family income and composition (Chapter 9)
- Policies regarding community service requirements; (Chapter 11)
- Policies and rules about safety and ownership of pets in public housing (Chapter 10).

New Approach to Policy Development

HUD has developed an approach to monitoring policy that emphasizes the importance of consistency. The ACOP supports that goal by clearly defining PHA policy for PHA management and staff.

A primary focus of programs like HUD's Rental Integrity Monitoring (RIM) program has been consistency in how PHAs conduct their business and in how HUD monitors PHA activities. HUD has made it clear that consistency in PHA conduct is important. Referring to and following the ACOP is essential to maintaining consistency in applying PHA policy.

HUD makes a distinction between:

- Mandatory policies: those driven by legislation, regulations, current handbooks, notices, and legal opinions, and
- Optional, non-binding guidance, including guidebooks, notices that have expired and recommendations from individual HUD staff.

HUD expects PHAs to develop policies and procedures that are consistent with mandatory policies and to make clear the optional policies the PHA has adopted. The PHA's Admissions and Continued Occupancy Policy is the document that contains and clarifies PHA policy. HUD's new direction adds additional emphasis to the need for a clearly written and comprehensive ACOP to guide staff in the clear and consistent application of policy.

HUD has already determined that the recommendations and suggestions it makes are consistent with mandatory policies. Therefore, following HUD guidance in the preparation of PHA policy, even though it is not mandatory, provides a PHA with a "safe harbor." If a PHA adopts its own optional policy, it must make its own determination that such policy is consistent with legislation, regulations, and other mandatory requirements. There may be very good reasons for adopting a policy or procedure that is different than that suggested by HUD, but PHAs should carefully think through those decisions and be able to articulate how their policy is consistent with federal laws, regulations and mandatory policy.

1-III.C. UPDATING AND REVISING THE POLICY

The PHA will revise this ACOP as needed to comply with changes in HUD regulations. The original policy and any changes must be approved by the board of commissioners of the PHA, the pertinent sections included in the Agency Plan, and a copy provided to HUD.

HACSB Policy

The HACSB will review and update the ACOP at least once a year if needed, and more often if needed, to reflect changes in regulations, HACSB operations, or when needed to ensure staff consistency in operation.

Chapter 8

LEASING AND INSPECTIONS

[24 CFR 5, Subpart G; 24 CFR 966, Subpart A]

INTRODUCTION

Public housing leases are the basis of the legal relationship between the PHA and the tenant. All units must be occupied pursuant to a dwelling lease agreement that complies with HUD's regulations.

HUD rules also require the PHA to inspect each dwelling unit prior to move-in, at move-out, and annually during occupancy. In addition, the PHA may require additional inspections in accordance with PHA policy.

This chapter is divided into two parts as follows:

Part I: Leasing. This part describes pre-leasing activities and the PHA's policies pertaining to lease execution, modification, and payments under the lease.

Part II: Inspections. This part describes the PHA's policies for inspecting dwelling units.

PART I: LEASING

8-I.A. OVERVIEW

An eligible family may occupy a public housing dwelling unit under the terms of a lease. The lease must meet all regulatory requirements, and must also comply with applicable state and local laws and codes.

The term of the lease must be for a period of 12 months. The lease must be renewed automatically for another 12-month term, except that the PHA may not renew the lease if the family has violated the community service requirement [24 CFR 966.4(a)(2)].

Part I of this chapter contains regulatory information, when applicable, as well as the PHA's policies governing leasing issues.

8-I.B. LEASE ORIENTATION

HACSB Policy

After unit acceptance but prior to occupancy, a HACSB representative will provide a lease orientation to the family. The head of household or spouse is required to attend.

