Greetings!

Dear Residents & Friends,

Happy Spring! We're busy doing our annual spring clean-up of Meadow Park and getting ready for two spring events.

On April 26th at 11:00 AM we are dedicating the Main Street Plaza. Borough, County and State Officials will be on hand for this ceremonial event to thank and recognize the Borough's partners who helped make this new facility possible. We are looking forward to hosting a variety of events here.

May 4th is Schwenksville's 10th Anniversary Community Day Celebration. Our Activities Committee has lined up a fun family and community day filled with music, kids activities, food carts and various information and craft vendor booths. The committee is still accepting applications for craft vendors. Please see the links and information below or check [www.schwenksville-pa.org](http://www.schwenksville-pa.org) for more information. Hope to see you at Meadow Park, 300 Main Street on May 4th from 10:00 AM to 3:00 PM!

## Main Street Construction Activities

**Water & Sewer Authority Work:** We understand that last summer's Water & Sewer Line replacement project was painfully slow and disruptive. The Authority will be working to finish the work that was left incomplete due to weather conditions by the end of May. The work is being completed by a different contractor and is much more limited in scope. However, the work zone is near and at the intersection of Game Farm Road, E. Park Avenue and Main Street and will cause disruption of the Traffic Signal and traffic. Your patience is appreciated. Please call 610-287-7772 with questions or concerns.

**Borough Work:** The 100 block of Main Street is also scheduled for sidewalk and curb replacement. This project may require lane reductions and restrictions at Maple Avenue where a new handicap ramp will be installed.

**PennDot Work:** PennDot has awarded a contract to Highway Materials, Inc. of Flourtown for the mill and overlay repair of Main Street from the Route 73 Bridge through the limits of the Borough and beyond. **This work may not be completed before September of this year but will be completed before the end of the year.**
