

## E-Pathways: Your direct source for information

Dear Residents & Friends,

Snow is in the forecast for next week. Please remember that a Snow Emergency automatically goes into effect with at least 3" of snow fall. If this occurs, all vehicles should be removed from [Emergency Snow Routes](#) so that plows can clear the roadways as efficiently as possible. Please also remember to wait until the snow has stopped and the plows have finished operating before shoveling the required 24" clearance on public sidewalks. You have 24 hours from the cessation of snow to complete this and we understand that you need to make sure the plows have completed their rounds.

Routine activities such as parking your car, trash collection and pedestrian egress are affected by large amounts of snow. The Borough Authority plow operators do their best to minimize inconvenience, but are confronted with limited places to push the snow. Your patience and understanding are appreciated.

Sincerely,

Schwenksville Borough

## Renninger Property Sold

You may have heard that a large amount of open space comprised of several tax parcels located in Lower Frederick, Perkiomen Township and Schwenksville Borough has been recently purchased by a developer. The property is known as "The Renninger Property"

The development of this property will have significant impact on the Borough as well as our neighboring communities. As a property of regional interest, the Central Perkiomen Regional

**Street. Please do not drop off your water and sewer payments at Borough Hall.**

- **Schwenksville Borough Hall & Community Center** : Located at 300 Main Street, Schwenksville, PA 19473. Tel. 610-287-7442 Fax. 610-287-8098 email: [info@schwenksville-pa.org](mailto:info@schwenksville-pa.org). [Website www.schwenksville-pa.org](http://www.schwenksville-pa.org).
- **Schwenksville Borough Authority - Water & Sewer Business** : Located at 298 Main Street in the Markley Building. All bill payments and inquiries regarding Water & Sewer Service, Repairs or Projects should be directed to the Authority. Tel. 610-287-7772. ## 2021 at a Glance

Although the Borough has been forced to defer some construction projects, others are still on schedule for completion in 2021.

- **Clearfield Avenue**. Clearfield Avenue will be milled down and repaved. Bids will likely be advertised in April for a spring contract. [Concept Plan](#).
- **Main Street Sidewalk Replacement**. The next phase of Main Street sidewalk replacement will occur in 2021. Sidewalk between Maple Street and Walnut Street on the west side of Main Street will be replaced. This phase is being implemented by PennDot instead of the Borough. PennDot will be advertising and letting the contract for this work following design approval and permitting completed by the Borough.
- **Summit Avenue repair work**. Repair work to portions of Summit Avenue between Mine Hill Road and Highland Avenue was carried over from 2020 and will be completed when weather permits. This is not the major road reconstruction project planned for Summit Avenue between Highland Avenue and the Lower Frederick Township line. The Borough is still waiting to hear if its grant application from the Commonwealth Financing Agency is approved. Should funding be awarded, planning meetings with residents will be scheduled and conducted.

The Borough will continue to perform routine inspections of its roadways. The Borough contracts with the Borough Authority for routine maintenance and there is a standing work order to repair potholes reported or observed. Please use the Borough's [Reporting a Concern Form](#) to request a road inspection or repair for a specific street.

## Sponsor or Suggest a Design for a Sidewalk Medallion

Schwenksville Borough is currently looking for Organizations or Businesses interested in Sponsoring a Sidewalk Medallion. These medallions are being

placed in sidewalks along Main Street as part of our Revitalization Plan and are intended to recognize, places, organizations, natural features, or people of local interest.

We are currently looking for sponsors for three medallions planned for installation in the next phase of Main Street Sidewalk Replacement between Maple Street and Walnut Street. If you are interested in sponsoring a medallion, or if you have a design idea that you would like to suggest please contact us at [info@schwenksville-pa.org](mailto:info@schwenksville-pa.org). You can find out more information about this program on our [website](#).

## Learn More About Stormwater Management

Stormwater Management is the responsibility of everyone. The Borough is responsible to manage its Municipal Storm System - by cleaning out the stormwater pipes, repairing them when they fail and inspecting them in accordance with the MS4 permit. The Borough is also responsible for public outreach and education. Check out our [Stormwater Information Page](#) on the new website! Please help us keep our water clean and safe by preventing contamination from entering the storm system, by keeping storm drains free of obstructions and by [reporting concerns](#).

***Should you have questions or concerns about information contained in this e-newsletter; about projects being undertaken by Schwenksville Borough or about Borough operations please contact us at [info@schwenksville-pa.org](mailto:info@schwenksville-pa.org) or call 610-287-7442. Residents are also welcomed to attend a Council Meeting on the 2nd Thursday of each Month at 7 PM --except for January of even years when the Borough conducts a reorganization meeting the first Monday or day after a Monday holiday in January.***