Orientation Agenda

HACSB Policy

When families attend the lease orientation, they will be provided with:

- A copy of the lease

- A copy of HACSB's grievance procedure

- A copy of the resident handbook, which includes HACSB's schedule of maintenance charges

- A copy of the pamphlet *Protect Your Family From Lead in Your Home*

- A copy of "Is Fraud Worth It?" (form HUD-1141-OIG), which explains the types of actions a family must avoid and the penalties for program abuse

- A copy of "What You Should Know about EIV," a guide to the Enterprise Income Verification (EIV) system published by HUD as an attachment to Notice PIH 2010-19

Topics to be discussed will include:

- Applicable deposits and other charges

- Review and explanation of lease provisions

- Unit maintenance and work orders

- The HACSB's reporting requirements

- Explanation of occupancy forms

- Community service requirements

- Pet Policy

- Guest Policy

- Family choice of rent

8-I.C. EXECUTION OF LEASE

The lease must be executed by the tenant and the PHA, except for automatic renewals of a lease [24 CFR 966.4(a)(3)].

A lease is executed at the time of admission for all new residents. A new lease is also executed at the time of transfer from one PHA unit to another.

The lease must state the composition of the household as approved by the PHA (family members and any PHA-approved live-in aide) [24 CFR 966.4(a)(1)(v)]. See Section 8-I.D. for policies regarding changes in family composition during the lease term.

HACSB Policy

The head of household, spouse or cohead, and all other adult members of the household will be required to sign the public housing lease prior to admission. An appointment will be scheduled for the parties to execute the lease. The head of household will be provided a copy of the executed lease and HACSB will retain a copy in the resident's file.

Files for households that include a live-in aide will contain file documentation signed by the live-in aide, that the live-in aide is not a party to the lease and is not entitled to HACSB assistance. The live-in aide is only approved to live in the unit while serving as the attendant for the participant family member.

8-I.D. MODIFICATIONS TO THE LEASE

The lease may be modified at any time by written agreement of the tenant and the PHA [24 CFR 966.4(a)(3)].

Modifications to the Lease Form

The PHA may modify its lease from time to time. However, the PHA must give residents 30 days advance notice of the proposed changes and an opportunity to comment on the changes. The PHA must also consider any comments before formally adopting the new lease [24 CFR 966.3].

After proposed changes have been incorporated into the lease and approved by the Board, each family must be notified at least 60 days in advance of the effective date of the new lease or lease revision. A resident's refusal to accept permissible and reasonable lease modifications that are made in accordance with HUD requirements, or are required by HUD, is grounds for termination of tenancy [24 CFR 966.4(l)(2)(iii)(E)].

HACSB Policy

The family will have 30 days to accept the revised lease. If the family does not accept the offer of the revised lease within that 30 day timeframe, the family's tenancy will be terminated for other good cause in accordance with the policies in Chapter 13.

Schedules of special charges and rules and regulations are subject to modification or revision. Because these schedules are incorporated into the lease by reference, residents and resident organizations must be provided at least thirty days written notice of the reason(s) for any proposed modifications or revisions, and must be given an opportunity to present written comments. The notice must be delivered directly or mailed to each tenant; or posted in at least three conspicuous places within each structure or building in which the affected dwelling units are located, as well as in a conspicuous place at the project office, if any, or if none, a similar central business location within the project. Comments must be taken into consideration before any proposed modifications or revisions become effective [24 CFR 966.5].

After the proposed revisions become effective they must be publicly posted in a conspicuous manner in the project office and must be furnished to applicants and tenants on request [24 CFR 966.5].

HACSB Policy

When HACSB proposes to modify or revise schedules of special charges or rules and regulations, HACSB will post a copy of the notice in the central office, and will mail a copy of the notice to each resident family. Documentation of proper notice will be included in each resident file.

Other Modifications

HACSB Policy

The lease will be amended to reflect all changes in family composition.

If, for any reason, any member of the household ceases to reside in the unit, the lease will be amended by virtue of a 'lease amendment' document which will list the new household composition, and include the effective date of change. The head of household and HACSB will be required to initial and date the change.

If a new household member is approved by HACSB to reside in the unit, the lease will be amended by virtue of a 'lease amendment' document which will list the new household composition, and include the effective date of change. The head of household and HACSB will be required to initial and date the change.

If the new member of the household is an adult, s/he will also be required to sign and date the lease amendment.

Policies governing when and how changes in family composition must be reported are contained in Chapter 9, Reexaminations.

