Mr. Jeffrey Lambert
Community Development Director
City of San Buenaventura
501 Poli Street
Ventura, CA 93001

Dear Mr. Lambert:

The Housing Authority of the City of San Buenaventura will be processing an Inventory Removal Application with HUD. The purpose of the application is to remove our office, located at 995 Riverside Street, from HUD Public Housing Use Restrictions. A copy of our application is attached.

Because this office was never used for public housing dwelling purposes, it is eligible to be retained by the Agency, but we can have the HUD restrictions lifted from the property. We are continuing to use the office for administrative purposes serving low-income families; therefore, we do not need to compensate HUD for the value of the office.

HUD requires a letter of support from the City for our application. Will you please prepare a letter of support so that we may include it in our application?

Thank you in advance for your support.

Sincerely,

Loretta McCarty
Deputy Director: Real Estate Development
