

## E-Pathways: Your direct source for information

### **Dear Residents & Friends,**

In the course of just a few short weeks, COVID-19 has changed our lives and has shaken our communities. While we may not know what lies ahead, we do know that in this new and challenging environment, our Borough Community has what it takes to help our neighbors and help our community get through this difficult time.

All of us at Schwenksville Borough want you to be aware that the heroic and critical work healthcare professionals, first responders and providers of critical life sustaining resources are doing is recognized, valued, and appreciated. We have never been prouder of you and your commitment to your profession, your community and fellow citizens.

Schwenksville Borough Hall is closed to the public but we are still working with policy leaders to learn how to navigate the new restrictions and get you the information you need to secure funding to help ease the financial burdens you have taken on, get the help you need and continue to help one another.

Thank you for all that you have done and continue to do on a daily basis to build stronger communities. The number one thing you can do to assist us through this time of adversity is to follow Governor Wolf's orders. PLEASE STAY HOME. PLEASE HONOR SOCIAL DISTANCING.