8-I.E. SECURITY DEPOSITS [24 CFR 966.4(b)(5)]

At the option of the PHA, the lease may require security deposits. The amount of the security deposit cannot exceed one month's rent or a reasonable fixed amount as determined by the PHA. The PHA may allow for gradual accumulation of the security deposit by the family, or the family may be required to pay the security deposit in full prior to occupancy. Subject to applicable laws, interest earned on security deposits may be refunded to the tenant after vacating the unit, or used for tenant services or activities.

HACSB Policy

Residents must pay a security deposit to HACSB at the time of admission. The amount of the security deposit will be equal to the greater of \$200 or the family's total tenant payment at the time of move-in. If the family requests in writing, HACSB will allow the family to make up to three monthly payments in order to pay the security deposit in full. If so approved, the family must sign a payment agreement and make payments in a timely manner.

HACSB will hold the security deposit for the period the family occupies the unit. The HACSB will not use the security deposit for rent or other charges while the resident is living in the unit.

Within 21 days of move-out, HACSB will refund to the resident the amount of the security deposit (including interest earned on the security deposit), less any amount needed to pay the cost of unpaid rent, damages listed on the move-out inspection report that exceed normal wear and tear, and other charges due under the lease.

HACSB will provide the resident with a written list of any charges against the security deposit within 10 business days of the move-out inspection. If the resident disagrees with the amount charged, HACSB will provide a meeting to discuss the charges.

If the resident transfers to another unit, HACSB will not transfer the security deposit to the new unit. The tenant will be billed for any maintenance or other charges due for the "old" unit, and a new security deposit will be required for the new unit.

8-I.F. PAYMENTS UNDER THE LEASE

Rent Payments [24 CFR 966.4(b)(1)]

Families must pay the amount of the monthly tenant rent determined by the PHA in accordance with HUD regulations and other requirements. The amount of the tenant rent is subject to change in accordance with HUD requirements.

The lease must specify the initial amount of the tenant rent at the beginning of the initial lease term, and the PHA must give written notice stating any change in the amount of tenant rent and when the change is effective.

HACSB Policy

The tenant rent is due and payable at the HACSB -designated location on the first of every month. If the first falls on a weekend or holiday, the rent is due and payable on the first business day thereafter.

If a family's tenant rent changes, HACSB will notify the family of the new amount and the effective date by sending a "Notice of Rent Adjustment" which will become an attachment to the lease.

Late Fees and Nonpayment

At the option of the PHA, the lease may provide for payment of penalties when the family is late in paying tenant rent [24 CFR 966.4(b)(3)].

The lease must provide that late payment fees are not due and collectible until two weeks after the PHA gives written notice of the charges. The written notice is considered an adverse action, and must meet the requirements governing a notice of adverse action [24 CFR 966.4(b)(4)].

The notice of proposed adverse action must identify the specific grounds for the action and inform the family of their right for a hearing under the PHA grievance procedures. The PHA must not take the proposed action until the time for the tenant to request a grievance hearing has expired, or (if a hearing was requested within the required timeframe,) the grievance process has been completed [24 CFR 966.4(e)(8)].

HACSB Policy

If the family fails to pay their rent by the fifth day of the month, and HACSB has not agreed to accept payment at a later date, a 14 day Notice to Vacate will be issued to the resident for failure to pay rent, demanding payment in full or the surrender of the premises.

In addition, if the resident fails to make payment by the end of office hours on the fifth day of the month, a late fee of \$25.00 will be charged. Notices of late fees will be in accordance with requirements regarding notices of adverse action. Charges are due and payable 14 calendar days after billing. If the family requests a grievance hearing within the required timeframe, HACSB may not take action for nonpayment of the fee until the conclusion of the grievance process. If the resident can document financial hardship, the late fee may be waived on a case-by-case basis.

When a check is returned for insufficient funds or is written on a closed account, the rent will be considered unpaid and a returned check fee of \$30.00 will be charged to the family. The fee will be due and payable 14 days after billing.

Excess Utility Charges

If the PHA charges the tenant for consumption of excess utilities, the lease must state the basis for the determination of such charges. The imposition of charges for consumption of excess utilities is permissible only if the charges are determined by an individual check meter servicing the leased unit or result from the use of major tenant-supplied appliances [24 CFR 966.4(b)(2)].

Schedules of special charges for utilities that are required to be incorporated in the lease by reference must be publicly posted in a conspicuous manner in the development office and must be furnished to applicants and tenants on request [24 CFR 966.5].

The lease must provide that charges for excess utility consumption are not due and collectible until two weeks after the PHA gives written notice of the charges. The written notice is considered an adverse action, and must meet the requirements governing a notice of adverse action [24 CFR 966.4(b)(4)].

The notice of proposed adverse action must identify the specific grounds for the action and inform the family of their right for a hearing under the PHA grievance procedures. The PHA must not take the proposed action until the time for the tenant to request a grievance hearing has expired, or (if a hearing was requested within the required timeframe,) the grievance process has been completed [24 CFR 966.4(e)(8)].

HACSB Policy

HACSB does not have an excess utility charge schedule.

Maintenance and Damage Charges

If the PHA charges the tenant for maintenance and repair beyond normal wear and tear, the lease must state the basis for the determination of such charges [24 CFR 966.4(b)(2)].

Schedules of special charges for services and repairs which are required to be incorporated in the lease by reference must be publicly posted in a conspicuous manner in the development office and must be furnished to applicants and tenants on request [24 CFR 966.5].

The lease must provide that charges for maintenance and repair beyond normal wear and tear are not due and collectible until two weeks after the PHA gives written notice of the charges. The written notice is considered an adverse action, and must meet the requirements governing a notice of adverse action [24 CFR 966.4(b)(4)].

The notice of proposed adverse action must identify the specific grounds for the action and inform the family of their right for a hearing under the PHA grievance procedures. The PHA must not take the proposed action until the time for the tenant to request a grievance hearing has expired, or (if a hearing was requested within the required timeframe,) the grievance process has been completed [24 CFR 966.4(e)(8)].

HACSB Policy

When applicable, families will be charged for maintenance and/or damages according to the HACSB's current schedule. Work that is not covered in the schedule will be charged based on the actual cost of labor and materials to make needed repairs (including overtime, if applicable).

Notices of maintenance and damage charges will be mailed monthly and will be in accordance with requirements regarding notices of adverse actions. Charges are due and payable 30 calendar days after billing. If the family requests a grievance hearing within the required timeframe, HACSB may not take action for nonpayment of the charges until the conclusion of the grievance process.

Nonpayment of maintenance and damage charges is a violation of the lease and is grounds for eviction.

PART II: INSPECTIONS

8-II.A. OVERVIEW

HUD rules require the PHA to inspect each dwelling unit prior to move-in, at move-out, and annually during occupancy. In addition, the PHA may require additional inspections, in accordance with PHA Policy. This part contains the PHA's policies governing inspections, notification of unit entry, and inspection results.

8-II.B. TYPES OF INSPECTIONS

Move-In Inspections [24 CFR 966.4(i)]

The lease must require the PHA and the family to inspect the dwelling unit prior to occupancy in order to determine the condition of the unit and equipment in the unit. A copy of the initial inspection, signed by the PHA and the resident, must be provided to the tenant and be kept in the resident file.

HACSB Policy

Any adult family member may attend the initial inspection and sign the inspection form for the head of household.

Move-Out Inspections [24 CFR 966.4(i)]

The PHA must inspect the unit at the time the resident vacates the unit and must allow the resident to participate in the inspection if he or she wishes, unless the tenant vacates without notice to the PHA. The PHA must provide to the tenant a statement of any charges to be made for maintenance and damage beyond normal wear and tear.

The difference between the condition of the unit at move-in and move-out establishes the basis for any charges against the security deposit so long as the work needed exceeds that for normal wear and tear.

HACSB Policy

Families have a right to request a pre-move out inspection in accordance with California law. Upon receipt of such written request, HACSB will schedule a pre-move out inspection to take place no sooner than two weeks prior to scheduled move out.

HACSB will always conduct a move out inspection after the tenant vacates the unit.

When applicable, HACSB will provide the tenant with a statement of charges to be made for maintenance and damage beyond normal wear and tear, within 21 business days of conducting the final move-out inspection.

Annual Inspections

Under the Public Housing Assessment System (PHAS), the PHA is required to inspect all occupied units annually using HUD's Uniform Physical Condition Standards (UPCS) [24 CFR 902.43(a)(4)].

Quality Control Inspections

The purpose of quality control inspections is to assure that all defects were identified in the original inspection, and that repairs were completed at an acceptable level of craftsmanship and within an acceptable time frame

HACSB Policy

Supervisory quality control inspections will be conducted in accordance with the HACSB's maintenance plan.

Special Inspections

HACSB Policy

HACSB staff may conduct a special inspection for any of the following reasons:

Housekeeping

Unit condition

Suspected lease violation

Preventive maintenance

Routine maintenance

There is reasonable cause to believe an emergency exists

Other Inspections

HACSB Policy

Building exteriors, grounds, common areas and systems will be inspected according to the HACSB's maintenance plan.

8-II.C. NOTICE AND SCHEDULING OF INSPECTIONS

Notice of Entry

Non-emergency Entries [24 CFR 966.4(j)(1)]

The PHA may enter the unit, with reasonable advance notification to perform routine inspections and maintenance, make improvements and repairs, or to show the unit for re-leasing. A written statement specifying the purpose of the PHA entry delivered to the dwelling unit at least two days before such entry is considered reasonable advance notification.

HACSB Policy

HACSB will notify the resident in writing at least 48 hours prior to any non-emergency inspection.

For regular annual inspections, the family will receive at least 2 weeks written notice of the inspection to allow the family to prepare the unit for the inspection.

Entry for repairs requested by the family will not require prior notice. Resident-requested repairs presume permission for the HACSB to enter the unit.

Emergency Entries [24 CFR 966.4(j)(2)]

The PHA may enter the dwelling unit at any time without advance notice when there is reasonable cause to believe that an emergency exists. If no adult household member is present at the time of an emergency entry, the PHA must leave a written statement showing the date, time and purpose of the entry prior to leaving the dwelling unit.

Scheduling of Inspections

HACSB Policy

Inspections will be conducted during business hours. If a family needs to reschedule an inspection, they must notify HACSB at least 24 hours prior to the scheduled inspection. HACSB will reschedule the inspection no more than once unless the resident has a verifiable good cause to delay the inspection. HACSB may request verification of such cause.

Attendance at Inspections

Residents are required to be present for move-in inspections [24 CFR 966.4(i)]. There is no such requirement for other types of inspections.

HACSB Policy

Except at move-in inspections, the resident is not required to be present for the inspection. The resident may attend the inspection if he or she wishes.

If no one is at home, the inspector will enter the unit, conduct the inspection and leave a door hanger informing of the inspection. The Property Manager will then follow up on any necessary housekeeping and/or repair issues with the tenant.

8-II.D. INSPECTION RESULTS

The PHA is obligated to maintain dwelling units and the project in decent, safe and sanitary condition and to make necessary repairs to dwelling units [24 CFR 966.4(e)].

Emergency Repairs [24 CFR 966.4(h)]

If the unit is damaged to the extent that conditions are created which are hazardous to the life, health, or safety of the occupants, the tenant must immediately notify the PHA of the damage, and the PHA must make repairs within a reasonable time frame.

If the damage was caused by a household member or guest, the PHA must charge the family for the reasonable cost of repairs. The PHA may also take lease enforcement action against the family.

If the PHA cannot make repairs quickly, the PHA must offer the family standard alternative accommodations. If the PHA can neither repair the defect within a reasonable time frame nor offer alternative housing, rent shall be abated in proportion to the seriousness of the damage and loss in value as a dwelling. Rent shall not be abated if the damage was caused by a household member or guest, or if the resident rejects the alternative accommodations.

HACSB Policy

When conditions in the unit are hazardous to life, health, or safety, HACSB will make repairs or otherwise abate the situation within 24 hours.

Defects hazardous to life, health or safety include, but are not limited to, the following:

- Any condition that jeopardizes the security of the unit
- Major plumbing leaks or flooding, waterlogged ceiling or floor in imminent danger of falling
- Natural or LP gas or fuel oil leaks
- Any electrical problem or condition that could result in shock or fire
- Absence of a working heating system when outside temperature is below 60 degrees Fahrenheit
- Utilities not in service, including no running hot water
- Conditions that present the imminent possibility of injury
- Obstacles that prevent safe entrance or exit from the unit
- Absence of a functioning toilet in the unit
- Inoperable smoke detectors
- Non-functioning refrigerators

Non-emergency Repairs

HACSB Policy

HACSB will correct non-life threatening health and safety defects within 30 business days of the inspection date. If the HACSB is unable to make repairs within that period due to circumstances beyond the HACSB's control (e.g. required parts or services are not available, weather conditions, etc.) the HACSB will notify the family of an estimated date of completion.

The family must allow the HACSB access to the unit to make repairs.

Resident-Caused Damages

HACSB Policy

Damages to the unit beyond wear and tear will be billed to the tenant in accordance with the policies in 8-I.G., Maintenance and Damage Charges.

Repeated or excessive damages to the unit beyond normal wear and tear will be considered a serious or repeated violation of the lease.

Housekeeping

HACSB Policy

Residents whose housekeeping habits pose a non-emergency health or safety risk, encourage insect or rodent infestation, or cause damage to the unit are in violation of the lease. In these instances, the HACSB will provide proper notice of a lease violation.

A reinspection will be conducted within 30 days to confirm that the resident has complied with the requirement to abate the problem. Failure to abate the problem or allow for a reinspection is considered a violation of the lease and may result in termination of tenancy in accordance with Chapter 13.

Notices of lease violation will also be issued to residents who purposely disengage the unit's smoke detector, and a \$50 fine will be assessed. Only one warning will be given. A second incidence will result in lease termination.

Notices of the \$50 fine will be mailed monthly and will be in accordance with requirements regarding notices of adverse actions. Charges are due and payable 30 calendar days after billing. If the family requests a grievance hearing within the required timeframe, HACSB may not take action for nonpayment of the charges until the conclusion of the grievance process.

Nonpayment of the \$50 fine charges is a violation of the lease and is grounds for eviction.

Chapter 17

Palm St.; Gregory Gardens, 9620 Telephone Road; 1079 Johnson Drive; 1055 Johnson Drive; 9054/9092 Telephone Road (Buena Vida family units); and Buena Vida Senior Apartments, 9050 Telephone Rd. All persons entering a Housing Authority of the City of San Buenaventura smoke free property, including HACSB residents, their guests and visitors, HACSB contractors, and HACSB employees.

Policy:

Smoking is prohibited in individual units and common areas of properties designated by the Housing Authority of the City of San Buenaventura as smoke free.

Individual units are defined as the interior and exterior spaces tied to that particular residence. This includes, but is not limited to, living rooms, bedrooms, hallways, kitchens, bathrooms, patios, balconies, and entryways.

Common Areas are defined as areas within the building interior that are open to the public, including but not limited to entryways, community patios, balconies, roof terraces, lobbies, hallways, elevators, management offices, public restrooms, community rooms, community kitchens, stairwells, parking lots and any other area of the building that is accessible to residents, guests, contractors and employees.

Smoking is permitted only in designated areas outside the building. Designated smoking areas will be a minimum of 30 feet from building entrances.

Residents, guests and visitors who smoke are required to smoke only in designated smoking areas and dispose of their smoking materials in marked collection receptacles provided by HACSB.

The HACSB management and maintenance employees will be responsible for enforcement of this smoke-free housing policy.

Failure to comply with the terms and conditions of the smoke free policy is a material violation of the lease and subjects the resident to possible legal sanctions, up to and including termination of the lease and possible financial costs to remove evidence of smoking from units.
